Customer Service Centre Tel No. : 6872 2220

CHOOSING YOUR SECONDARY SCHOOLS FOR ADMISSION TO SECONDARY 1 IN 2021

This booklet provides information to help parents and students make more informed secondary school choices in the annual Secondary 1 (S1) Posting. Parents and students can refer to the “Secondary School Education” booklet for more information on secondary education.

The information published in this booklet is correct as at time of preparation.

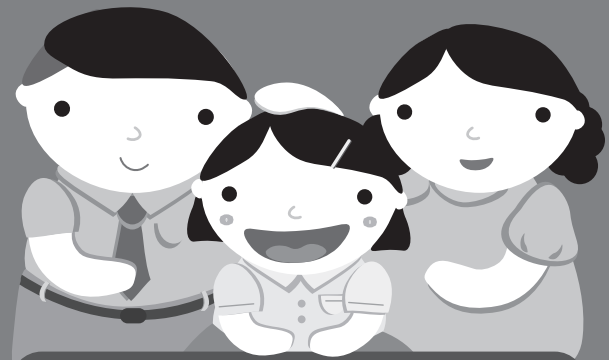

This booklet contains proprietary intellectual property of the Government of Singapore (represented by the Ministry of Education) and the Singapore Land Authority. You may not, in whole or in part, in any media or medium (including all digital formats), copy, communicate, broadcast, transmit, photocopy, reproduce, translate, modify, create any derivative work from, or publish over the Internet, the contents of this Booklet without the prior written consent of the Ministry of Education or the Singapore Land Authority, as the case may be.

The contents of this booklet is also available at www.moe.gov.sg/s1-posting.

HOW DOES SECONDARY 1 POSTING WORK?

Students are posted to secondary schools based on merit. This means that students with a higher PSLE score will be posted to their school of choice before another student with a lower score. Vacancies are filled up by students with higher scores first.

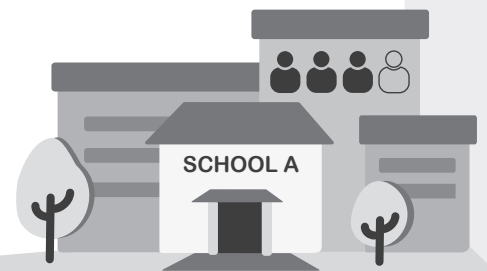

Amanda's School Choices

- | | |
|--------------|--------------|
| 1 : School A | 4 : School D |
| 2 : School B | 5 : School E |
| 3 : School C | 6 : School F |

Let's look at the posting process by following Amanda, who has submitted her school choices.

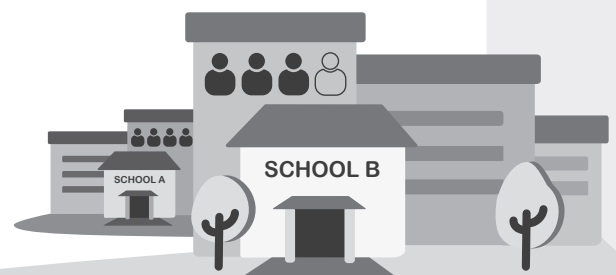

STEP 1

Amanda is considered for her first choice (A). If there are other students with higher PSLE scores than Amanda, they will be posted before her. If there are still vacancies in School A, she will be posted to the school.

STEP 2

If there are no more vacancies in her first choice (A), she will be considered for the next school, based on the order of her school choices (B, C, D, E and F) until she is posted to a secondary school with vacancies.

STEP 3

If all vacancies in Amanda's school choices (A to F) are filled with students who have better PSLE scores, she will be posted to a school near her home, which has vacancies.

SECTION I: GENERAL INFORMATION

1 INTRODUCTION

- 1.1 Primary 6 (P6) students from mainstream primary schools who sat for the Primary School Leaving Examination (PSLE) and are eligible for secondary school can participate in S1 Posting to submit their school choices. This booklet provides information on how to participate in S1 Posting.
- 1.2 Students are posted to secondary schools **based on merit** using their PSLE results, and according to their school choices and available vacancies in the schools.
- 1.3 S1 Posting comprises the following stages:
- School Choice & Option Submission - Submit your child's secondary school choices, and other options (i.e. course option and Third Language option) if applicable. See **Section II** for details.
 - School Posting - MOE posts your child to a secondary school taking into consideration their PSLE results, school options and available vacancies. See **Section III** for details.
 - Receive School Posting Results - MOE releases school posting results. Your child is to report to their posted secondary schools on the next working day after the release of the posting results. See **Section III** for details.

2 S1 POSTING - IMPORTANT DATES

- 2.1 Below are the important dates (tentative) for your information. Please refer to the Press Release in November for the exact dates.

Key Event	Date
Receive PSLE results	Between 25 and 27 November 2020 (Tentative)
Submit school choices and options	7 calendar days starting from the day of PSLE results release (e.g. if PSLE results are released on 25 November, the submission period will be from 25 November to 1 December).
a. Via S1 Internet System (S1-IS)	S1-IS is accessible 24-hour starting from 11am on the first day until 3pm on the last day of the School Choice Submission Period.
b. Via Primary School	5 working days starting from the day of PSLE results release. Submission of S1 options starts from 11am to 3pm on the first day; and subsequently from 9am to 3pm daily until the last day of the School Choice Submission Period. Primary schools are not open on weekends. If your child misses the School Choice Submission Period, you can contact the primary school for assistance the next day after the submission closes, from 9am to 12pm. This is only for new submission of S1 school choices and options, and not for amendments to earlier submissions.

Key Event	Date
Receive school posting results	Between 22 and 24 December 2020 (Tentative)
Students to report to secondary schools for registration	After receiving the posting results, your child will report to their secondary school on the next working day (excluding eve of public holiday and public holiday). Please refer to school website for details.

- 2.2 **What if you are not in Singapore during S1 Posting?** - You can authorise a proxy to act on your behalf to (i) collect your child's PSLE results and S1 Option Form from your child's primary school; (ii) submit the S1 Options to your child's primary school; (iii) report to the posted secondary school for registration. The proxy is required to produce the following documents for verification at the school:
- Completed Proxy Form (in **Reference L**)
 - Photocopy of the NRIC of both parents
 - Photocopy of your child's Birth Certificate
 - Original NRIC of the appointed proxy

3 MORE PATHWAYS FOR SECONDARY SCHOOL STUDENTS

- 3.1 Most secondary schools offer both the General Cambridge Examination (GCE) Ordinary ('O') Level and Normal ('N') Level Programme. However, there are a few schools which provide students a slightly different education pathway.

SCHOOLS OFFERING BOTH INTEGRATED PROGRAMME AND 'O' LEVEL PROGRAMME

- 3.2 The following schools **offer both** the Integrated Programme (IP) and General Cambridge Examination (GCE) Ordinary ('O') Level Programme. If your child is interested in the IP **and** 'O' Level Programme offered by the same school, they are required to indicate the respective option code of each programme (i.e. two option codes) in order of preference. Do note that if your child has indicated only the IP option code, they will not be automatically considered for posting to the 'O' Level Programme, and vice versa. For more information on affiliation considerations, refer to **paragraph 6.1e**.

Secondary School Name	Programme	Option Code
Anglo-Chinese School (Independent)	'O' Level	7001
	IP	9161
Catholic High School	'O' Level	7102
	IP	9131
Cedar Girls' Secondary School	'O' Level	3004
	IP	9152
CHIJ St. Nicholas Girls' School	'O' Level	7118
	IP	9134
Methodist Girls' School (Secondary)	'O' Level	7030
	IP	9162

Secondary School Name	Programme	Option Code
Singapore Chinese Girls' School	'O' Level	7014
	IP	9132
St. Joseph's Institution	'O' Level	7020
	IP	9141
Victoria School	'O' Level	3014
	IP	9151

SPECIALISED SCHOOLS FOR NORMAL (TECHNICAL)

- 3.3 There are two Specialised Schools for Normal (Technical) students (SSNT), i.e., Crest Secondary School (CSS) and Spectra Secondary School (SSS) (see **Reference J**). If your child is interested in enrolling in CSS or SSS, they should apply to the school directly after the release of PSLE results.
- 3.4 Students will still need to participate in S1 Posting to opt for their school choices. If successfully admitted into CSS or SSS, your child will be informed by the respective SSNT and not be posted to another school under S1 Posting. Otherwise, they will be posted to a secondary school under S1 Posting.

SINGAPORE SPORTS SCHOOL

- 3.5 Students who have accepted an offer from the Singapore Sports School (SSP) must participate in S1 Posting and submit their school choices. These students will be allocated to a secondary school which will be the 'posted school'.
- 3.6 Upon receiving the S1 Posting outcome, they will need to report to the 'posted school' to seek a formal school transfer to SSP. If there are extenuating circumstances that the student cannot continue in SSP, they can seek a transfer back to the 'posted school'.

4 COURSES

- 4.1 Your child will be placed in one of the three secondary courses based on their PSLE results: Express, Normal (Academic) [N(A)] and Normal (Technical) [N(T)]. Those who score in the option band should indicate their preferred course. If no course preference is indicated, your child will be allocated the more demanding course by default. For more information on option bands, refer to **paragraph 7.3a**.

5 DSA-SEC - SCHOOL ALLOCATION OUTCOME

- 5.1 Students who had participated in DSA-Sec will receive their DSA-Sec school allocation outcome when they collect their PSLE results.

SUCCESSFUL DSA-SEC ALLOCATION

- 5.2 Students who are successfully allocated a secondary school under DSA-Sec will not be allowed to opt for secondary schools during the School Choice Submission Period. They are also not allowed to transfer school after the release of the PSLE results, as they are expected to honour the commitment to study in that allocated DSA-Sec school for the full duration of the programme they are admitted to.

- 5.3 If your child belongs to an option band for the Express/N(A) or N(A)/N(T) course, you will need to select the preferred course. Students who are eligible to opt for Third Language can also indicate their option. Course and Third Language options should be submitted during the School Choice Submission Period via the S1-IS or through the primary school.
- 5.4 Students who are successfully allocated to their DSA-Sec school should report to their allocated DSA-Sec school on the next working day after the release of S1 school posting results in late December. See details in **paragraph 10.3**.

UNSUCCESSFUL DSA-SEC ALLOCATION

- 5.5 If your child is not allocated a secondary school under DSA-Sec, you will need to submit their school choices via the S1-IS or through their primary school. You may include schools that did not offer your child a place under DSA-Sec.

SECTION II: SUBMIT SCHOOL CHOICES

6 CONSIDERATIONS WHEN CHOOSING SCHOOLS AND MAKING S1 OPTIONS

6.1 There are many different secondary schools to choose from. While schools offer unique programmes and different educational pathways, they all seek to develop every child's potential and strength. You are encouraged to discuss secondary school choices with your child. The choice of schools should take into consideration your child's needs, interests, strengths and aspirations, and how the school's culture, environment, ethos and programmes can support your child's development.

- a. Child's Needs, Interests, Strengths and Aspirations - You may wish to consider the strengths of each school and opt for schools with a culture, ethos and environment that resonate with and best suit your child and their needs. You may also consider opting for schools with programmes (e.g. school distinctive programmes and CCAs offered) that will nurture their strengths and interests and develop their potential.

You may explore the MySkillsFuture portal, together with your child, at <https://go.gov.sg/MySFPri> to find out more about education and career pathways relevant to your child's interest, strength and aspirations.

MySkillsFuture
(Student Portal)

We encourage you and your child to read the detailed school write-ups in this Information Booklet (see **Reference K**) or visit SchoolFinder website at www.moe.gov.sg/schoolfinder-secondary (see **Reference I**).

SchoolFinder

Your child may choose to take part in a Strategic Partnership Co-Curricular Activity (SP-CCA) in place of a school-based CCA.

To cater to the diverse needs and interests of students, MOE has partnered SportSG and National Arts Council (NAC) to implement a centralised, non-school-based CCA, SP-CCA. SP-CCA provides the opportunity for secondary school students to pursue a CCA that their schools do not offer.

More information on SP-CCA and the current offerings can be found at:

SP-CCA:
<https://beta.moe.gov.sg/programmes/cca/strategic-partnership-cca>

SP-CCA

Athletics:

<https://beta.moe.gov.sg/uploads/sp-cca-athletics-publicity-collateral.pdf>

Athletics

Ethnic Dance :

<https://beta.moe.gov.sg/uploads/sp-cca-ethnic-dance-publicity-collateral.pdf>

Ethnic Dance

These will allow you and your child to make more informed secondary school choices.

- b. Distance - You may want to consider schools near your home (see **Reference D** for the schools listed by area; see **Reference H** to locate nearby secondary schools using SchoolQuery tool available at www.onemap.sg).

OneMap

- c. Choice of Course - If your child belongs to an option band for the Express/N(A) or N(A)/N(T) course, your selected choice of course will apply to all the schools opted for. You should assess the PSLE aggregate achieved, relative to your child's usual performance, when selecting the course. For more information on option bands, refer to **paragraph 7.3a**.
- d. Previous Year's PSLE Aggregate Ranges of Schools - The PSLE aggregate ranges for each school can be found in **Reference K**. **These aggregate ranges are based on the previous cohort of PSLE students (i.e. P6 cohort in 2019) and should serve only as an approximate guide.** The eventual PSLE aggregate ranges for this year's S1 Posting may vary depending on students' PSLE results and their school choices.

Important: The schools' aggregate ranges and cut-off points presented are based on PSLE scores and school choices of the previous cohort, and can be different for this year. As they change every year, they should only be used as a rough guide.

- e. Affiliated Schools - Students who wish to be posted to an affiliated secondary school via affiliation priority must indicate the affiliated secondary school as the first choice. However, this affiliation priority does not guarantee admission, as admission is subject to the availability of places, and additional qualifying criteria set by the secondary schools.

As it is important for all secondary schools to remain accessible to students, regardless of their backgrounds and connections, minimally 20% of the places in each course (i.e. Express/N(A)/N(T)) will be reserved for those who do not benefit from affiliation priority.

For dual track schools offering both IP and the 'O' Level Programme, affiliation considerations will **only** be given for the **'O' Level Programme**. Affiliation will be recognised for the 'O' Level Programme even if the student indicates IP of the affiliated dual track school as the first choice **and** the 'O' Level Programme of the affiliated dual-track school as the second choice.

An example of the affiliation priority for dual-track schools is shown. Assuming that Primary School A is affiliated to Secondary School A:

Scenario	School Choices Made by Affiliated Primary School A Students	Affiliation Priority?
1	1 st Choice: Secondary School A - 'O' Level Programme	Yes
	2 nd Choice: Secondary School A - Integrated Programme	No
2	1 st Choice: Secondary School A - Integrated Programme	No
	2 nd Choice: Secondary School A - 'O' Level Programme	Yes
3	1 st Choice: Secondary School B - Integrated Programme	No
	2 nd Choice: Secondary School A - 'O' Level Programme	No

- f. Special Assistance Plan (SAP) Schools - SAP schools aim to deliver a bilingual and bicultural education, premised on strong national education and school ethos, through a learning environment steeped in Chinese culture and language. If your child has taken both English Language and Chinese Language at the PSLE, they may opt for SAP schools during S1 Posting. Students posted to SAP schools are required to take up Higher Chinese Language (or Chinese Language, if available) so that they can participate meaningfully in SAP school programmes (see **Reference D** for the list of SAP schools).
- g. Programmes/Schemes Offered by Secondary Schools - There are various programmes and schemes offered in the secondary schools (e.g. Third Languages, Music Elective Programme, Art Elective Programme, Applied Subjects). Please refer to the "Secondary School Education" booklet for more information on these programmes/schemes and **Reference C** for a list of schools offering these programmes.

If your child is taking Tamil Language (TL), you can find the list of schools offering TL within curriculum time in **Reference E**.

If your child is eligible for Higher Mother Tongue Language (HMTL) based on PSLE performance and wishes to take HMTL in secondary school, you may wish to include secondary schools that offer the respective HMTL in their school choices (see **Reference B** for a list of schools/designated centres and Language Centres offering the respective HMTL).

- h. Special Educational Needs Support is available in most secondary schools for students with mild Special Educational Needs (SEN), such as dyslexia, Attention Deficit Hyperactivity Disorder (ADHD), mild Autism Spectrum Disorder (ASD), hearing loss, visual or physical impairments. Students with mild SEN have the cognitive abilities and adequate adaptive skills to enable them to access the national curriculum and learn in large settings. Most secondary schools have at least 1 Allied Educator (Learning and Behavioural Support, who have deeper expertise to support students with mild SEN as described above. Schools also have a group of Teachers trained in Special Needs, who are trained to plan and differentiate learning strategies to support students with mild SEN and their diverse learning needs. Schools also work closely with external agencies like REACH (Response, Early Intervention and Assessment in Community mental Health) services to support children with emotional, social, and/or behavioural difficulties and disorders, such as ADHD.

Students with dyslexia can be supported through the MOE-subsidised Main Literacy Programme conducted by the Dyslexia Association of Singapore.

Students with hearing loss, visual impairment and physical impairment can approach their schools to access:

- MOE-funded Assistive Technology (AT) devices and support services, e.g. Frequency Modulation system for hearing loss, electronic magnifiers, braille readers, text-to-speech software and training on the use of such software for students with visual impairment, and customisable furniture for those with physical impairment.
- Itinerant school-based educational Support Services (ISS) provided by AWWA Ltd and Singapore Association for the Deaf (SADeaf) for learning and accessibility support.

Students with moderate-to-profound hearing loss or visual impairment (e.g. those who might require signing or braille), who are able to access the mainstream curriculum, can attend designated mainstream schools that provide specialised support such as resource teachers who are trained to teach students with these SEN.

Schools with barrier-free facilities for students with physical disabilities are located in different parts of Singapore to provide convenient access to students.

If a child requires specialised support, parents should ensure that suitable schools are included in their school choices (for the list of schools with AEDs(LBS), designated schools, and schools with barrier-free accessibility, refer to **Reference F** or visit SchoolFinder website at www.moe.gov.sg/schoolfinder-secondary. (You can turn to **Reference I** for our Guide to using SchoolFinder).

