

# "40km/h When Lights Flash" Sign

*How does this sign help to improve our safety?*

*It reminds drivers to slow down in School Zones.*

## **Where can it be found?**

At the start of an Enhanced School Zone.

## **How do we know it is in operation?**

The two amber lights will flash alternately.

## **What should motorists do?**

- Reduce their travelling speed to 40km/h when the lights are in operation.
- Drive within the designated speed limit of the road when the lights are not in operation.

## **What are the operating hours?**

Monday to Friday excluding school holidays:

- 6.30am to 7.45am
- 12.00pm to 2.30pm
- 6.00pm to 7.00pm (for double-session schools)
- Activated by schools when required

*Note: Motorists caught committing the offence of careless/inconsiderate driving, beating red lights, or speeding within school zones will receive an additional demerit point from the Traffic Police.*