SchoolFinder

You can learn more about available transport schemes at: www.sgenable.sg/pages/content.aspx?path=/schemes/transport.

Transport Scheme

More information on the support provided by mainstream schools can be found at www.moe.gov.sg/special-education-mainstream-schools.

Support provided by mainstream schools

MAKING CHOICES DURING THE SCHOOL CHOICE SUBMISSION PERIOD

- 6.2 You should discuss with your child and choose **six schools** in order of preference. When choosing the schools, you should:
- a. Keep in mind the considerations described in **paragraph 6.1** above.
 - b. Use **all six** options. This will increase your child's chances of being posted to a school of their choice. If your child does not get into one of the six choices, they will be posted to a school with vacancies near your house.

- c. Consider your child's PSLE score against the schools' previous score ranges for their chosen course – e.g. Express, N(A) or N(T). As previous years' PSLE aggregates are only indicative of past cohorts' performance and choices, you should include at least two choices where the previous year's cut-off point is at least five points below your child's PSLE score to increase the chances that they will be posted to one of their choice schools.

7 RECEIVE S1 OPTION FORM AND ELIGIBILITY LETTER

S1 OPTION FORM

- 7.1 P6 students from MOE mainstream primary schools who are eligible for secondary school will also receive a personalised S1 Option Form (see **Reference A** for a sample) on the day of the release of PSLE results. Those who have participated in DSA-Sec will receive the outcome of their DSA-Sec School Allocation via their personalised S1 Option Form.
- 7.2 The sealed S1 Option Form contains a unique password (S1 PIN) for you to submit your child's school choices via the S1-IS. The S1 PIN can be found at the top right-hand corner of the form. The envelope containing the S1 Option Form should be sealed when first received. If not, you should inform your child's primary school immediately. To prevent any unauthorised access to the S1-IS, you should keep the S1 PIN confidential.

ELIGIBILITY LETTER

- 7.3 Students will be notified on their list of eligibilities (if any) via the personalised Eligibility Letter. This is also applicable to those who are successful in DSA-Sec. This Eligibility Letter is enclosed together with the S1 Option Form in the sealed envelope.

- a. Express/N(A) and N(A)/N(T) - Students who have just met the qualifying PSLE aggregate for the Express, or the N(A) course, will be given the option to choose their preferred course based on their academic ability. The chosen course will apply to all the secondary school choices that your child has opted for. If no option is made, your child will be automatically admitted to the more academically-demanding course i.e. Express course for the Express/N(A) course option band, and N(A) course for the N(A)/N(T) course option band.
- b. Bonus Points for Admission to Special Assistance Plan (SAP) Schools - Students in the top 30% of the PSLE cohort and had taken Higher Chinese at the PSLE will be given bonus points for admission to SAP schools:

Higher Chinese Grade	Bonus Point
Distinction	3
Merit	2
Pass	1

- c. Higher Mother Tongue Language (HMTL) - Students are eligible to take up HMTL (viz. Higher Chinese/ Higher Malay/ Higher Tamil) from S1 onwards if they have taken MTL or HMTL at the PSLE and are in the
 - Top 10% of the PSLE cohort; or
 - Top 11% - 30% of the PSLE cohort and meet the language criteria i.e. an A* grade in the MTL or at least a Merit in HMTL.

If your child is eligible and interested, they can exercise their HMTL option when they report to their secondary school in late December. They will attend HMTL lessons at their school if the school offers the course, or in a designated centre if the school does not (see **Reference B** for the list of schools and designated centres offering HMTL).

[Additional information: If your child obtains a grade of A1 to C6 for both English and HMTL at the GCE 'O' Level Examination and qualifies for admission to a Junior College (JC)/Millennia Institute (MI), they will be given a concession of two points in their application to the JC/MI of their choice through the Joint Admissions Exercise (JAE).]

- d. Third Language - Some students may be eligible to take up a Third Language viz. Chinese (Special Programme) [CSP]/ Malay (Special Programme) [MSP]/ Bahasa Indonesia (BI)/ Arabic/ French/ German/ Japanese/ Spanish at S1. If your child is eligible and interested, they should exercise their Third Language option(s) via the S1-IS or through their primary school. In the event that the number of applicants for a Third Language exceeds the number of vacancies, selection will be based on merit (see **Reference C** for the list of schools and designated centres offering Third Languages). The Third Language application outcome will be conveyed via the posted secondary school in late December.

[Additional information: If your child obtains a grade of A1 to C6 for CSP/MSP/BI at the GCE 'O' Level Examination and qualifies for admission to a JC/MI, they will be given a concession of two points in their application to the JC/MI of their choice through the JAE. If your child takes up CSP/MSP/BI in the GCE 'O' Level Examination, they will be allowed to use the respective CSP/MSP/BI grade in lieu of a Humanities subject grade for admission to the JC/MI.]

- e. Edusave Scholarships for Independent Schools (ESIS) - If your child is a Singapore Citizen and meets the academic requirements based on their PSLE results, they will be offered the ESIS when they are successfully admitted to an Independent School (IS) at S1. This also applies to students admitted to IS under DSA-Sec. More details can be found at <https://beta.moe.gov.sg/fees-assistance-awards-scholarships/awards-scholarships/edusave-scholarships-independent>.

ESIS

- f. UPLIFT Scholarship - If your child is a Singapore Citizen admitted to an IS through DSA-Sec or qualifies for ESIS and meets the income criteria, your child is eligible for the UPLIFT Scholarship. More details can be found at www.moe.gov.sg/uplift-scholarships.

Uplift Scholarships

8 SUBMIT SCHOOL CHOICES AND S1 OPTIONS

- 8.1 You can submit your child's school choices and options via the S1-IS or through your child's primary school during the School Choice Submission Period. You may refer to the important dates (tentative) provided in **Section I**.
- 8.2 You are strongly advised to indicate all the six secondary school choices, in order of preference.
- 8.3 You are advised to first complete your child's hardcopy S1 Option Form by indicating the secondary school and eligibility options, where applicable, before submission.

SUBMISSION ONLINE VIA S1-IS

- 8.4 You can submit your child's S1 options via the S1-IS accessible at www.moe.gov.sg/s1-posting, within the School Choice Submission Period (see **Reference G** for a step-by-step guide on using the S1-IS). The S1 PIN can be found at the top right-hand corner of your child's personalised S1 Option Form.
- 8.5 You are strongly advised to print and keep a copy of the Verification Slip (VS) after submitting your child's S1 options on the S1-IS. If you are unable to view the VS, your child's S1 options may not have been submitted. You should login to the S1-IS again to confirm the status of your submission.

SUBMISSION THROUGH THE PRIMARY SCHOOL

- 8.6 You may contact your child's primary school and seek their assistance to submit the S1 options during the School Choice Submission Period.
- 8.7 The school staff will enter the S1 options into S1-IS and issue a Verification Slip (VS). You should check the VS to make sure that the S1 options entered are correct and inform the school staff immediately if there are any discrepancies. You or your appointed proxy must sign on the VS after checking and keep a copy of the VS.

SECTION III: SCHOOL POSTING AND RECEIVE SCHOOL POSTING RESULTS

9 SCHOOL POSTING

9.1 How will your child be posted?

Students are posted to secondary schools based on merit according to the order of their school choice. A student with a better aggregate score will be considered for admission first, subject to the availability of vacancies in the selected school. If there are no more vacancies, the student will be considered for their next choice school(s).

9.2 What if two students have the same score?

In situations where there are two or more students with the same aggregate score vying for the last place in a school, they will be posted based on their citizenship status (i.e. Singapore Citizens, then Singapore Permanent Residents, then International Students). If there is still a tie, e.g. between two Singapore Citizens with the same aggregate score, then posting into the school will be determined by a computerised ballot where each student is given an equal opportunity.

9.3 Does the order of school choice matter when there is a tie-break?

For the 2020 P6 cohort, the order in which a student lists their schools does not give them priority in determining who gets a place. For example, John and Mary, both Singapore Citizens, have the same aggregate score, and are vying for the last place in School A. Although John placed School A as his first choice, he does not have priority for posting over Mary, who placed School A as her third choice. In this case, the posting will be determined by a computerised ballot where each student is given an equal opportunity.

9.4 What if your child is not posted to any of the chosen schools?

If your child fails to get a place in any of their choice of schools, they will be posted to a school near their home which still has vacancies. As such, if you have changed your official residential address in your NRIC, you are advised to update the primary school of your new address by October.

10 RECEIVE SCHOOL POSTING RESULTS

10.1 You will receive the school posting results in late December. You may refer to the important dates (tentative) provided in **Section I**.

10.2 You may check the posting results through any of the following channels:

- a. Short Message Service (SMS) via applicant's local mobile number (if provided by applicants during the School Choice Submission Period)
- b. S1-IS (www.moe.gov.sg/s1-posting) using your child's BC Number or FIN and the S1 PIN when submitting school choices
- c. Your child's primary school

REPORT TO SECONDARY SCHOOL FOR REGISTRATION

- 10.3 Your child should report to their posted secondary school on the next working day after the release of the school posting results. When reporting to the secondary school for registration, your child should wear their primary school uniform and bring along the following:
- a. Student card
 - b. PSLE result slip
 - c. Primary School Report Book
- 10.4 You are encouraged to check the school's website for more information on their familiarisation activities for students and parents, and also other instructions for the new school term such as how you can purchase new uniforms and textbooks for your child.

11 APPEAL FOR TRANSFER AFTER S1 POSTING

- 11.1 MOE will consider appeals for school transfer only for exceptional cases. Such transfers will only be considered for students with:
- a. Serious medical conditions (e.g. chronic heart conditions, kidney problems)
 - b. Severe physical impairments (e.g. those requiring permanent use of a wheelchair)
- 11.2 Students who wish to appeal for transfer must still report at the posted secondary school on the next working day after the release of school posting results, and apply for school transfer there. All applications must be accompanied with the relevant supporting documents.
- 11.3 The appeal results will only be made known to applicants in early January through the posted secondary school. Applicants should continue to attend lessons at their posted school while waiting for the appeal results.
- 11.4 If you are seeking a transfer due to reasons other than those in 11.1, you may approach the school of choice directly. Do note that your child's PSLE aggregate score should meet the school's cut-off point of the posting year. Transfers will be subject to available vacancies and meeting the school-based criteria.

SCHOOLS AND CENTRES OFFERING HIGHER MOTHER TONGUE

The following table lists the schools and designated centres that offer Higher Mother Tongue Language [HMTL, i.e. Higher Chinese Language (HCL), Higher Malay Language (HML) and Higher Tamil Language (HTL)].

Students taking HMTL will attend lessons at their own secondary school during curriculum time, if the school offers it (schools denoted by “√” and “#” in table below). Otherwise, they will attend lessons in a designated centre outside curriculum time (schools denoted by “#” are the designated centres).

Secondary schools have the flexibility to allow students who do not meet the criteria to take up HMTL to do so, if such students are assessed to have exceptional ability in MTL and are able to do HMTL without affecting their performance in other subjects.

For Independent Schools, parents should refer to the individual school pages in **Reference K** or contact the schools directly for information on school-based programmes/ subjects that they might be offering.

KEY INFORMATION ON SCHOOLS

The following table lists the schools that are participating in S1 Posting, and indicates

- the area where they are located;
- the option code;
- if they are Integrated Programme (IP), Independent Schools (IS), Autonomous Schools (AS), Special Assistance Plan (SAP) schools or Schools with Applied Learning Programme/ Learning for Life Programme (Schools with ALP/LLP).

For more detailed information on the schools, please refer to the individual schools' profile in **Reference K** or visit the SchoolFinder website at www.moe.gov.sg/schoolfinder-secondary (See **Reference I** on our guide to using SchoolFinder). For programmes/schemes offered by the schools, please refer to the "Secondary School Education" booklet.

SCHOOLS WITH SPECIALISED FACILITIES / RESOURCES TO SUPPORT SPECIAL EDUCATIONAL NEEDS

The table below lists the schools that are resourced with the following facilities and/or specialised staff to support their students with mild Special Educational Needs (SEN):

- Designated schools that provide specialised support for students with moderate-to-profound Hearing Loss (HL) who use the **Signing** or **Oral Approach** as modes of communication
 - Designated schools that provide specialised support for students with moderate-to-profound Visual Impairment (VI), including those who require braille support
 - Schools with barrier free accessibility (BFA) for students who require barrier free facilities (e.g. students with physical disabilities who use mobility devices)
- ❖ Note: All schools are equipped to support students with mild HL or VI, as well as students who do not require barrier free facilities
- Schools with Allied Educators (Learning & Behavioural Support) (AEDs(LBS)), who have deeper expertise to support students with mild SEN

1 SUBMISSION VIA S1 INTERNET SYSTEM (S1-IS)

The steps for online submission of the S1 options via the S1-IS are the same for all eligible students.

STEP 1: S1-IS LOGIN PAGE (refer to Figure 1)

- 1.1 Enter the website at www.moe.gov.sg/s1-posting and click on the S1-IS link. The S1-IS Login Page will appear next.
- 1.2 Enter the student's BC Number or FIN and the S1 PIN.
- 1.3 Click on the <Login> button to access S1-IS. The Personal Particulars Page will appear next.

The screenshot shows the 'Secondary 1 (S1) Posting' page on the Ministry of Education website. The main form is titled 'S1 Option' and contains the following elements:

- Header:** 'A Singapore Government Agency Website' and 'Ministry of Education' logo.
- Navigation:** 'FAQ | Help | Contact Us' links.
- Title:** 'Secondary 1 (S1) Posting'.
- Form Fields:**
 - 'BC/FIN *': A text input field with a hint '(e.g. T1234567G or G1234567A)'.
 - 'S1 PIN *': A text input field with a hint '(PIN is case sensitive)'.
- Terms of Use:** A paragraph stating: 'By clicking on the <Login> button below, you agree to be bound by the terms specified in the Terms of Use. If you do not accept any of the terms specified in the Terms of Use, click on the <Cancel> button to exit immediately.'
- Buttons:** 'Login' and 'Cancel' buttons.
- Notes:**
 - 1. The S1 PIN is printed on the student's personalised S1 Option Form.
 - 2. If you have lost your S1 PIN, please approach your child's primary school for assistance.
 - 3. For authorised use only. Unauthorised use is strictly prohibited.

Annotations on the right side of the page provide instructions for each field and button:

- Enter the student's BC No./FIN.
- Enter the S1 PIN found in S1 Option Form. S1 PIN is case sensitive.
- Click <Login> to access the S1-IS.
- Click <Cancel> to return to MOE Website.

Figure 1: S1-IS Login Page

STEP 2: PERSONAL PARTICULARS PAGE (refer to Figure 2)

- 2.1 Enter local mobile number and local contact number. These contact details will be used solely for S1 Posting.
- 2.2 Click on the <Next> button to proceed to the Select Secondary Schools/Eligibility(ies) Page.

Contact No.:

Notice:
1. If you click the <Discard Changes and Logout> button, any details entered will not be saved.
2. To continue, please click the <Next> button.

Next Discard Changes and Logout

Enter contact details.

Click <Next> to proceed to the Select Secondary Schools/Eligibility(ies) Page.

Click <Discard Changes and Logout> if you do not wish to continue. Your session will be terminated immediately, and all the information you have entered during this session will **not** be saved.

Figure 2: Personal Particulars Page

STEP 3: SELECT SECONDARY SCHOOLS/ELIGIBILITY(IES) PAGE (refer to Figure 3)

- 3.1 Fill in six secondary school choices in order of preference by entering the respective 4-digit option codes of the school. Successful DSA applicants are not allowed to fill in any school choices.
- 3.2 Fill in Third Language choices in the order of preference by entering the respective 2-digit language codes if the student is eligible and interested to take up a Third Language. (Successful DSA applicants, who do not wish to take up Third Language, need not take further action.)
- 3.3 Select a course if the student is eligible. The chosen course will apply to all the secondary school choices opted.
- 3.4 Click on the <Next> button to proceed with the submission. The Verify Information Page will appear next.
- 3.5 You are advised to complete this step within 10 minutes, otherwise you will be automatically logged out from the system. To access the system, you will have to login again.

3. VIEW SCHOOL POSTING RESULT

STEP 7: S1-IS LOGIN PAGE (refer to Figure 7)

- 7.1 Enter the website at www.moe.gov.sg/s1-posting and click on the S1-IS link. The S1-IS Login Page will appear next.
- 7.2 Enter the student's BC Number or FIN and the S1 PIN which can be found in S1 Option Form issued during School Choice Submission Period.
- 7.3 Click on the <Login> button to access S1-IS to view school posting result. The Posting Result Slip Page will appear next.

The screenshot shows the 'Secondary 1 (S1) Posting' page. A central box titled 'S1 Posting Result' contains a login form. The form has two input fields: 'BC/FIN' with a hint '(e.g. T1234567G or G1234567A)' and 'S1 PIN' with a hint '(PIN is case sensitive)'. Below the fields is a paragraph of terms and conditions, followed by 'Login' and 'Cancel' buttons. A 'Note' at the bottom states: 'For authorized use only. Unauthorized use is strictly prohibited.' Four callout boxes on the right point to specific elements: the first points to the BC/FIN field, the second to the S1 PIN field, the third to the 'Login' button, and the fourth to the 'Cancel' button.

Enter the student's BC No./FIN.

Enter the S1 PIN found in S1 Option Form. S1 PIN is case sensitive.

Click <Login> to access the S1-IS.

Click <Cancel> to return to MOE Website.

Figure 7: S1-IS Login Page

STEP 8: POSTING RESULT SLIP PAGE (refer to Figure 8)

- 8.1 Click on the <Save> or <Print> button to retain a copy of the Posting Result Slip for reference.

The screenshot shows the 'Secondary 1 (S1) Posting' page with a notice at the top: 'Please print a copy for your future correspondence.' Below the notice is a box containing the Ministry of Education Singapore logo and the title 'Secondary 1 (S1) Posting'. Underneath, there is a table with student details: Name (TEST NAME 123456), BC/FIN (T1234567G), PSLE Index No. (023456), Secondary School Posted to (GAINING SING SCHOOLDING), and Course Offered (EXPRESS). Below the table, there are two numbered instructions. At the bottom right, there are three buttons: 'Save As', 'Print', and 'Logout'. Two callout boxes on the right point to the 'Save As' and 'Print' buttons, and another callout box points to the 'Logout' button.

Save/print a copy of the Posting Result Slip for reference.

Click <Logout> to exit S1-IS.

GUIDE TO ONEMAP - SCHOOLQUERY

OneMap is a location-based application provided by the Singapore Land Authority to deliver government-related information and services to the general public. Parents and students may use the SchoolQuery tool in OneMap to locate nearby secondary schools and related information.

How to use the SchoolQuery in OneMap:

1. Visit www.onemap.sg. Click on “SchoolQuery” on the top menu panel and select “Find Secondary School Information” on the side panel.

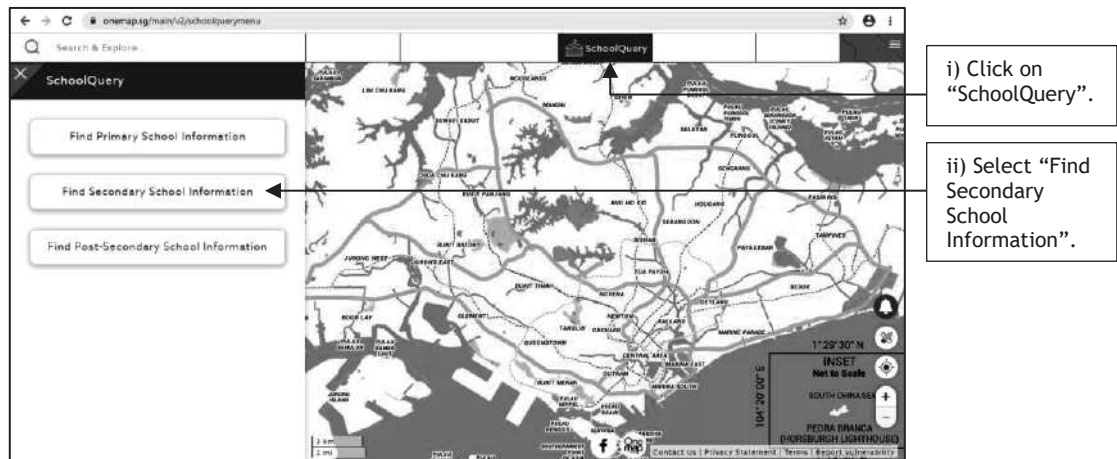

Figure 1: Access SchoolQuery landing page

2. Enter an address or postal code in the “Search & Explore” field and select the address from the dropdown list.

Figure 2: Enter an address or postal code

3. A list of nearby secondary schools will be displayed on the side panel based on alphabetical order of the school name. Locations of these schools are also shown on the map as icons.

Figure 3: Display list of nearby secondary schools

4. Click on any school on the side panel or icon on the map to find out the address of the school. Select “School Website” to find out more about the school e.g. programmes, subjects and CCAs offered, or select “Navigate” to get directions to the school.

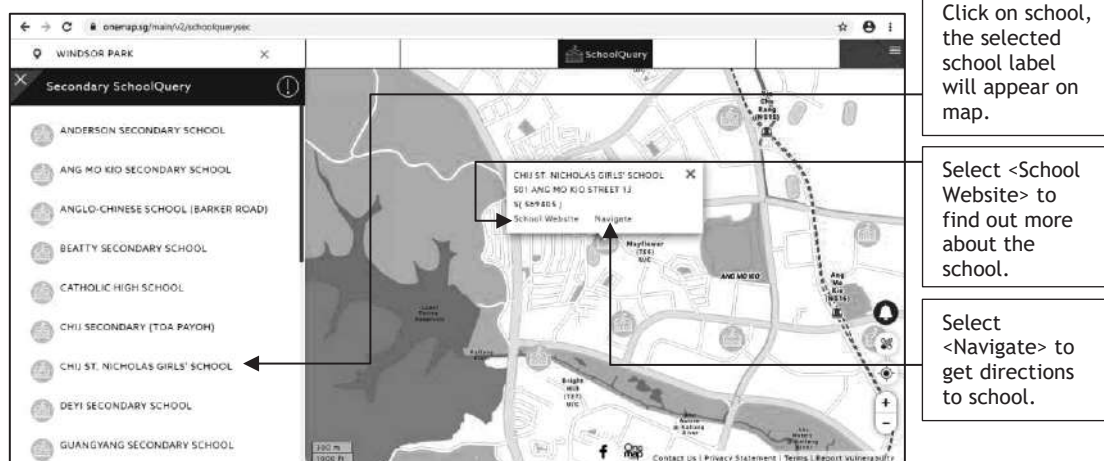

Figure 4: Click on school name or icon for more options

5. If “Navigate” is selected, the different travelling options (i.e. Transit (MRT/LRT), Bus, Car, Walk and Bicycle) and detailed route and estimated travelling time to the selected school will be displayed.

GUIDE TO SCHOOLFINDER

1 ACCESSING THE SCHOOLFINDER (www.moe.gov.sg/schoolfinder)

The SchoolFinder is an online tool that allows users to search and make a shortlist of schools based on a set of criteria.

Select the "Secondary" journey to start exploring the schools.

Figure 1: SchoolFinder Landing Page

2 SEARCH FUNCTIONALITIES

The screenshot shows the SchoolFinder interface for Secondary Schools. The top navigation bar includes links to 'Back to MOE Website', 'SchoolFinder', 'CourseFinder', 'Academic calendar', 'Self-help tools', and 'My shortlisted (9)'. The main header features the MOE logo and navigation links for 'Education levels', 'Financial matters', 'Education in SG', 'News', 'Careers', and 'About MOE'. The 'SchoolFinder' section is highlighted, with a 'BETA' tag. Below the header, there's a search bar with a dropdown menu set to 'Secondary' and a 'SEARCH' button. To the left of the search bar is a 'Criteria' section with various filters: 'Location' (with a search for schools near you and a postal code input), 'Admission type' (with a checkbox for 'Direct School Admission (DSA)'), 'Co-curricular activities (CCAs)', 'Subjects', 'Electives and programmes', 'PSLE aggregate range of 2019', and 'Specialised support'. The main content area displays a list of 'Secondary schools' with 152 results shown. Each school card includes the school name, location, and a heart icon for shortlisting. The schools listed are: Admiralty Secondary School, Ahmad Ibrahim Secondary School, Anderson Secondary School, Ang Mo Kio Secondary School, Anglican High School, Anglo-Chinese School (Barker Road), Anglo-Chinese School (Independent) (Secondary), and Assumption English School. Red arrows point from text boxes to specific features: 'View your shortlisted schools.' points to the 'My shortlisted (9)' link; 'Start searching by entering your query...' points to the search bar; 'Alternatively, you can use the various filters found in "Criteria" section...' points to the 'Criteria' section; 'Select the school card to view information...' points to the Anderson Secondary School card; and 'Shortlist the school by selecting the "heart" icon.' points to the heart icons on the Anglican High School and Anglo-Chinese School (Barker Road) cards.

SPECIALISED SCHOOLS FOR
NORMAL (TECHNICAL)
STUDENTS

CREST SECONDARY SCHOOL

561 JURONG EAST STREET 24 S(609561)

(Tel) 68992779 (Fax) 68992668

Website Address: <http://www.crestsec.edu.sg>

School Vision : Advocating a Promising Future for Every Student.

School Mission : We are committed to providing a caring and creative learning environment that customises authentic learning experiences, builds our students' character and equips them for academic progression and employment.

School Philosophy, Culture and Ethos

Crest Secondary School's vision underscores our firm belief in our students' potential to succeed in their talents, areas of strength and passion, and our steadfast commitment in enabling them to realise their aspirations. As a Specialised School for Normal (Technical) students, we offer a four-year customised curriculum that integrates both academic learning and vocational training. Learning is practice-oriented, with an emphasis on skills development to better prepare our students for post-secondary learning at the Institute of Technical Education (ITE) and for future employment. Industry attachment is an important component of our students' holistic learning experience. In addition, our teachers deploy innovative pedagogies to strengthen our students' literacy and numeracy skills through real-world, ICT-enriched learning contexts. The school adopts a multi-faceted approach to develop our students as well-rounded individuals, anchored in good character and equipped with the skills and social and emotional competencies to succeed in life. The school collaborates with many partners from the industry and community to support our students' learning and holistic development. At the end of Sec 4, our students will graduate with the GCE 'N' Level Certificate and the ITE Skills Subject Certificate (ISSC).

Subjects Offered

BASIC CHINESE, BASIC MALAY, BASIC TAMIL, CHARACTER & CITIZENSHIP (NT), CULINARY & RESTAURANT OPERATIONS, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), EVERY CRESTAN CAN CODE, FABULOUS MERCHANDISE DISPLAY, INFOCOMM TECHNOLOGY (NT), INPUT TO OUTPUT, INTERNET OF THINGS APPLICATIONS, LET'S GET CONNECTED, LINK UP THE WORLD, LOOKS GOOD, TASTES GOOD, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MECHANICAL DESIGN & AUTOMATION, MOBILE WEB APPLICATIONS, PASSION TO SERVE, PHYSICAL EDUCATION, RETAIL & E-COMMERCE, SCIENCE, SERVICE WITH A SMILE, VISUAL ARTS, WE CAN DESIGN IT, WHEELS OF WONDER

Special Student Development Programmes Offered

The school offers the ITE Skills Subject Certificate (ISSC) as part of the upper secondary curriculum. As part of the ISSC, students can specialise in two out of five Skills Subjects: (1) Mechanical Design & Automation, (2) Culinary & Restaurant Operations, (3) Retail & e-Commerce, (4) Internet of Things Applications, and (5) Mobile Web Applications. Students will also have opportunities for an Industry Experiential Programme as part of the ISSC; 10 Taster Modules for the ISSC are offered in the lower secondary curriculum in accordance to the students' learning needs and profiles. Outdoor Interdisciplinary Learning at places of interest including Gardens by the Bay, Singapore Zoo, SEA Aquarium; Student Development Programme (e.g. Domino Challenge, Crestan Lions), Aesthetics Elective Programme and Visual Arts Talent Development Programme to strengthen students' social and emotional competencies e.g. Dance & Body Movement, Doodling Art, Inline Skating, Drama and Communication, Photography and Videography, Media Production; Local and Overseas Cultural Immersion and Values-In-Action Programme (Vietnam, Cambodia, Indonesia); School Twinning Programme with Meridian International Learning Experience (High School from the Philippines); Local Adventure Programme.

SPECIAL NOTE: Crest Secondary School (CSS) is one of two Specialised Schools catering only to Normal Technical N(T) students. CSS does not take part in the S1 Posting. Interested students can submit application directly to CSS or Spectra Secondary School (SSS). Students who have applied to CSS or SSS will also need to participate in the S1 Posting to opt for their school choices. Students who are successfully admitted into CSS or SSS will be informed officially and will not be posted to another school under the S1 Posting. Students who are not successful at getting a place at CSS or SSS will be posted to a secondary school under the S1 Posting.

SPECTRA SECONDARY SCHOOL

1 WOODLANDS DRIVE 64 S(737758)

(Tel) 64660775 (Fax) 64623928

Website Address: <https://www.spectra.edu.sg>

School Vision : Every Spectran Equipped To Lead A Fulfilling Life.

School Mission : Provide an engaging learning experience that prepares every Spectran for work and life.

School Philosophy, Culture and Ethos

The School believes that every student is different and possesses unique talent and strength. To enhance the potential of every Spectran, we provide a customised and stage appropriate curriculum that is delivered by the most caring and patient teachers, coupled with strong school-parent-industry partnerships, to engender a positive schooling experience. The School's curriculum focuses on three key developmental areas/stages. The first is on social and personal learning, aimed at nurturing students' self-worth, self-confidence, motivation and their career aspirations. The second emphasises on building students' literacy and numeracy skills to lay the foundation for them to succeed at school, at work and in their daily life. The third focuses on building enduring skills, knowledge and attitude for work and life via a curriculum that combines academic subjects with application-oriented and vocational programmes. The School believes that a caring and safe learning environment will help every Spectran shine to the brightest. The motto Together We Can is the School's rallying call and serves to remind every Spectran that with collective effort and steadfast faith, we can achieve success.

Subjects Offered

ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, CHARACTER & CITIZENSHIP (NT), CHINESE N(A), CO-CURRICULAR ACTIVITIES, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), INFOCOMM TECHNOLOGY (NT), MALAY N(A), MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), PERFORMING ARTS, PHYSICAL EDUCATION, SCIENCE & TECHNOLOGY, SCIENCE (SYLL T), TAMIL N(A), VOCATIONAL EDUCATION

Special Student Development Programmes Offered

Special electives offered to all students include: Bowling, Guitar, Music Composition, Song Writing and Swimming. At the lower secondary, the School offers two fun-filled cohort wide programmes: the Garden Based Service Learning (GBSL) and Equine Assisted Learning (EQUAL) to help strengthen our students' core social and emotional competencies. At the upper secondary, the School offers the ITE Skills Subject Certificate (ISSC) as part of our unique vocational offerings in the following areas: (1) Mechanical Design & Automation, (2) Culinary & Restaurant Operations, (3) Retail & e-Commerce, (4) Internet of Things (IoT) Applications, and (5) Mobile Web Applications. Secondary 3 students also participate in a special 4-week Industry Experiential Programme.

ADMIRALTY SECONDARY SCHOOL

Option Code : **3072**

31 WOODLANDS CRESCENT S(737916)

(Tel) 63651733 (Fax) 63652774

Website Address: <http://www.admiraltysec.moe.edu.sg>

School Vision : Values-Centric, Thinking School

School Mission : Empowering Admirals to Actualise Their Aspirations

School Philosophy, Culture and Ethos

Guided by our philosophy of 'Every Admiral, a Leader', we are committed to nurture every student into a confident, concerned, self-directed and contributing Admiral. Through the ADSS Total Curriculum, we provide a student-centric, values-driven education to nurture our students in the cognitive, physical, aesthetics, social, moral and leadership domains so that our students can succeed in life and contribute to society. We believe that it takes a village to raise a child. Our dedicated team of caring educators is committed to partnering parents and the community to bring out the best in every child.

Special Student Development Programmes Offered

Design Thinking is used as an anchor pedagogical approach to inculcate in our students the ability to solve problem and innovate using various technologies. With the use of Design Thinking protocol in the Applied Learning Programme (ALP) for Robotics and Coding, we seek to stretch the imagination of our students, empowering them to appreciate the relevance and value of what they are learning in the academic curriculum. To further augment students' motivation and purpose in learning new knowledge and skills, Admirals are also put through a Learning for Life Programme (LLP) with a focus on leadership practices and involvement in community outreach projects. Overseas learning experiences are organised to raise students' cross-cultural understanding and to deepen their commitment and rootedness to Singapore. These include trips which are organised to complement existing cultural exchange with twinning and immersion programmes.

AHMAD IBRAHIM SECONDARY SCHOOL

Option Code : **3201**

751 YISHUN AVENUE 7 S(768928)

(Tel) 67585384 (Fax) 67557778

Website Address: <http://www.ahmadibrahimsec.moe.edu.sg>

School Vision : Every AI student, a young lady or gentleman who cares, learns and excels for AI and for nation

School Mission : To grow students with strength of character, nurture inquiring and disciplined minds, inspire courage to lead and serve

School Philosophy, Culture and Ethos

Ahmad Ibrahim Secondary School believes in building strong academic foundations and instilling academic resilience to prepare students well for their post-secondary education. We seek to build up towards a culture of excellence and strong purpose to foster a positive school identity. Our teachers work as a team to nurture every AI student to be a young lady or gentleman who cares, learns and excels for AI and for nation. The school is committed to preparing our students to be life, work and world ready. Our character education focuses on the core values of Resilience, Integrity, Steadfastness, Excellence, Care, Courage and Gratitude. Students are provided with various opportunities to discover, explore and develop their interests and leadership skills. The school takes pride in its academic and co-curricular programmes that provide a quality learning experience to support the holistic development of every student.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD STUDIES, N LEVEL, HIGHER CHINESE, HIGHER MALAY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC 'O' LEVEL, MUSIC PREPARATORY COURSE, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SOCIAL STUDIES N(T), TAMIL

Special Student Development Programmes Offered

1. Character Development through Outdoor Learning Experience (OLE): Our Learning for Life Programme (LLP) is a broad-based developmental programme that spans from Sec 1 to 3, with extended opportunities for students with special interest in outdoor activities to be trained as outdoor leaders. It provides students with authentic, real-world experiences to learn teamwork, build mental and emotional strength, develop self and collective leadership through taking on physical challenges. 2. Critical Social Inquiry (CSI) and Media Literacy: Our Applied Learning Programme (ALP) extends students' learning from subjects such as Languages, Humanities and CCE. Students collaborate, search, organise and evaluate rich resources such as written texts, short films and forum theatre to deepen their understanding of social issues. There are opportunities to participate in interest-based modules, such as broadcasting and journalism workshops as well as film and media appreciation. 3. Enhanced Music Programme (EMP): Our comprehensive music programme offers students opportunities to learn, create, and perform music through various platforms. The two-year Music Preparatory Course (MPC) for lower secondary, with EMP in upper secondary, culminates in the O-Level Music or Higher Music examinations. Students gain strong music fundamentals and enjoy a vibrant enrichment programme that includes concerts, masterclasses, arts internships, collaborations, and external mentorship programmes. 4. Student-initiated Service Learning Programme: To inspire courage to lead and serve, every class takes part in a structured 8-week programme to identify the need of a community to plan and implement a service learning project. 5. With the school's firm belief in academic resilience and stretching student potential, outstanding students are nominated for programmes such as journalism training, creative writing camp and science innovation project.

CCAs Offered

(Tel) 64598303 (Fax) 64586104

Website Address: <http://www.andersonsec.moe.edu.sg>

School Vision : Thinkers, Innovators and Leaders who make a difference for the greater good.

School Mission : Developing and Inspiring in all Andersonians a sense of purpose, and constancy to reach their full potential for self and nation.

School Philosophy, Culture and Ethos

As a mainstream autonomous secondary school offering both the GCE 'O' and 'N' Level tracks, we provide a stimulating and vibrant environment that nurtures the whole child. By creating a quality difference in our students' development and experiences in Anderson, our students develop an inquiring and innovative mind, strong moral grounding, cultural awareness and self-efficacy to succeed in the 21st century. This distinctive Anderson brand of quality education produces achievers with high integrity and robust character who are passionate about life, inspiring and of service to others. A 'Culture of Care and Excellence' pervades our school - we build pride in everyone through recognising success and inspiring excellence; we nurture a strong sense of belonging amongst our people through forging bonds and building community; we imbue in all our students the ANDE Values through our 3-prong approach of 'Educating the Head', 'Encouraging the Heart' and 'Empowering the Hands'. All these are made possible with our dedicated team of teachers who are highly competent, collaborative and nurturing, and supported by a strong alumni and supportive parents.

Subjects Offered

ADDITIONAL MATHEMATICS, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), HUMANITIES (SS, LIT IN MALAY), LITERATURE(E), MALAY, MATHEMATICS, MOBILE ROBOTICS, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), TAMIL

Special Student Development Programmes Offered

With the aim to nurture Andersonians to be intellectually curious, innovative, creative and culturally versatile leaders, the school takes pride in its niche and signature programmes that provide the platforms to imbue these qualities and facilitate diverse learning experiences. We have established a comprehensive Science Research Programme that provides opportunities for students to pursue their interests, develop their competencies and hone their talents in this area. The Basic Coding Enrichment Programme aims to inculcate computational skills in students, to set them up for a lifetime of opportunities. The Service and Student Leadership Programme integrates leadership development with community outreach and action, so that students imbibe the qualities and attitudes of a servant leader. In addition to the Elective Programme in Malay Language for Secondary Schools (EMAS), the school also offers the Malay Language Elective Programme (MLEP) to provide opportunities for students to develop a deeper appreciation of the Malay Language and culture. We hope to nurture citizens who are socially aware, informed about local and international issues, and able to make a difference to the community and people around them. All in all, there is a strong focus on experiential learning in our academic and non-academic curriculum as we seek to actively engage our students in constructing, integrating and deepening their learning experiences.

School Vision : A School of Choice with A Culture of Learning, A Mindset for Excellence and A Spirit of Service.

School Mission : To provide a Holistic Education that nurtures Lifelong Learners, Responsible Citizens and Resilient Individuals.

School Philosophy, Culture and Ethos

With a strong conviction that 'Every Child Matters', the school believes that every student is unique and capable of learning. The school focuses on identifying student talents and interests to develop them to their full potential through its curricular and co-curricular programmes. The school has in place multiple pathways and learning processes that cater to the different needs of its students. Its mission is to nurture students to become independent learners who take responsibility for their own learning. The highly committed staff endeavours to develop diverse talents amongst the students by creating a positive and collaborative learning culture. The school sets high expectations to realise its vision, 'Mindset for Excellence'.

Subjects Offered

School Vision : Every AHS Student A Leader - Leading Honourably, Learning for Life, Creating Value for Others

School Mission : To nurture creative thinkers, lifelong learners and compassionate leaders who uphold tradition and aspire towards holiness and righteousness.

School Philosophy, Culture and Ethos

Anchored on the school philosophy 'Every Child Has Talent, Every Child Can Excel', the school provides all students with a rich learner-centered, holistic educational experience, with the aim of stretching every student's potential in the Cognitive, Leadership, Aesthetics, Moral, Physical and Social domains. In nurturing the whole child, the school places emphasis on leadership and talent development to build both personal and social capacities of each child. Students are equipped with life skills to be confident communicators, active collaborators and critical thinkers. As a Special Assistance Plan (SAP) school, the school offers a bicultural learning environment with strong emphasis on the learning of the Chinese language and culture premised on strong values and active citizenry. Besides offering a quality 4-year instructional programme, the school also has a robust and vibrant CCA programme and Student Development Co-curriculum to nurture good character and develop 21st century competencies. With its strong sports tradition, the school is affirmed as the Centre of Excellence (COE) for Sports in the East Zone.

Subjects Offered

Special Student Development Programmes Offered

In Anglican High School (AHS) where 'Talents Soar', students are developed holistically through the four-year CHAMPS (Cognitive, Headship, Aesthetics, Moral, Physical and Social) Talent Development Programme. The Anglican Critical Thinking Skills (ACTS) is infused in the curriculum to develop critical thinkers. Every student is schooled in Design Thinking through the Innovative Thinkers Self-Directed Learners & Collaborative Researchers (i-ScoRe) Programme where students create value for the community. Students' interests in Science, Technology, Engineering, and Mathematics (STEM) are nurtured through 60 hrs of Technology and Coding programmes. As a SAP school, the Appreciation of Chinese Culture (ACC) programme develops bi-culturally confident global citizens. The school offers Chinese Language Elective Programme which aims to nurture leaders who are effectively bilingual to serve the needs of our nation. The AHS student is a servant leader and this philosophy drives the structured Student Leadership Development Programme and Overseas Learning Programme (Suzhou, Nanjing, Australia). The Arts Education Programme develops students in their aesthetic talents. A highly personalised ECG programme prepares students to be future-ready. Teaching and Learning is enhanced in the classroom with some classes using personalised Chromebook devices in the 1:1 Learning Programme.

ANGLO-CHINESE SCHOOL (BARKER ROAD)

Option Code : **7032**

60 BARKER ROAD S(309919)

(Tel) 62561633 (Fax) 62561366

Website Address: <http://www.acsbr.moe.edu.sg>

School Vision : Generations of educated men who are God-fearing and growing in Grace.

School Mission : Touch Hearts, Empower Minds, Enrich Souls

School Philosophy, Culture and Ethos

Anglo-Chinese School (Barker Road) belongs to the ACS family of schools. Established in 1994 as a school of Hope for our feeder boys who desired a continued ACS education in a secondary school, we have been consistently moving towards our aspiration to be a school of Excellence. As a Methodist institution, we provide an ACS(BR) education that imbues in our boys 3 senses (sense of worth, sense of purpose and sense of honour) and 4 honours (honour self and their words, honour others, honour effort and honour excellence). We believe that our students have the potential to excel and provide opportunities for them to do so. Our Applied Learning Programme is "Developing Confident and Effective Communicators" and our Lifelong Learning Programme is "Building Character through Sports and Outdoor Education". We offer a holistic and broad-based education that strikes a balance between the academic and non-academic, so that we can provide an environment that is happy, enriching and fulfilling. True to our mission, we aim to touch hearts by creating memories and giving meaning to all that we do, empower minds by sharpening the intellect and broadening perspectives, and enrich souls by growing in faith and serving others. Our product - the ACS(BR) Gentleman.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, COMPUTER APPLICATIONS, COMPUTING, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY B, MATHEMATICS, MOBILE ROBOTICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SOCIAL STUDIES N(T), TAMIL, TAMIL B

ASSUMPTION ENGLISH SCHOOL

622 UPPER BUKIT TIMAH ROAD S(678117)

(Tel) 65729100 (Fax) 67636560

Website Address: <http://www.assumptionenglish.moe.edu.sg>

Option Code : **7002**

School Vision : Men and Women of Character and Learning, in the Service of God and Community

School Mission : To educate the whole person in the Montfortian spirit of learning, charity and love.

School Philosophy, Culture and Ethos

Assumption English School is a government-aided school founded by the Montfort Brothers of St. Gabriel. The school is one of the seven Gabrielite institutions in Singapore and many others in 33 countries worldwide. The school subscribes to the Montfortian Education Charter which serves as a guide to 'form enlightened and harmonious persons committed to a just and fraternal world'. Thus the school's philosophy is that 'We believe that Education is a journey of Self Discovery where students discover their talents, clarify their values & form their moral compass.' The school creates an ethos that cares and challenges our students to become confident and able leaders who embody the Assumption Spirit of Excellence in Character and Learning. The school motto, Labor Omnia Vincit, sums it up clearly - our students will, through work, achieve success.

Subjects Offered

ADDITIONAL MATHEMATICS, ART 'O' LEVEL, ART NA LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY B, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T)

Special Student Development Programmes Offered

To realise the school's vision to produce 'Men and Women of Character and Learning, in the service of God and Community', the school's Montfortian Achievers' Programme and range of Co-Curricular Activities provide valuable opportunities for students to develop self-confidence, self-discipline and social-emotional competencies through experiential learning and Values-in-Action projects in the school and community. The school's Applied Learning Programme (ALP), SPEAK (SPeak English with grAce and Knowledge), aims to develop a love and appreciation for the English Language, and hone students' language ability so that they are effective and proficient users of the language. Through the ALP, students will gain mastery of the language through specialised training such as poetry and drama, debate, drama and public speaking, with opportunities to apply their skills through competitions, events and attachments. The school's learning for life Programme (LLP) named DINAN Leadership Programme aims to inculcate school and national values, 21CC and develop servant leadership skills and competencies through science and environmental inquiry-based learning and purposeful values-in-action activities (VIA). Our students learn to articulate, reflect and advocate the self-leadership and mastery, as well as the school's CHRIST values of Compassion, Humility, Respect, Integrity, Sense of Responsibility and Trust through a 3-tiered developmental approach by Leading to Serve, Serving to Lead and Leading to Inspire.

CCAs Offered

Physical Sports : BASKETBALL, FLOORBALL, FOOTBALL, JUDO, SOFTBALL

Uniformed Groups : GIRL GUIDES, NCC (SEA), NPCC, RED CROSS YOUTH

Visual And Performing Arts : BAND - CONCERT, CHOIR, DANCE - ENSEMBLE

Clubs And Societies : ENGLISH LANGUAGE DRAMA AND DEBATE SOCIETY

BARTLEY SECONDARY SCHOOL

Option Code : **3002**

10 JALAN BUNGA RAMPAI S(538403)

(Tel) 62889013 (Fax) 62805595

Website Address: <http://www.bartleysec.moe.edu.sg>

School Vision : Leaders for Others, Learners for Life

School Mission : Empowering every Bartleyan to lead with wisdom, serve with humility and learn with passion.

School Philosophy, Culture and Ethos

The school believes that every student has the potential to be developed and that they can and will learn and succeed. Hence, the school provides academic rigour and a robust character development programme that is grounded on our school values (Courage, Optimism, Respect, Excellence), and the principles of the 7 Habits of Highly Effective Youths (7 HEY). This will ensure that Bartleyans graduate with a distinctive character and the skills to navigate the intricacies of life successfully.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY B, MATHEMATICS, MOBILE ROBOTICS, MUSIC, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL, TAMIL B

Special Student Development Programmes Offered

The school's Learning for Life Programme (LLP) is on Community Youth Leadership. As part of the LLP, all Bartleyans undergo the Student Leadership Development Programme, coupled with Outdoor Experiential Learning, to nurture them to be courageous, optimistic and responsible leaders of self and for others. The 7 Habits of Highly Effective Youths (7 HEY) programme underpins the school's character development effort. Through this programme, students learn to live out the school's motto of Facta Non Verba (Deeds not Words). The school's Applied Learning Programme (ALP) is Chemical and Applied Sciences (Fragrance). Bartley is the first and only secondary school in Singapore to offer this programme which is an area of study that provides direct application of Science concepts into the creation of a product. It is a conglomeration of chemistry, applied sciences, engineering and business which excites students to explore STEM (Science, Technology, Engineering, Mathematics) as their future area of specialisation. The school collaborates with Singapore Science Centre in running the programme. The partnership with A*STAR and Takasago International (S'pore) Pte Ltd deepens and broadens our students' mind in the areas of STEM and business. The Bartley Scholars Programme (BSP) is targeted at higher ability students to stretch and accelerate their learning. Students are exposed to a variety of learning experiences to develop their passion for learning. The X-Mile Programme is a mentoring programme for all our graduating students. Students are not only supported emotionally in their journey towards the national examination, but are also guided to make decisions that would have an impact on their next phase of development in institutes of higher learning.

BEATTY SECONDARY SCHOOL

1 TOA PAYOH NORTH S(318990)
(Tel) 62569108 (Fax) 62542284
Website Address: <http://www.beattysec.moe.edu.sg>

Option Code : **3003**

School Vision : Every Beattyian - A Thinker, Learner and Contributor

School Mission : To nurture Beattyians of Character with a Sense of Purpose and Passion for Life

School Philosophy, Culture and Ethos

Established in 1953, Beatty Secondary believes in the unique worth of every student and aims to nurture confident, adaptable, resilient, future-ready and morally upright individuals with a sense of purpose and passion for life. The broad-based academic and character development programmes offered at Beatty Secondary are specially tailored to ignite students' passion and the joy of learning. They are also designed to develop and stretch students' abilities and talents to the fullest. Beatty Secondary seeks to nurture critical thinkers and self-directed learners who will become valuable contributors to society. Undergirding these programmes is the care we provide to ensure the physical, intellectual, social and emotional well-being of every Beattyian. Our team of committed and caring staff take pride in adopting innovative approaches to create an enriching and supportive learning environment for all Beattyians. Over the years, Beatty Secondary has nurtured many illustrious Beattyians. Its Alumni boasts of prominent members from the civil service, academia, business and the arts.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SMART ELECTRICAL TECHNOLOGY, TAMIL

Special Student Development Programmes Offered

In Beatty Secondary, where students' aspirations matter, we aim to develop students' talents, stretch their potential and prepare them for the future. Through the various in and out-of-classroom opportunities and experiences, we develop students to become critical thinkers, innovative problem solvers, effective leaders and future-ready citizens with a global outlook. Anchored on strong values, we equip them with essential social skills and competencies. Our Applied Learning Programme, 'Beattyians Think. Create. Innovate' enables Beattyians to develop 21st Century Competencies and apply them in real-life contexts. In line with Singapore's Smart Nation vision, the programme allows students to develop digital literacy (basic programming and coding language) through computing knowledge, paving the way for them to embrace future digital challenges in a VUCA world. Design Thinking tools and processes are used to teach students to identify the specific needs of the target group, define problems, ideate and propose viable solutions. Our Learning for Life Programme, 'Beatty's Leaders for Life Programme' grooms exemplary and purposeful leaders through the Kouzes and Posner's Leadership Challenge model. With the myriad platforms in place, students bloom as confident and effective communicators. Through overseas cultural exchange programmes with schools from Japan, China and Vietnam, students gain deeper insights into other parts of the world beyond the shores of Singapore. Our Character Development Programmes, which include Outdoor Adventure Camps and Values-in-Action programmes serve to imbibe sound values, develop strength of character and socio-emotional competencies in Beattyians.

School Vision : A School of Choice and a Community of Lifelong Learners.

School Mission : To provide a nurturing environment where students are imbued with sound values, a passion for learning and confidence to face future challenges.

School Philosophy, Culture and Ethos

We believe in an education that draws out the best in individuals so that they can lead lives that are purposeful, fulfilling and beneficial to the community. We nurture confident students who have a positive self-concept, and who enjoy healthy relationships with others. The school's affirming and empowering culture provides students with numerous opportunities to achieve success in different ways. The school has a vibrant, warm and welcoming climate because we actively nurture deep and meaningful relationships among the teachers and the students. The school produces self-disciplined and self-regulated learners who have the will and the skills to continue learning well after their secondary school education and into their adult life.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), EXERCISE AND SPORTS SCIENCE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T)

Special Student Development Programmes Offered

Character development is the foundation of a good education. The school values both moral character and performance character. We nurture students who make wise decisions, and who possess the spirit of excellence in all they do. We develop students who are resilient, upright and honorable young adults. With Singapore's Smart Nation initiative, the use of technology will be prevalent in our work and private lives. Hence, students need to be confident, competent and creative with technology. Our Applied Learning Programme (ALP) in Science, Technology, Engineering and Mathematics (STEM) aims to develop scientific, computational thinking and inquiry skills in our students. This is done through the solving of authentic problems and real-life applications. Students will learn about design thinking, coding, prototyping, and many more. To balance the cognitive development, our Learning for Life Programme (LLP) focuses on aesthetic development through our Performing Arts Programme, PAssion. PAssion enables our students to have a good appreciation of the performing arts and to achieve outstanding results in the arena. The school organises a mega Art Festival or School Musical biennially. Beside cognitive and aesthetic development, the school values physical development too. We have a robust Outdoor Education programme and our very own rock wall in the school. Every student goes through Outdoor Education modules in PE, enrichments such as bouldering and abseiling, as well as cohort Adventure Camps. The school is also committed to developing the talents among our students through our rigorous Talent Development Programme. Besides developing academic talents, we also develop talents in leadership, sports, performing arts, visual arts, etc. Finally, we have a rich Student Leadership programme that develops the right skill-set, mindset and heart-set in all student leaders.

School Vision : A School Of High Standards, Quality Learning and Holistic Development

School Mission : To Nurture Students, Transform Lives and Serve the Nation

School Philosophy, Culture and Ethos

Guided by our philosophy 'Every Bedok Viewan Matters', we provide students with meaningful learning experiences both in the Academic and Co-Curricular domains. Through the Bedok Viewan experience, we want to instil a love for learning, cultivate an inquisitive mind, build good character and nurture our students to become morally upright individuals. As a school, we set high standards for all our students, developing in them important 21st century competencies and social emotional competencies which will enable them to thrive in a complex world. The school creates a culture that is nurturing and caring so that each student can realise his/her potential.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, MUSIC NT LEVEL, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), TAMIL

Special Student Development Programmes Offered

The school offers a distinctive Learning for Life Programme: 'Good Values@BV'. Character development programmes like the 'Values in Action' programme and Student Leadership development programme are designed to grow students into good citizens in service of the nation. We also offer an Applied Learning Programme: 'Global Awareness for the 21st Century@BV' which serves to connect academic knowledge and skills with real world knowledge. Through a structured provision of opportunities, students will be exposed to a range of global issues in view of developing skills of critical thinking, problem solving, communication and collaboration. These include Effective Communication and Broadcast Journalism. The school also focuses on student-centric programmes to nurture the whole child through quality teaching and learning. These include academic programmes such as the 'Improve Confidence and Numeracy Skills in Mathematics' programme, the Inquiry-Based Learning Programme in Geography and Science Incubation Unit programmes to stretch students' knowledge and skills. Other holistic development programmes includes Annual Level Camps, Affective Learning in PE, Work Shadowing Programme and Internationalisation Programmes to various countries.

CCAs Offered

Clubs And Societies : INFOCOMM CLUB, SERVICE LEARNING CLUB

Other Important Details / Information

Bus Services : 2, 9, 12, 14, 24, 25, 31, 35, 38, 45, 46, 47, 48, 506

MRT Station : TANAH MERAH MRT

Type of School : GOVERNMENT SCHOOL/CO-ED SCHOOL/SINGLE SESSION

Mother Tongue Languages Offered : CHINESE/MALAY/TAMIL

Aggregate range of 2019 PSLE students posted to 2020 Sec 1

Express : 218 - 240

Normal (Academic) : 164 - 191

Normal (Technical) : None Posted

Remarks: 1) Meeting the previous year's minimum aggregate does not guarantee admission to the school. The current year's minimum aggregate may vary and depends on the demand pattern and cohort size. 2) "None Posted" means that no student was posted to N(T) course for 2020 Sec 1. Depending on the demand, the school may offer N(T) course for the 2021 Sec 1. Interested students with N(T) course eligibility may still select this school as one of your choices.

BENDEMEER SECONDARY SCHOOL

Option Code : **3021**

1 ST WILFRED ROAD S(327919)

(Tel) 62927616 (Fax) 62932594

Website Address: <http://www.bendemeersec.moe.edu.sg>

School Vision : Active Learners, Responsible Citizens

School Mission : A School that Builds Character, Nurtures Learners and Serves the Community

School Philosophy, Culture and Ethos

At Bendemeer Secondary School, we believe that all students are unique individuals and we provide exceptional educational experiences that help them discover their strengths and talents. With our school values of Integrity, Care, Respect, Responsibility and Resilience, we nurture our students to be self-aware, self-directed and to take ownership of their own learning. We nurture morally upright students who persevere in the face of challenges. We provide them with leadership opportunities and allow them to demonstrate their creativity and initiative. Through research-based practice and innovation, as well as a strong culture of care, our dedicated and professional staff supports each child's learning and social-emotional needs. In doing so, we nurture Bendemeer graduates who are confident youths equipped with the values, skills and knowledge to succeed, and who collaborate with others to contribute to the betterment of the community and country.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), CO-CURRICULAR ACTIVITIES, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HIGHER CHINESE, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

The school's Applied Learning Programme (ALP), 'Making Science Alive through Authentic Problem Based Learning', helps students develop an appreciation of concepts and principles related to Health Science. Our Learning for Life Programme (LLP) focuses on Developing Student Leadership through Service Learning, where students are given opportunities to collaborate and lead their peers in level Values-in-Action (VIA) projects. The school's collaboration with the Kolam Ayer Youth Executive Committee in the 'Dialogue with Minister' Series gives Bendemeerians the opportunity to voice their views on issues affecting their community. The school's internationalisation programme gives students the opportunity to travel abroad. The NTcipate Life programme is specially customised to engage N(T) students through experiential learning experiences to discover their aspirations and fulfil their potential. Learning is engaging in and out of the classroom as teachers adopt research-based teaching methodologies, such as inquiry-based, problem-based, and cooperative and collaborative learning, to deepen and enrich students' understanding and equip them with 21st century competencies. Innovative programmes include our Dramaworkz programme which uses drama to develop confident and expressive speakers. Students' interests and talents are further developed through programmes like the Mathematics Learning Trail, the Maths Olympiad and the Design Skills Enrichment for D&T students. Co-curricular experiences such as the Education and Career Guidance Programme, complement the curriculum in providing a holistic education. Through this programme, students are able to uncover their passion and interest in the various industries for their post-secondary education progression.

CCAs Offered

School Vision	: An extended family which brings out the greatness in every child to be a responsible and passionate learner and leader.
School Mission	: To care for and guide every child to achieve their aspirations. To inculcate right values in every child to contribute to family, community and nation.

School Philosophy, Culture and Ethos

Guided by our school vision, 'An extended family which brings out the greatness in every child to be a responsible and passionate learner and leader', the school adopts the dual emphasis on being an Aspiration-Focussed and CCA-Centric school. Through the Academic Programme, all students regardless of stream and ability, are assured of a firm foundation in knowledge, skills and values. Our CCA Programme inculcates in our students sound values to form strong character through the exercise of leadership. Our Student Development Programme helps our students discover their passions and work toward their aspirations. Our culture of care is embodied in our school motto 'To Love and To Forgive'. As an extended family, we care for and guide every child to achieve their aspirations, and inculcate the right values in them to contribute to family, community and nation.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, CHEMISTRY, CHINESE, CHINESE B, COMPUTER APPLICATIONS, COMPUTING, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, EXERCISE AND SPORTS SCIENCE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HISTORY, LITERATURE(E), MALAY, MALAY B, MATHEMATICS, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), TAMIL, TAMIL B

Special Student Development Programmes Offered

The Student Development (SD) Programme aims to help every student discover and work towards their aspirations. The SD Modules are designed under the DREAMS framework viz. Digital & Info-com Technology; Relation & Business; Engineering, Science & Maths; Arts & Humanities; Media & Design; and Sports & Leisure. Students select the modules of their choice based on their passion or interest. Through hands-on learning experiences, industrial visits or dialogue sessions with professionals, the modules allow students to explore their career interests. Our Applied Learning Programme (ALP) - 'Exploring Possibilities with Materials Science', Learning for Life Programme (LLP) - INSPIRE@BLS (Igniting Students' Passion and Interests through Arts-related Experiences) and Project Work (ASEF/I&E) are mandatory for all lower secondary students. ALP equips students with Design Thinking skills as they explore the use of smart materials to solve everyday problems. INSPIRE@BLS, contributes to the holistic development of our students by inculcating values, socio-emotional competencies, life skills and a passion for lifelong learning and appreciation for the arts. The Asia Europe Foundation (ASEF) programme offers online project opportunities for our students to collaborate with schools in Asia and Europe such as Italy, India and Netherlands. The Innovation & Enterprise (I&E) programme focuses on developing students in thinking innovatively and exposes them to the social enterprise industry.

CCAs Offered

Physical Sports	: BADMINTON (BOYS), BASKETBALL (BOYS), NETBALL (GIRLS)
Uniformed Groups	: BOYS' BRIGADE, NATIONAL CADET CORPS (LAND) (BOYS), NATIONAL CIVIL DEFENCE CADET CORPS, NATIONAL POLICE CADET CORPS, ST. JOHN BRIGADE

BOWEN SECONDARY SCHOOL

Option Code : **3043**

2 LORONG NAPIRI S(547529)

(Tel) 63859466 (Fax) 63856559

Website Address: <http://www.bowensec.moe.edu.sg>

School Vision : Every Bowenian a Passionate Learner, Leader and Champion.

School Mission : Nurturing Learning. Developing Character. Inspiring Service.

School Philosophy, Culture and Ethos

Bowen aspires to cultivate life-long learning, strength of character and service to others in all our students. In Bowen, there is a strong culture of care where teachers nurture and guide every Bowenian to grow and to reach for excellence. Bowen's flagship ChANgeMaker programme nurtures a spirit of service and empathy in every Bowenian, with authentic opportunities every year to learn, to serve, and to engage in design thinking. Bowen's motto, 'I Believe, Therefore I Am' reflects our belief that our students can fulfil their aspirations when they believe in their abilities and strive for excellence.

Subjects Offered

ADDITIONAL MATHEMATICS, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), EXERCISE AND SPORTS SCIENCE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

Bowen champions holistic education, where students are challenged to strive for excellence through both academic programmes and character development programmes. Bowen engages students in learning through creative programmes such as LifeLit, a drama-infused English Language programme for Lower Secondary students, and authentic fieldwork such as annual Historical and Geographical Investigations to sites of historical and geographical interest. Our year-round Aforte programme broadens the learning opportunities for Normal stream students through enrichment and elective modules to help them aspire to the future. Our strong CCA culture provides a well-balanced and comprehensive co-curricular programme that helps the students to grow into all-rounded individuals. Our flagship ChANgeMaker systematically provides authentic opportunities for students to engage in meaningful service, utilising Design Thinking protocol to better meet the needs of the beneficiaries. ChANgeMaker trains students in both social enterprise and community youth leadership, which are two areas under which students can be admitted to Bowen under Direct School Admission.

CCAs Offered

BROADRICK SECONDARY SCHOOL

Option Code : **3202**

61 DAKOTA CRESCENT S(399935)

(Tel) 63445025 (Fax) 64471427

Website Address: <http://www.broadricksec.moe.edu.sg>

School Vision : A Dynamic School providing Holistic Education

School Mission : Nurturing Broadricans to be future-ready learners with Strength of Character

School Philosophy, Culture and Ethos

Broadrick's vision is to be a dynamic learning community where Broadricians are equipped with the necessary knowledge, skills, and values to meet the challenges of a complex and changing future environment. We are guided by our belief in the intrinsic worth of every individual and that everyone is capable of learning and achieving. We seek to cultivate positive dispositions towards learning so that all students will be empowered to take ownership of their learning. With the belief that abilities and skills can be developed through targeted efforts, our students will stand in good stead to thrive and excel when they face future challenges. Our educational programmes provide opportunities for every Broadrician to develop themselves holistically, and emerge from Broadrick as a well-rounded individual with the zest to lead a purposeful life. In Broadrick, we believe in acknowledging the different peaks of excellence in our students. We focus on developing self-directed Broadricians who are rooted in values and committed to life-long learning. We educate Broadricians to embrace the spirit of innovation and enterprise so that they are empowered to take calculated risks and develop resilience to face future challenges. Teachers are key and students are our focus. Establishing quality relationships with our stakeholders is crucial to nurturing the students entrusted in our care. Broadricians grow, learn, develop and serve together as one united community. Everyone in the Broadrick family has the responsibility to contribute to the family, school, community, nation and world with the purpose of making a difference. They learn to serve and serve to learn from others.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HISTORY, LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

Broadrick's Applied Learning Programme, "Entrepreneurship in STEM", seeks to help our students to grow into inquisitive leaders, and be critical and creative thinkers who embrace the spirit of creativity and enterprise. All students are involved in inquiry-based projects, hands-on experience to construct solar powered cars and vertical farming prototypes to apply their learning with a focus on promoting sustainable, renewable energy to help address the challenges of the future. Students with interest or talent could also participate in competitions as additional avenues for students to showcase their creativity and entrepreneurial dare. There are also opportunities for selected students to serve a short attachment to local and overseas companies in STEM related fields. The Learning for Life Programme at Broadrick seeks to nurture Confidence And RESilience (CARE) through Aesthetics, Community and Youth Leadership. Our comprehensive Service Learning and Aesthetics programmes are structured into the school curriculum and every student is given an opportunity to be exposed to rich, authentic learning experiences as they work with others and with the community at large. We believe that as they step out to lead, our students will have the opportunity for deep introspection and reflection, find their passion and sense of purpose as they learn new skills, interact with people and serve the community.

Website Address: <http://www.bukitbatoksec.moe.edu.sg>

Option Code : **3044**

School Vision : A premier school which provides quality holistic education to every BBSSian.

School Mission : To nurture BBSSians to be self-directed learners with abundance mentality.

School Philosophy, Culture and Ethos

We believe every child is unique and has innate abilities to be developed. At BBSS, children are firmly at the heart of our work and we seek to develop the whole child by providing meaningful and connected learning experiences that will allow every BBSSian to develop the right values, competencies and skills to Be Our Best. Our school values - RESPECT (Reflection, Enterprise, Self-discipline, Perseverance, Empathy, Creativity, Teamwork), mission and vision, represent our collective aspirations, and guide us in how we work with our parents, community and partners to realise the potential of our students. Hence, we endeavour to build a culture of care, self-directedness and abundance mentality amongst staff and students.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY (SPECIAL PROGRAMME), MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (PHY, CHEM), SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

To deliver the school mission, we adopted Arthur L. Costa's Habits of Mind (HOM) since 2003 to inculcate in BBSSians thinking dispositions. These dispositions are taught explicitly via activity-based lessons and every student would habitually practise HOM daily so as to prepare them for future challenges as self-directed learners. Our students possess the strength of character to do well academically and in their CCAs, thus actualising our school vision of providing quality holistic education. This is delivered through our LLP, Community Youth Leadership Programme, which aims to nurture RESPECTful Leaders who are self-directed in serving the community with abundance mentality. It integrates the twin pillars of Leadership Development and Values In Action (VIA) to provide BBSSians with leadership training experiences and opportunities to organise community-wide events like Blood Donation Drive, and overseas service learning expeditions as part of our Internationalisation Programme. Such projects aim to develop dispositions like "Listening with Understanding and Empathy" and "Questioning and Problem Posing". Our ALP is in the area of embedded electronics which builds upon our strength in Science, Technology, Engineering and Mathematics (STEM) to develop BBSSians as proactive problem-solvers by focusing on the application of sensor technologies, coding and mBOT robots to simple real-life scenarios. Our students' innate abilities are cultivated through our Talent Development Programme where we facilitate many student-initiated interest groups like aesthetic performances by dance groups and singers, mind games get-together with Scrabble and Rubik's Cube, technology-driven enthusiasts through drones and robotics, and communication via radio DJ shows and history. All these holistic experiences cultivate students' joy of learning thus developing their disposition of "Remaining open to Continuous Learning" which will prepare the students well for the future.

CCAs Offered

Physical Sports : AIR RIFLE, BADMINTON, BASKETBALL (BOYS), CROSS COUNTRY, RUGBY (BOYS), SOFTBALL (GIRLS)

Uniformed Groups : BOYS' BRIGADE, GIRLS' BRIGADE, NCC (LAND) (BOYS), NCC (SEA), NPCC

School Vision : Every Merahan a Resilient, Caring and Self-directed Learner

School Mission : To Nurture Resilient Merahans with Character and Heart

School Philosophy, Culture and Ethos

Bukit Merah Secondary School (BMSS) prides itself on cultivating a caring environment that establishes positive expectations to bring out the best in our students. Our staff foster respectful teacher-student relationships. They encourage active student participation so as to nurture in every child the school values, 'Respect for self and others, Integrity in word and deed, Self-discipline in conduct, and Empathy for others'. The school offers a rich curriculum that balances academic rigour with character development and citizenship education. Our Aesthetics, Sports and Uniformed Groups provide our students with an all-round educational experience. The school also develops students' talents through a comprehensive Aesthetics Education Programme.

Subjects Offered

ADDITIONAL MATHEMATICS, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, BIO), SCIENCE (PHY, CHEM), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

Over the years, our students have performed well in their academics and the Co-Curriculum. This is possible because our teachers nurture the whole child. Working in Professional Learning Teams, teachers build up their teaching-learning repertoire and stretch student capacity through carefully designed authentic learning activities, both within and beyond the classroom. Examples include engaging Science project work tasks at the lower secondary level, the use of manipulatives in Mathematics teaching, and Humanities Trails in the neighbourhood. Our students participate annually in competitions for Mathematics & Science and attend Advanced Elective Modules (with a science focus) at local polytechnics. The school also champions reading literacy. In collaboration with the National Library Board, we have put in place a whole-school effort to promote reading as a habit among students. To develop 21st century competencies in all our students, we have distinctive programmes including (1) Applied Learning Programme: Creative Robotics and Engineering, which focuses on Science and Technology including basic programming, will equip students with skills to tackle authentic real-life problems; (2) Learning for Life Programme: Character Development & Leadership Through Sports, which develops life-skills by promoting teamwork, self-discipline and the pursuit of excellence. Student leaders will have the opportunity to grow and hone their skills experientially. (3) The START RIGHT programme to begin the academic year on the right note; (4) Experiential Learning Programmes that leverage out-of-classroom learning to build peer relationships and inculcate values; (5) Aesthetics Education Programme: a series of visual and performing arts workshops that culminates in an end-of-term performance. An example is Festivo V at Victoria Theatre in conjunction with our 50th Anniversary celebrations.

School Vision : Every BPian a passionate learner, an inspiring leader

School Mission : To ignite the joy of learning through a holistic education and develop leaders with a heart to serve

School Philosophy, Culture and Ethos

BPGHS offers a student-focussed environment that is responsive to the needs and expectations of BPians, providing opportunities for each to develop his/ her talent and passion as well as to stretch his/ her potential. The school expects all BPians to uphold school values and sets high expectations for them in terms of academic performance and character education. Through an engaging curriculum, BPians are equipped with the confidence to be self-directed learners who are determined to excel by pursuing learning passionately. Through an enriching co-curriculum, BPians are equipped with the qualities and competencies to inspire and lead others to serve the school and the community.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART NA LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HIGHER ART, HIGHER CHINESE, HIGHER MALAY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN CHINESE), HUMANITIES (SS, LIT IN ENGLISH), HUMANITIES (SS, LIT IN MALAY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T)

Special Student Development Programmes Offered

The school offers a comprehensive range of distinctive programmes that complements our curriculum to provide BPians with a holistic learning experience. The Code for Fun Programme (CFF) is offered to all BPians to enhance their information and communication technology (ICT) skills, enabling them to navigate the changing digital landscape competently. The Applied Science Programme (ASP) provides an opportunity for all BPians to apply the knowledge they have acquired from various subject disciplines on an investigative research task that hones the inquiry and critical thinking skills, and encourages them to pursue their passion in Science. In addition to the Elective Programme in Malay Language in Secondary Schools (EMAS), the school also offers the Malay Language Elective Programme (MLEP-Sec). These programmes aim to nurture BPians to attain a high level of language proficiency in Malay, and enhance their understanding of literature and culture. The Art Elective Programme (AEP) enables BPians to hone and develop their aesthetic skills in various art forms including painting, ceramics, sculpturing, design digital art and mixed media. Other special programmes to develop key qualities and competencies among BPians include the Leadership Development Programme, Cross-cultural Programme and Apprenticeship and Work Attachment Programmes.

16 BUKIT BATOK STREET 21 S(659633)

(Tel) 65661990 (Fax) 65630945

Website Address: <https://www.bukitviewsec.moe.edu.sg>

School Vision : Engaged Learners, Empathetic Citizens, Ethical Advocates

School Mission : A dynamic institution that adds value to all by valuing learners, valuing learning and learning values.

School Philosophy, Culture and Ethos

At Bukit View Secondary, we value learners as every Bukit Viewan matters. We value learning as it is an integral part of school life. Learning values is of utmost importance as it is a primary aim of education to nurture responsible students with a strong moral compass. Grounded in Positive Education that allows our students to flourish, and based on an established ethos of care, every student is provided with quality, holistic and meaningful school experiences. Students enjoy learning in a positive, enriching and stimulating environment where teachers care for, grow and nurture them to become engaged learners who are energised by their passion for learning and will come to be lifelong learners and creative problem-solvers of the future; empathetic citizens who will have the ability to understand and care about others in their community; and ethical advocates who will actively pursue causes that benefit society, ensuring their morals and values guide them as they make a difference.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, COMPUTING, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY B, MATHEMATICS, MUSIC, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), TAMIL, TAMIL B

Special Student Development Programmes Offered

Learning at BVSS is centred on providing meaningful learning experiences to develop students' passions and prepare them for the future. Every student will have access to a Chromebook. The use of 1-to-1 Personal Learning Device (PLD)-enabled learning expands learning beyond the classroom, and gives students the opportunity to take ownership of their learning and to collaborate effectively with their peers. BVSS's Applied Learning Programme on Clean Energy and Environmental Technology, the Junior Outstanding Leaders in Energy for Sustainability (JOULES) Programme, provides students with Science, Technology, Engineering and Math (STEM) literacy and exciting hands-on learning experiences in design thinking, coding, computational thinking and sustainable energy. Students learn and apply STEM skills through exploring issues of water, transport and energy generation. The Learning for Life Programme (LLP): Learning the Arts, Living the Values focuses on the learning of values and development of social and emotional competencies through drama, literature and history. More importantly, the LLP helps students develop empathy and imparts values to them as they learn more about the attributes and values displayed by the characters they play in the drama, such as the pioneers of Singapore. The school endeavours to help students cultivate a growth mindset to fulfil their potential, where they develop a desire to lead, embrace challenges, persist in the face of setbacks, and see effort as key to mastery. Through programmes grounded in Positive Education, Bukit Viewans are equipped with social-emotional competencies to build character strengths to lead meaningful and fulfilling lives.

CANBERRA SECONDARY SCHOOL

51 SEMBAWANG DRIVE S(757699)

(Tel) 67585070 (Fax) 67583110

Website Address: <http://www.canberrasec.moe.edu.sg>

Option Code : **3621**

School Vision : Grateful, Respectful and Compassionate Canberrans

School Mission : Care. Aspire. Nurture. We care for our students like our own children. We aspire to give our best in all we do. We nurture grateful, respectful and compassionate Canberrans.

School Philosophy, Culture and Ethos

Values education is of utmost importance to us. As such, we have aligned our programmes to the school values, "Gratitude, Respect and Compassion" through Character and Citizenship Education as well as service learning programmes. We aim to develop Canberrans to be grateful children, respectful learners and compassionate citizens. In line with our motto, "Challenge, Conquer, Contribute", we seek to create opportunities for our students to gather valuable insights that will guide them in their life journey. This will be a lasting legacy we leave our students even after they have graduated.

Subjects Offered

ADDITIONAL MATHEMATICS, ART NA LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), PHYSICAL EDUCATION, PHYSICS, SCIENCE, SCIENCE (PHY, CHEM), SCIENCE (SYLL T)

Special Student Development Programmes Offered

Canberra Secondary offers a rigorous academic programme and comprehensive range of student development programmes that are well-aligned to MOE's Framework for 21st CC skills. The school develops students to be grateful, respectful and compassionate, by providing students opportunities to serve the community alongside teachers on a regular basis. Furthermore, our Global Canberran Programme-Overseas Service Learning, involving Secondary Three students, aims to inculcate the value of compassion through active contribution to the global community. Our Applied Learning Programme(ALP) - Digital Media in Visual Arts, builds upon our strengths in photography and videography. It is designed to equip our students with a balance between technical skills mastery and appreciation for the arts. All Lower Secondary students go through a baseline ALP curriculum. Students who display aptitude and interest will be stretched further through the Digital Media in Visual Arts CCA. Through exposure to various enrichment activities, the ALP fosters learning in authentic settings with a focus on integration of visual arts and design. The deep and broad exposure through project assignments and competitions gives our students the opportunity to identify their aptitudes and interests and make informed decisions on their further education and career. Our Learning for Life-Community Youth Leadership (LLP-CYL) Programme - GRC GEMS in Action, seeks to nurture grateful, respectful and compassionate youth leaders who mentor others to contribute effectively at home, in school and the community through promoting awareness, taking action and being an advocate in their chosen area of need. This is a school-wide movement that provides a sustained and student-centric values education progressively over four/five years. The Service Learning Pedagogy is adopted and undergirds the LLP-CYL Programme to connect hearts, minds and hands.

CCAs Offered

Physical Sports : BADMINTON (BOYS, GIRLS), VOLLEYBALL (BOYS, GIRLS)

Option Code ('O' Level Programme) : **7102**

School Vision : The Catholic High student is a leader, gentleman and bilingual scholar of high integrity and robust character, who is passionate about life, learning and service to others.

School Mission : To establish Catholic High School as a school of distinction in innovative and challenging programmes, a forerunner in character building and a beacon for the mindset of excellence, firmly built upon the foundation of Christian values.

School Philosophy, Culture and Ethos

Founded in 1935 by the late Rev. Fr. Edward Becheras, Catholic High School is one of Singapore's highly regarded institutions under the auspices of the Catholic Archdiocese. As a Special Assistance Plan (SAP) school, CHS is grounded in the philosophy of bilingualism and biculturalism. As a Catholic mission school, love is the motivation behind all our actions. We ensure there is Joy of Learning in school life, and that students develop a Mindset of Excellence. The school's core values underpin every member's attitude, actions and aspirations. Our heritage, alumni and parent support group are the strengths that our school draws upon for our model of education, where every student is a Leader, Gentleman and Bilingual Scholar in the making. Offering the unique dual-track model with both the O-Level and Integrated Programmes (IP), the CHS experience offers a curriculum strong in academic distinction, leadership and character development, and sports and aesthetics excellence. Our IP students will spend their first 4 years in CHS before progressing to Eunoia Junior College to complete the IP.

CEDAR GIRLS' SECONDARY SCHOOL

1 CEDAR AVENUE S(349692)
(Tel) 62884909 (Fax) 62820244
Website Address: <http://www.cedargirlssec.moe.edu.sg>

Option Code (Integrated Programme) : **9152**

Option Code ('O' Level Programme) : **3004**

School Vision : Bringing out the Best in our People: Social Innovators, Passionate Learners

School Mission : Nurturing Leaders of Character

School Philosophy, Culture and Ethos

With the belief that every Cedarian can become a confident and active citizen, Cedar is committed to providing a high quality all-round education. In our mission to develop Leaders of Character, we have a comprehensive Character, Citizenship and Leadership Development Programme which inculcates the values, attributes and competencies desired of Cedarians in their journey through life. Cedar has received recognition in both the academic and co-curricular domains for its consistent performance and good teaching and learning processes. Graduating students each year have attributed their resilience to take on challenges, confidence in striking out and motivation to always give of their best to the school's developmental programmes as well as the inculcation of the values of honesty, courtesy and perseverance as advocated in our school motto. Besides a well-established 4-year O-Level programme, Cedar also offers the Integrated Programme (IP) under the Victoria-Cedar Alliance (VCA). Our IP students will complete 4 years of secondary education in Cedar before advancing to Victoria Junior College for the A-level curriculum. The VCA IP offers a seamless 6-year programme to students who enjoy independent study and exploratory work. They will have the opportunities to heighten their interest and passion through a challenging and enriched curriculum.

Subjects Offered

ADDITIONAL MATHEMATICS, ART 'O' LEVEL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE (SPECIAL PROGRAMME), DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY (SPECIAL PROGRAMME), MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), TAMIL

Special Student Development Programmes Offered

Through the Leaders of Character Programme, all Cedarians are given opportunities to put their values into action via student-initiated community projects so as to nurture and develop them into leaders of character. The Social Innovation Programme is the school's signature programme which aims to nurture Cedarians into social innovators. Through this programme, students' innovative capacity is developed and honed to provide them with the vital skills they need to create breakthrough solutions to address authentic issues faced by the community. With the aim to broaden Cedarians' perspectives, the Beyond Borders Programme provides Cedarians the opportunity to explore learning beyond the shores of Singapore, see the world differently and learn to work collaboratively with local and international partners. Cedarians with special talents are given the opportunity to pursue their passions and interests through the Talent Development Programme. This programme aims to stimulate the students intellectually and cognitively to create new knowledge and stretch their potential.

School Vision : Learn with Passion, Serve with Humility, Succeed with Integrity**School Mission** : Engaging Minds, Enriching Character, Empowering Lives**School Philosophy, Culture and Ethos**

At Changkat Changi Secondary School, our vision is for every child to learn with passion, serve with humility, and succeed with integrity. We are committed to engaging minds, enriching character, and empowering lives. We firmly believe in providing ample opportunities for every child to do well in life. Our students have done well in the academic and non-academic domains, and they are well-supported by a team of caring and dedicated staff. Anchored in the school values of R3ICH - Respect, Resilience, Responsibility, Integrity, Care and Harmony, we work closely with all stakeholders to develop each child into a citizen who is a collaborative learner, an effective communicator, a self-directed individual and a service-leader.

Special Student Development Programmes Offered

The school is committed to developing learners with passion and adopts innovative pedagogies to engage our students towards lifelong learning. We offer a Talent Development Programme in English and Mother Tongue Languages, Science, Mathematics and Humanities to stretch our students' potential. The school's Applied Learning Programme (ALP), titled S.O.A.R (Student-centered Opportunities for AeRospace Industry), is in the area of Aerospace and Aviation. The ALP aims to develop deep knowledge and skills in Science, Technology, Engineering and Mathematics (STEM). Through ALP, students will develop 21st Century Skills, where they learn to collaborate in projects as well as apply critical thinking and communication skills. Students take up workshops on aero-modelling, visit aviation management industries and take elective modules related to aerospace and aviation. The school's Learning For Life Programme (LLP), Service & Leadership Through School to Nation, aims to nurture students with a heart to serve, through a 3-tiered programme designed to impart skills necessary to initiate and carry out community service projects. Our leadership development modules provide many opportunities to develop holistic student leadership competencies. Our twinning programmes with schools in France, China, Korea and other overseas trips help our students prepare for a future in a globalised world, while programmes like Conversations with Form Teacher foster strong teacher-student relationships as we guide them towards success with integrity. Finally, the school offers an After School Engagement Programme (ASE) where students can engage in self-study, consult teachers or participate in recreational activities after curriculum hours in a purpose built ASE room.

CHIJ Secondary is progressive in its approach yet rich in tradition. The 3Ls@IJ focuses on developing students holistically through Learning, Living and Leading. In CHIJ, all lower secondary students experience our drama programme which enables students to realise their talents. Our Affective Programmes focus on leadership programme, the Values-in-Action programme, self-awareness camps, work attachment programme, and adventure camps. CHIJ is home to strong performing arts groups and our sports CCAs have also experienced success on the school scene. Our IJ Goes Global Programme aims to equip students with a global perspective that includes Immersion / Twinning with overseas schools. The IJ Beacon Programme focuses on serving the community in our neighbouring countries.

School Vision : WOMEN OF INTEGRITY WITH THE PASSION TO PURSUE EXCELLENCE

School Mission : The mission of an Infant Jesus Convent is the creation of a Christ-centred school community where all work together for the promotion of truth, justice, freedom and love, with special reference to the needs of persons who are disadvantaged in any way.

School Philosophy, Culture and Ethos

We believe our students possess talents and will experience success. SJC is where we develop our girls' moral character (values-driven) and performance character (value-adding). Our goal is for our girls to embody the values of Love, Integrity and Freedom, and to grow as Engaged and Empowered learners, Effective leaders, and Eloquent individuals with strong Ethics (LIFE4). We provide a vibrant Aesthetics curriculum, and an extensive Differentiated Leadership Programme for all our students.

Subjects Offered

ADDITIONAL MATHEMATICS, ART 'O' LEVEL, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC NT LEVEL, PHYSICAL EDUCATION, PHYSICS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

Our Applied Learning Programme (ALP), 'The Art of Communication through Theatre and Debates', uses a values-centred approach to deepen our girls' creativity, reflective-thinking and communication skills via a layered curriculum that integrates the arts, the languages and the humanities. Through the analysis of social issues and the validation of aesthetics skills, this ALP supports our aim to nurture articulate and confident students who are women of integrity. Our Learning for Life Programme (LLP), Thinking for Life Using the Creative Problem Solving Model (CmPS), aims to broaden students' critical and creative thinking skills through the active engagement of the community in issues and problems that students have identified. This approach seeks to deepen students' perspectives, empathy and social entrepreneurship to prepare them for active, engaged citizenship in a global world. SJC's differentiated Leadership Programme is adapted from the Kouzes and Posner's Leadership Challenge Model and MacGregor's Everyday Leadership Model to ensure that every SJCian has extensive opportunities to develop her leadership skills.

School Vision : Girls of Grace, Women of Strength, Leaders with Heart

School Mission : The creation of a Christ-centred school community where all work together for the promotion of truth, justice, freedom and love, with special reference to the needs of persons who are disadvantaged in any way.

School Philosophy, Culture and Ethos

CHIJ St Nicholas Girls' School has a long history with rich traditions and a strong school culture and ethos. Our students are given opportunities to develop holistically and hone their leadership competencies while being grounded in the IJ values of Truth, Justice, Freedom and Love. As a Catholic-mission and Special Assistance Plan (SAP) school, we emphasise character building, the pursuit of excellence, a strong family spirit, sisterly love and a bilingual culture. Our unique and rigorous education maximises the potential of each student whilst fostering the spirit of gratitude and compassion. We seek to develop empathetic and inclusive leaders who have the desire and ability to contribute to the greater good of society. Besides academic excellence, we embrace culture, the arts, music, sports, and other pursuits to refine our girls into all-rounded women with the finest sensibilities. Under the nurturing leadership and guidance of our principal and teachers, St Nicholas girls become Girls of Grace, Women of Strength and Leaders with Heart.

Subjects Offered

ADDITIONAL MATHEMATICS, APPRE OF CHINESE CULTURE, ART, BIOLOGY, CHEMISTRY, CHINESE, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, EXERCISE AND SPORTS SCIENCE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MUSIC, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE IN CHINESE, LITERATURE(E), MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS

Website Address: <http://www.chijsttheresasconvent.moe.edu.sg>

Option Code : **7023**

School Vision : We are a community of Leaders and Learners for God and for Others.

School Mission : To create a Christ-centred school community where all work together for the promotion of truth, justice, freedom and love, with special reference to the needs of persons who are disadvantaged in any way.

School Philosophy, Culture and Ethos

CHIJ St. Theresa's Convent is a Catholic mission school started in 1933 in response to an urgent need to provide an education for the daughters of poor workers at the Harbour, Hospital and Railway in the Tanjong Pagar area. Today, the school remains true to its mission to provide a quality education for all, with special reference to persons who are disadvantaged in any way. The Theresian Brand of education seeks to equip our students with knowledge, skills and values for life, not just for examinations. We believe that education must develop the Theresian student to go beyond self to serve others in the community. The design and delivery of our curriculum is therefore guided by the Integral Pedagogy Process which starts with the Context of the learner, taking her through Experience and Reflection to Action and Evaluation. It is only in action that the Theresian demonstrates learning and service to others.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), EXERCISE AND SPORTS SCIENCE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, MUSIC NT LEVEL, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

The curriculum is tailored to aid our students in discovering their potential, with the view of transforming them into positive change agents in the community. Our programmes are grounded in the school's belief in holistic education through experiential learning. Unique to CHIJ St. Theresa's Convent are our two Distinctive Programmes, "Education for Life (EFL): Developing Portable Skills through and for Real World Problem Solving" and "Developing Self-Directed, Confident and Resilient Leaders, Learners and Ladies through Sports and Hockey". We have customised our Values Education curriculum to align to the school's mission, vision and values and MOE's CCE learning outcomes. The school employs school-wide teaching strategies to address the different learning needs of students, with the aim of heightening engagement during lessons. Amongst the many approaches used are Integral Pedagogy Process, Differentiated Instruction, Inquiry-Based Learning and Problem-Based Learning.

CHRIST CHURCH SECONDARY SCHOOL

Option Code : **7025**

20 WOODLANDS DRIVE 17 S(737924)

(Tel) 68933297 (Fax) 68932789

Website Address: <http://www.christchurchsec.moe.edu.sg>

School Vision : Purposeful Leaders with God as the Enabler

School Mission : Empowering our Students to be ready for Service to the Nation.

School Philosophy, Culture and Ethos

Christ Church Secondary School belongs to the Anglican family of schools. Founded in 1952, our school's core belief is that each child has worth and must be nurtured to reach his or her fullest potential. Christ Church Secondary School is committed to provide a rich and holistic education where our students can focus on the things that matter most to them by learning to appreciate themselves and taking ownership of their growth. Our students enjoy a quality academic programme alongside a robust and vibrant Outdoor Education and CCA programme, with the core purpose of developing our students to be purposeful leaders who have the drive to excel, are thoughtful contributors and are active learners, with God as the Enabler.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, HIGHER CHINESE, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY B, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (PHY, CHEM), TAMIL, TAMIL B

Special Student Development Programmes Offered

Christ Church Secondary School delivers an all-round education across multiple platforms to nurture our students holistically. Well-resourced with a variety of in-house adventure learning facilities, the school's Learning for Life Programme in Leadership through Outdoor Adventure Learning offers all students the experience of outdoor living in community, drawing our students out of their comfort zones and helping them discover their potential to overcome their fears and limitations. Students are also provided with the opportunity to apply design thinking and knowledge learnt across disciplines to authentic situations in collaboration with Woodlands Health Campus (WHC) through the Applied Learning Programme in Health Sciences. In the Lower Secondary years, the CHRian school experience focuses on encouraging self-awareness and personal leadership in the various arenas of students' lives. Students use E-Colors as a self-discovery tool to help them take ownership of their character and leadership development, and are introduced to the basics of financial literacy and money management through the use of authentic and game-based approaches. As our students progress to Upper Secondary, they are given opportunities to challenge themselves and strive towards building their dreams and contributing their best in all that they do. The school has talent development programmes for high achievers, preparing them for a variety of national and regional academic competitions. CHRians undertake a variety of local and overseas Values-In-Action (VIA) projects to serve the community around them. The CHR school experience seeks to empower each student to be curious, compassionate and courageous, ready for service to the nation.

School Vision : A Community of Passionate Learners and Compassionate Leaders. As a school, we are a caring community with shared values and purpose. As passionate learners, we are self-directed, resilient and have a love of learning. As compassionate leaders, we are empathetic, humble and act with integrity.

School Mission : To nurture students holistically and develop them to be active citizens.

School Philosophy, Culture and Ethos

Character development is a top priority in Chua Chu Kang Sec School. The school believes that a sound and strong character must come first, for it lays the very foundation for success in every endeavour. The school continues to improve its heart-ware to enable all students to imbibe and demonstrate the school values of Managing Self, Putting Others before Self, and Striving to Excel. Students are nurtured to have a passion for learning and the requisite skills to be self-directed and collaborative learners in order to realise their full potential. Students are developed into compassionate leaders to serve the school, community and nation. Through service, they grow and excel. A strong, caring and collaborative culture amongst staff and students uniquely holds the school together.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MOBILE ROBOTICS, MUSIC, PHYSICS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

The Applied Learning Programme (ALP) in Robotics and Automation aims to interest students in STEM and instill better appreciation of technologies through authentic and extensive learning experiences. The ALP provides hands-on opportunities for students to be developed into passionate learners who are critical and inventive thinkers equipped with problem-solving skills. The Learning for Life Programme (LLP) is in the area of Student Leadership Development with the underlying belief that everyone can lead and will need to lead others at different points of their lives. The LLP aims to develop students as compassionate leaders and takes a multi-pronged approach of explicit teaching, experiential learning and leadership empowerment to build essential leadership qualities in students. Leadership experiences are framed within these five Practices: Model the Way, Inspire a Shared Vision, Challenge the Process, Enable Others to Act, and Encourage the Heart. These concrete and empowering learning experiences will develop our students to be exemplary leaders who will serve and lead people with pride and honour.

School Vision : Institution of Eminence, Generations of Leaders; Grounded in Values, Global in Outlook

School Mission : Empowering our students to be Role Models of Learning, Leaders of Society and Pillars of the Nation.

School Philosophy, Culture and Ethos

Guided by the school's philosophy "Excellence in Education for All", Chung Cheng High School (Main) is committed to the development of our students and the nurturing of 21st century leaders through a holistic learning experience anchored on strong values. As the East Zone Centre of Excellence (Chinese), the school seeks to promote good practices in the teaching and learning of Chinese and Chinese Culture. A SAP school since 1979, we are committed to deliver an effective bilingual and values-based education. Through comprehensive bi-cultural programmes and various overseas immersion programmes, the school aims to nurture bi-cultural Chung Cheng leaders who are grounded in values, global in outlook and equipped with cross-cultural literacy. The school's rich tradition in culture and the arts has seen many renowned talents in the cultural, literary and arts scene among our graduates. The Chung Cheng Total Curriculum Framework focuses on delivering a forward-looking curriculum for the 21st century, equipping all students with the values and skills that will enable them to excel in the evolving global landscape. As an institution of eminence, the school offers an immersive environment that is well resourced to deliver quality education well into the 21st century.

School Vision : A community of positive and future-ready leaders with a mindset for excellence

School Mission : Nurturing lifelong learners with a global outlook, anchored on values and competencies to serve and to lead

School Philosophy, Culture and Ethos

Chung Cheng High School (Yishun) offers a quality values-driven holistic education to develop learners and leaders who have the mental and emotional attitudes to strive to be better than their personal best, understand global connections and acquire 21st CC life-skills to create a better future for themselves and others. Our focus on Positive Education results in a caring and positive environment committed to students' well-being. Guided by school core value of With Integrity We Live; With Empathy We Care; With Grit We Persevere; With Gratitude We Serve, students are disciplined, diligent and discerning in the pursuit of knowledge. Our students can embrace change, seize opportunities and are willing to take calculated risks so as to overcome challenges. Being compassionate, caring and grateful, they proactively contribute to improving the lives of others in the local, national and global community. Through self-reflection for continuous improvement, they stand up for what is right and demonstrate honesty and responsibility in their actions, thus living up to the school motto of 'Success through Diligence and Perseverance'.

Subjects Offered

Special Student Development Programmes Offered

The Learning for Life Programme 'Developing Character by understanding Chinese culture and values through Aesthetics' imbues in students a deeper understanding and appreciation of Chinese culture, values and philosophy through music and the arts. They develop critical thinking skills and effective communication through music and the arts. It complements the school-based Dizigui curriculum that includes the teaching of Chinese morals and values. The Applied Learning Programme 'Food Science and Technology' offers students an opportunity to apply their scientific knowledge, skills and block-based coding through app development and micro:bit. Students are developed in Scientific and Digital Literacy, Critical and Inventive Thinking and Communication, Collaboration and Information Skills. For students who enjoy hands-on experimentation and independent scientific thinking, the Young Scientist Programme offers them an opportunity to carry out investigative scientific or engineering projects under the guidance of mentors from external tertiary institutions. The Positive Leadership Programme develops students to lead and make a difference (e.g. Student Council, Monitor Council, Peer Support Leaders, CCA leaders, NE and School Ambassadors). Inculcating a global mindset and awareness in students is achieved through bicultural learning, immersion exchange, talent and leadership development and service-learning offered by the CC Global Classroom Programme.

School Vision : To be a vibrant community of learners, with the heart to value every individual and the spirit to serve and to excel.

School Mission : To develop in every Clementeen the passion to learn, the confidence to lead, and the humility to serve.

School Philosophy, Culture and Ethos

In our CTSS journey towards excellence, we believe that every Clementeen can aspire and grow in character, citizenship and skills. Within a caring environment and in partnership with parents as well as the community, we constantly strive to inculcate the school values of 'Adaptability, Self-Discipline, Perseverance, Integrity, Respect and Empathy' (ASPIRE) in every Clementeen, so that they are future-ready. In the development of our staff, we focus on building a passionate, innovative and engaged team, with a strong culture of lifelong learning and collegiality. We believe that teachers hold the key to unleashing the passion and potential of our students, while leaders are the catalysts of change.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE (SPECIAL PROGRAMME), CHINESE N(A), COMPUTER APPLICATIONS, COMPUTING, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

CTSS places a strong emphasis on providing a holistic education to every Clementeen. Our programmes are designed in line with the school's Teaching and Learning framework. These include signature programmes such as Learning for Life (LLP) and Applied Learning (ALP) that all students experience, special programmes for those with unique talents as well as support programmes for weaker students. We focus on inculcating values, skills and dispositions in all Clementeens so that they are in good stead to thrive with passion and purpose in the future. As part of the LLP, CTSS develops leadership qualities in our Clementeens using the 'Five Practices of Exemplary Leadership' model by Kouzes and Posner. Our character development programmes for all students include '7 Habits for Highly Effective Youths' and a structured Service Learning programme that is designed to increase students' self-directedness and collaboration skills over the years. Our ALP, which is C.O.D.E. (Computing to Discover and Empower), builds a foundation for students to thrive in the digital age by introducing them to computational thinking and programming. Other special programmes include Drama-in-Curriculum, Science Talent Development Programme and Project Work.

CCAs Offered

School Vision : Every CommonWEALTHian a Confident Learner, Compassionate Leader and Imaginative Trailblazer.

School Mission : Nurturing Commonwealthians as Champions of Today and Leaders of Tomorrow.

School Philosophy, Culture and Ethos

Commonwealth Secondary School believes that every child is unique and can grow to champion something worthy in the future. Anchored in our WEALTH values (Warmth, Enterprise, Adventurousness, Loyalty, Tenacity, Honour), every child is mentored by a Champion Mentor from Sec 1 to graduation, to be a Compassionate Leader. They will discover their strengths, strive for excellence and identify a meaningful purpose that they would champion. A thriving community for innovation, discovery, expression and accomplishment, we nurture Confident Learners with a Growth Mindset and the 5 Minds (Disciplined, Synthesising, Creating, Respectful, Ethical) for the future. As the West Zone Centre of Excellence for Design and Innovation, we develop Imaginative Trailblazers through school-wide Design Thinking and Trailblazer Maker education as well as provide professional development for educators from other schools in using Design Thinking and Maker Education to develop joy of learning and entrepreneurial dare in students.

School Vision : World Ready Youth - Innovative contributors, upright citizens with a global outlook

School Mission : We develop our students to their fullest potential through a balanced education and instil in them a passion for living and learning.

School Philosophy, Culture and Ethos

We believe there is a star in each of our students and help every student find their compass in life. We call our students 'North Stars' and our School Motto is 'Realising the Star Within'. Our students recite the North Star's Pledge every Monday-'I will learn and find my compass; I will excel and strive to go far; I will grow and live a life of purpose; I will shine as I am a North Star.' We aim to foster a vibrant learning community through positive education, diverse programs, quality school experience and opportunities for all. Our culture and ethos are 'Achieve our Best, Believe in Ourselves, Care for One Another and Diversity in Harmony.' Our school values are G2R3IT-Graciousness, Gratitude, Respect, Responsibility, Resilience, Integrity, Teamwork. Our North Star Education Program develops our students to be world and future-ready, with the right values and 21st century competencies. Our instructional program is based on i-TEACH Framework for integrated, engaged and assessed learning, with teachers as curriculum innovators, collaborative learners and holistic educators. Our school-wide pedagogies include Inquiry-Based Learning, Making Thinking Visible, ICT Active Learning, Self-Directed & Collaborative Learning. We focus on academic excellence with our PrIME (Proaction, Intervention, Motivation, Empowerment) framework and strategies such as Personal Education & Career Plan/Aspirational Target Setting for all students, ASPIRE motivational program for all graduating students and various learning support programs for low progress learners and high needs students etc.

CRESCENT GIRLS' SCHOOL

357 TANGLIN ROAD S(247961)
(Tel) 64758711 (Fax) 64741248
Website Address: <http://www.crescent.edu.sg>

Option Code : **3005**

School Vision : Ladies and Leaders of Tomorrow

School Mission : We nurture Crescentians to be Confident Learners, Global Citizens and Servant Leaders.

School Philosophy, Culture and Ethos

Crescent Girls' School provides a nurturing and innovative environment with a distinctive brand of education that empowers generations of students to grow into gracious and confident ladies, and caring visionary leaders. The school focuses on transforming the learning experiences of students through pervasive and purposeful use of technology. As one of the pioneer FutureSchools@Singapore, we continually harness technology to develop in our students a passion for learning and for life so that they are well-prepared for the challenges of the 21st century. Beyond academic excellence, the school is committed to inculcating sound values in our students so that they are able to contribute to the community. There is a pervasive culture of care in the school, and a strong emphasis on development of strength of character, focusing on moral courage, resilience, empathy and commitment to teamwork to nurture our students to be responsible members of society and gracious citizens of the world. The school has done well in many aspects over the years. This is possible due to a team of dedicated and innovative staff and the support of parents, alumnae and the school advisory committee.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, CHINESE (SPECIAL PROGRAMME), DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER MUSIC, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY (SPECIAL PROGRAMME), MATHEMATICS, MUSIC, MUSIC 'O' LEVEL, PHYSICAL EDUCATION, PHYSICS, SCIENCE, TAMIL

Special Student Development Programmes Offered

The school's Student Development Programmes are offered within our Student-centric Holistic Curriculum. In our Instructional Programmes, students are exposed to a myriad learner-centric teaching approaches that extend learning beyond the classroom and empower our students with 21st century competencies like collaboration, global awareness, skilled communication and real-world problem solving. Our 4-year Character & Leadership Development Programme provides all students with opportunities to develop their leadership potential. Our Values in Action Programme equips students with problem-solving skills and provides them with platforms to engage with the community, with the aim of inspiring and empowering them to make a difference in society. All students have opportunities to travel overseas in our Service Learning Programme, which aims to develop a sense of empathy, civic responsibility and cross-cultural skills in our students. Our Talent Development Programme aims to stretch our able, committed and creative students further. The school also offers the Music Elective Programme for students who are passionate about music.

DAMAI SECONDARY SCHOOL

Option Code : **3056**

4800 BEDOK RESERVOIR ROAD S(479229)

(Tel) 64436848 (Fax) 64425629

Website Address: <http://www.damaisec.moe.edu.sg>

School Vision : A Purposeful and Meaningful Life

School Mission : To imbue students with sound moral values, journey with them on their exploration to discover themselves, their interests and talents, and nurture them to always do their best.

School Philosophy, Culture and Ethos

Damai Secondary School aims to nurture students into upright citizens who are determined to do their best always to fulfil their purpose in life in a meaningful way. We believe everyone has the capacity to contribute to the good of society and make a positive difference in everything they do, and every individual has a role to play and a purpose in life. The school will create opportunities for students' growth and development laying a strong foundation for them to build their future upon. The school will provide students with opportunities to discover themselves through their studies, interaction and engagement with others (peers, teachers as well as the wider community), active participation in school activities and programmes, application of values and skills learnt in authentic settings, and reflections on lessons learnt. Imbued with sound values and a positive attitude towards learning and life, students will be able to make informed decisions on the paths they should take upon completion of their studies at Damai Secondary School.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, RETAIL OPERATIONS, SCIENCE (PHY, CHEM)

Special Student Development Programmes Offered

The school offers a range of programmes to support students' development. These include: 1. Applied Learning Programme (ALP) which caters to the aptitudes, skills and knowledge related to Science, Technology, Engineering and Mathematics (STEM). Our STEM-ALP focuses on Environmental Sciences and Sustainability. This programme aims to (i) inspire students on a journey of self-exploration and self-discovery, (ii) hone students' 21st century competencies and innovative spirit through authentic experiences, and (iii) strengthen students' awareness of major environmental issues and their impact on humanity and mother Earth. With this early exposure, students will have the opportunity to explore their interests and talents in careers in the related fields. 2. Learning for Life Programme (LLP) which aims to build character, citizenship and leadership through water and adventure sports. Students will have opportunities to attain a Kayak 1-Star award, and enjoy experiences such as Dragon boating, flow-riding, scuba-diving, stand up paddling or windsurfing. Incorporated into the LLP are programmes/activities related to leadership training, life skills and Values-In-Action. 3. Level-wide programmes including academic and National Education-related learning journeys; comprehensive Values-In-Action Programme as well as Sec 2 and Sec 3 cohort camps.

DEYI SECONDARY SCHOOL

1 ANG MO KIO STREET 42 S(569277)

(Tel) 64561565 (Fax) 64583364

Website Address: <http://www.deyisec.moe.edu.sg>

Option Code : **3228**

School Vision : Active Learners, Gracious Citizens

School Mission : Inspiring Lives, Nurturing Talents, Realising Dreams

School Philosophy, Culture and Ethos

Deyi Secondary School is guided by our philosophy that every child entrusted to our care is a gem and our teachers' role is to help each child unleash his potential and fulfil his dream. We endeavour to develop our students to become self-directed learners who actively seek out knowledge and make meaning of what they learn for themselves so that they are better prepared for the challenges of the 21st century. We strive to nurture concerned citizens who exercise self-leadership and civic-mindedness, and contribute towards the betterment of society. Our students manifest deep-rooted values through gracious thoughts and actions, and display a global outlook by embracing diversity and differing perspectives.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, DRAMA, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), MALAY, MATHEMATICS, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), TAMIL

Special Student Development Programmes Offered

Deyi's ACTIVE VOICE BROADCAST JOURNALISM introduces students to the basics of Broadcasting & Journalism, which strengthens language literacy, critical thinking and communication skills. The ALP covers Mass Communication & Media, ICT in Information Gathering, Writing & Presenting. Students will have a greater engagement with language learning, thus gaining a deeper understanding of the uses, impact and influence of language in becoming competent, confident and effective communicators. Deyi's AC3Tive Framework also provides impetus to our MIKEMON curriculum innovation project, by adding a fun twist on language acquisition with engagement in pen-it-down and mike-it-up tasks, to foster Joy of Learning across a range of subjects and topics. Complementing the ALP is our Learning for Life Programme which nurtures gracious contributing citizens through our distinctive ARTS EDUCATION with our signature Drama-in-curriculum modules. Through our Talent Development Programme, students with a deeper passion and aptitude in Music/Drama are further developed to receive accreditation from reputable international institutions and are eligible to pursue Drama O-Levels. Level Camps (NAVIGATION; SYNERGY; CONQUEST; PINNACLE) are part of our CCE programme that provides authentic experiences to acquire and practise school values, and develop physical, social and personal skills. Our YOUTH SOCIAL ENTREPRENEURSHIP is another exciting collaborative platform engaging students with social issues and problem-solving skills to help beneficiaries through hands-on community service projects. We believe that every student is a leader and our Student Leadership Development Programme develops them into confident leaders who contribute actively. Along with learning journeys, field trips, experiential learning, and education & career guidance conducted in partnership with the institutes of higher learning, our students are prepared holistically for the future.

School Vision : Lifelong Learners, Caring Leaders

School Mission : Nurturing Dunearnites to learn with passion and lead with purpose

School Philosophy, Culture and Ethos

Dunearn Secondary School provides a holistic education for all its students. We believe that all students have the potential to learn and that, through determination and discipline, they will achieve optimum growth in a challenging yet supportive and caring environment. We develop our students to be self-directed learners through the strategies of differentiated instruction and collaborative learning, with emphasis on building good character.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T)

Special Student Development Programmes Offered

In line with developing 21st Century Competencies, students engage in Collaborative and Self-Directed Learning. Alternative assessment modes include coursework, journalling and skills-based investigations. The school has programmes for high achievers, including its Science Ambassadors and Ace in Mathematics programmes. Elective Modules and Advanced Elective Modules provide opportunities for real-world learning. The school's Applied Learning Programme in Food Science and Technology seeks to develop students' creativity, confidence and interest in Science and Technology. The school works with external organisations to design customised programmes such as After-School Engagement and Enhanced Step-Up programmes. Character and Citizenship Education lessons integrate the teaching of school values with the teaching of Social-Emotional Competencies. The Dunearn Character Development Profile is a formative assessment tool to help students take ownership of their character development. Pupil Teacher Relational Time is dedicated time for Form Teachers to conduct structured dialogues with students. The school emphasises the internalisation of values and putting them into action through its differentiated Values in Action (VIA) programme. Students are involved in learning about and understanding issues pertaining to the environment, school, and local and overseas communities. Education and Career Guidance is implemented through Values Education lessons, visits to post-secondary institutions, and the school's Higher Institutions and Careers Week. The school's Learning for Life Programme focuses on Community Youth Leadership, which seeks to permeate a culture of school-wide community youth leadership development. It is the school's vision that all students will acquire the necessary knowledge, skills and values to be a personal leader, a team leader, a community leader, and a global leader.

DUNMAN SECONDARY SCHOOL

Option Code : **3207**

21 TAMPINES STREET 45 S(529093)

(Tel) 67862668 (Fax) 67842164

Website Address: <http://www.dunmansec.moe.edu.sg>

School Vision : An institution of excellence which nurtures ethical change-makers.

School Mission : To instill in our students the school values of Discipline, Determination, Discernment, Duty and Daring that shall be the hallmark of a Dunmanite.

School Philosophy, Culture and Ethos

As a high-performing Autonomous School, our value proposition is Dunman Aspires, Builds and Cares. We Aspire to be better than we ever imagined we could be. We believe in each child's different abilities and his potential to become an inquiring and independent learner who owns his learning outcomes. We Build people as we are one community. We provide a rigorous and holistic education which nurtures students to excel in lifelong learning. We dare to innovate and challenge our students and staff to do things differently. We place a premium on character development and positive teacher-student relationships. Together with the strong partnerships forged with parents and stakeholders, we believe that our high-care, high-expectations approach to nurturing the child will prepare them to be future-ready. We Care by giving back to others, through instilling in students values and character that will essentially shape them into well-rounded and contributing members of society.

Subjects Offered

Special Student Development Programmes Offered

As the East Zone Centre of Excellence for Innovations in Science, the school has a high-end Life Sciences Research Centre and an exciting Science enrichment programme 'ELIXiR' (Explore, Life, Innovations, eXcel, individual Responsibility). We provide a vibrant school-based curriculum such as MEDAL, which integrates Music, English and Literature. Students also undergo an ICT-driven Science Project Work where they work collaboratively and independently to create mobile apps, micro:bit programming or 3D printing. Our robust Character and Citizenship Education Programme provides every student with leadership opportunities. The school offers its Global Education Programme with the desire to allow every Dunmanite to have an overseas experience to develop global awareness and rootedness to Singapore. Our vibrant Values-in-Action programme enables students to serve the community and society at large. The school is one of the five pilot schools selected by MOE to implement a total curriculum that infuses the teaching of 21st century competencies. The Dunman All-Round Excellence (DARE) Framework undergirds our focus on holistic education to nurture ethical change-makers. All learning takes place in a technologically well equipped learning space that supports the school's aspiration to be a SMART school.

EAST SPRING SECONDARY SCHOOL

Option Code : **3609**

30 TAMPINES STREET 34 S(529231)

(Tel) 65873805 (Fax) 65873804

Website Address: <http://www.eastspringsec.moe.edu.sg>

School Vision : Creative Learners, Upright Leaders, Global Thinkers

School Mission : To nurture East Springians to be self-directed, compassionate citizens with a passion for excellence and life-long learning.

School Philosophy, Culture and Ethos

At East Spring Secondary School, we strive to enable all students to uncover their strengths and experience success, through a holistic curriculum anchored on innovative teaching and learning, as well as solid character and student leadership development. Aimed at moulding students into future-ready learners, teaching and learning experiences are designed to promote inquiry and application in real-world contexts, leveraging technology to stimulate students' curiosity and thinking. Character education and leadership development, infused in the school's CCE lessons and co-curriculum, are built on the belief that every student can be progressively developed into a leader of self and person of influence who makes a difference to the community. These outcomes are made possible with the commitment of a nurturing and synergistic staff, as well as the support and collaboration of parents and external partners. Through the diverse learning opportunities provided by the school, we are confident that every East Springian will emerge as a creative learner, upright leader and global thinker to meet the challenges of the 21st century.

EDGEFIELD SECONDARY SCHOOL

Option Code : **3075**

36 PUNGGOL FIELD S(828814)

(Tel) 68839511 (Fax) 63153120

Website Address: <http://www.edgefieldsec.moe.edu.sg>

School Vision : Collaborative Innovators, Compassionate Leaders

School Mission : Growing Minds, Glowing Hearts

School Philosophy, Culture and Ethos

At Edgefield, we believe in nurturing our students to be 'Future Ready'. Framed by Five Minds for the Future, our curriculum nurtures Innovators who collaborate actively with others to design and develop creative solutions to problems, and are resilient in facing setbacks and challenges. They are also Compassionate Leaders who are inclusive, with the moral courage to do what is right in contributing positively to the society. We practise mixed stream form classes in support of full subject-based banding that all schools will be implementing. Built by a dedicated team of experienced educators, equipped with the newest facilities and powered by meaningful use of technologies, the Edgefield Community prides itself for its curriculum innovation in providing the ideal learning environment and experiences for our students. Edgefield Secondary School looks forward to this educational partnership with you and your child.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T)

Special Student Development Programmes Offered

(1) Applied Learning Programme - Growing the Edgefield Mindset(G.E.M.) develops students with future ready capabilities through carefully designed authentic learning experiences. It develops empathy, enables students to be alert to opportunities, and be complex problem solvers. They learn and apply divergent and convergent thinking, acquire communication and collaboration skills through group work and innovative thinking. Students leverage technology in a multi-disciplinary approach to solve real-world problems and benefit the community. Students deepen their interests and passions through various platforms such as external competitions, CCAs and school events.(2) Learning for Life Programme - Character Education through Sports anchored on Taekwondo. Sports have the transformative power to develop good character, by inculcating positive values such as benevolence, resilience, courage, self-reliance, quick thinking and respect for others. These qualities would enable students to contribute meaningfully to society as well as make learning a lifelong journey.(3) Technology-Enhanced Learning. Through 1:1 personalised learning using iPads, the school integrates cyber wellness and digital literacies across our total curriculum. As a pilot of MOE Personalised Digital Learning Programme since 2019, EFSS nurtures our students to be autonomous learners, ready to embrace new opportunities.(4) School-Wide Programmes: Thinking and Research (eg Future Problem Solving, Odyssey of the Mind), Language Arts, MTL Enrichment, Journalism and Broadcasting, PrimeTime@Edgefield (Contemporary issues).(5) Other Specific Programmes: Internationalisation, Scholar/Potential Development, Applied Science, Leadership Development, OBS, Sustainable Development, Tan Kah Kee Young Inventors

EVERGREEN SECONDARY SCHOOL

11 WOODLANDS STREET 83 S(738489)

(Tel) 63656392 (Fax) 63658083

Website Address: <http://www.evergreensec.moe.edu.sg>

Option Code : **3623**

School Vision : A dynamic community that thinks and cares.

School Mission : We nurture citizens of character with the passion to contribute and excel.

School Philosophy, Culture and Ethos

Evergreen Secondary School wants to nurture our students to become Caring Leaders and Thinking Citizens. We endeavour to know every child, support them in exploring their own strengths, and affirm them of their abilities to make a difference. We believe every student who aspires to do well can succeed given the right support from parents and teachers. We recognise the importance of forging effective partnerships with our parents in addition to building a team of dedicated and competent teachers. In preparing our students for the challenges of the 21st Century, our curriculum is innovative and forward-looking, and is undergirded by sound values. A dynamic community that thinks and cares, Evergreen Secondary School has put in place quality programmes that take into consideration student aspirations, interests, and talents. Students will be nurtured to develop a passion in what they do, and a belief that they can contribute and excel wherever they are.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (PHY, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T)

Special Student Development Programmes Offered

Our Applied Learning Programme (ALP English Language) develops all students into Effective Communicators, Caring Leaders and Inventive Thinkers through a 3-year Communications Curriculum. Through Effective Reading, Debates and Presentations, students develop analytical, critical thinking, collaboration and oratorical skills. Talent development programmes such as the Model United Nations, e-Journalism and the Odyssey of the Mind, allow students to further hone their interest. From 2020, we are one of four schools offering the Enhanced ALP (Mother Tongue Languages). Over a 3-year curriculum, Chinese and Malay Language students are exposed to a range of experiences such as traditional medicine, public speaking, debates, creative compositions and song-writing, to develop a deeper appreciation of their Mother Tongue. Our Learning for Life Programme (LLP) is a 4/5-year experience that focuses on Strengthening Resilience, Character and Leadership through Sports Education. We aim to nurture all students to become thinking and caring leaders who take personal responsibility for maintaining an active and healthy lifestyle. Students experience a broad-based PE curriculum and authentic applications of lessons on resilience and leadership through outdoor programmes, CCA and working with partners. A comprehensive 4-year Service Learning structure provides opportunities for students to engage with, and serve the community. This empowerment allows them to internalise values and sharpen leadership skills. The school also offers a structured Science and Technology Research Programme to stretch the potential of students with deep interest in Science, by providing them with opportunities to work on research projects under the guidance of dedicated teachers. Another feature of the school is its rich CCA experiences. With a variety of exciting and quality CCAs to choose from, students will find their schooling experience enriching and memorable.

CCAs Offered

Physical Sports : BADMINTON, CROSS COUNTRY, NETBALL, RUGBY (BOYS), TABLE TENNIS, TOUCH RUGBY (GIRLS), VOLLEYBALL

FAIRFIELD METHODIST SCHOOL (SECONDARY)

Option Code : 7309

102 DOVER ROAD S(139649)

(Tel) 67788702 (Fax) 67797482

Website Address: <http://www.fairfieldmethodistsec.moe.edu.sg>

School Vision : A Vibrant Community of Active Lifelong Learners and Influential Leaders

School Mission : To provide a holistic education in a Christian environment to nurture leaders of good character who are equipped to serve God, nation, community and school

School Philosophy, Culture and Ethos

Founded in 1888 by a missionary, Miss Sophia Blackmore, Fairfield provides a holistic education based on Christian values. Believing that God places students in our school for a special reason, we help students develop their talents and nurture the Fairsian Outcomes of wisdom, personhood, commitment to community and heart of service. The Fairfield curriculum is undergirded by the WHEEL philosophy to provide Fairsians with holistic, enriched and experiential learning. We strongly believe that education should go beyond the syllabuses--that students should explore beyond the classroom and be engaged in meaningful and authentic experiences in order that deep learning can occur. The Fairfield curriculum also seeks to develop a strong personal voice in our student leaders so that they can exert a gracious and positive influence on the community.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), PHYSICAL EDUCATION, PHYSICS, SCIENCE, SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T)

Special Student Development Programmes Offered

The Fairfield Learning EXperience (FLEX) week is a signature programme which exposes students to various aspects of holistic education outside the classroom: Social Awareness, Outdoor Education, Values-in Action and Educational & Career Guidance. The school also prepares students to speak with confidence both in English as well as their Mother Tongue through the Voice of a Fairsian Oracy Programme. Besides learning to be effective communicators, students develop a personal voice with which they articulate, persuade and convince others. The Inter-disciplinary River Studies Project and Community Problem-Solving Project also enable our students to develop academic thinking and skills. Our Character & Citizenship Education Programme, weekly Chapel and daily devotions emphasise values and equip students with important lifeskills. To bring about a student-led school, the Sophia Blackmore Leadership Programme trains all students to lead themselves and influence their peers. More specific and specialised training is also provided to advance the leadership competencies of student leaders.

CCAs Offered

School Vision : A Vibrant Community of Learners who Lead and Contribute to Family, Nation and Beyond.

School Mission : To Grow a Vibrant Community of Leader-Learners of Character who Contribute to Family, Nation and Beyond.

School Philosophy, Culture and Ethos

We strive to develop all our students to be learning leaders firmly anchored in sound moral values through a student-centric, values-driven education within a holistic learning environment. These values are infused into the academic curriculum, the Applied Learning Programme (ALP), the Learning for Life Programme (LLP) and the Character and Citizenship Education (CCE) curriculum. Our team of committed staff builds strong teacher-student relationships and trust, as we nurture our students in developing sound character to give their best to realise their dreams with courage, to succeed in life and contribute to the school, family, nation and beyond.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY B, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, MUSIC NT LEVEL, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

The school is committed to equipping our students with the necessary 21st Century Competencies (21CC) via our CCE curriculum, Values In Action programmes and Service Learning, a vibrant CCA programme, Applied Learning (ALP) and Learning for Life (LLP) Programmes. Our ALP on 'Sustainability' seeks to enable our students to attain the relevant knowledge, in particular, the Scientific Thinking and Engineering Design approaches. We also seek to develop 21CC in our students, especially Applied Critical and Inventive Thinking Skills (ACIT), values and attitudes to enable them to contribute positively and effectively to a sustainable 21st century world. Our ALP makes relevant the knowledge in our classrooms to our students' daily life experiences via authentic learning tasks, and enables our students to learn the process skills of design thinking, problem-based learning, and inquiry-based learning. The school is committed to bringing out the leadership potential in every student through our Student Leadership Programme (our LLP). This programme aims to build in our students the necessary 21st century skills, core values, and social and emotional competencies to face the challenges of the future. Our 'Educate-Encourage-Empower' framework and whole school involvement ensure an integrated and systematic student leadership development effort. Every student is 'educated' with an enhanced awareness of leading self and others. Recognition structures are in place to 'encourage' development and personal mastery of leadership skills. Our students are also 'empowered' to undertake self- and class-initiated projects, to organise student-led programmes, and to give feedback and take action for school improvement.

FUCHUN SECONDARY SCHOOL

Option Code : **3024**

21 WOODLANDS AVENUE 1 S(739062)

(Tel) 63681984 (Fax) 63670180

Website Address: <http://www.fuchunsec.moe.edu.sg>

School Vision : A Learner, A Leader, An Explorer

School Mission : Nurturing Life-long Learners, Empowering Them to Lead, Inspiring Them to Explore

School Philosophy, Culture and Ethos

Every child matters in Fuchun. Our dedicated team of teachers exercise discipline with care because we believe in preparing our students not just for examinations, but for life. We are proud of our culture of care and emphasis is placed on building the school values of Integrity, Camaraderie, Adaptability, Responsibility and Excellence (ICARE) through our teaching and co-curriculum. Our students develop resilience through the high standards we expect of them in everything that they do. Every student is teachable and can excel. We ensure that the needs of learners of various abilities are catered for through our customised teaching and learning programmes, including the use of information and communication technologies. Our academic framework, ACE3 (Assessment, Collaboration, Engagement, Experimentation and Experience), allows this through various modes of assessment, including formative assessments, enabling our students to collaborate, and the engagement of our learners through a rich curriculum, delving in experimentation and learning through experience. To this end, we work closely with our community partners, institutes of higher learning and members of our Parents Support Group who are encouraged to be actively involved in their children's joy of learning.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, HIGHER CHINESE, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL

Special Student Development Programmes Offered

Your child is unique, blessed with talents and fired with passion in his or her interests which is why, within our framework of holistic development, we provide a host of exciting opportunities to maximise the potential of your child through various Talent Identification Programmes. We offer two distinctive programmes - the Applied Learning Programme (ALP), 'Innovations in Science and Technology for SustainAbility' to engage students in simulation, modelling and mBot, and the Learning for Life Programme (LLP), 'Values Through Dance', which students develop character through dance and other performing arts in school. To nurture life-long LEARNERS, we introduce interdisciplinary project work at Lower Secondary, task-based assessments and Values-In-Action projects at Upper Secondary to imbue life skills and 21st Century skills. Our student LEADERS are active contributors to community work. Fuchun Secondary offers all students opportunities to develop their leadership skills and confidence building workshops. Believers in the green cause can participate in our environmental programme that has earned various accolades including the SEC's highest achievement, the Vanda Miss Joaquim Award. Aligned to our vision of every student an EXPLORER, our students enjoy opportunities to learn beyond the classroom and participate in overseas trips in their 4-5 years in Fuchun Secondary.

School Vision : Premier School, Serving Community

School Mission : Nurturing The Whole Fuhuanite

School Philosophy, Culture and Ethos

Fuhua Secondary School was established in the year 2000. We are committed to nurturing the whole Fuhuanite, who is Outstanding, Upstanding and Ready for the Future (OUR Fuhuanite). To this end, the school provides opportunities for all students through a rigorous total curriculum comprising academic and co-curriculum - delivered and facilitated by caring teachers who emphasise the teaching of school's core values - RISE (Respect, Integrity, Service and Excellence) and focus on character-building. Fuhua aims to strengthen the positive school culture centred on Values, Collaboration and Learning, and within this context seeks to develop thinking and thoughtful Fuhuanites who will thrive in life.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (PHY, CHEM), SOCIAL STUDIES N(T)

Special Student Development Programmes Offered

To cultivate confident and self-directed learners with 21st Century Competencies, the school offers a rigorous and enriched academic curriculum. Every department has its own signature programme that provides an enriching learning Experience for every student. These signature programmes include IGNITE (English Language Department) learning journeys and field trips (Humanities Department), Mother Tongue Fortnight (Mother Tongue Department) and ICT Skills Modules (IT Department) among others. Students are provided specialised platforms to hone their talents so that they can Excel in their areas of strength. For instance, pull-out classes are conducted for students who display exceptional talent in Mathematics and the Sciences which culminate in them either completing a research project or participating in a competition (e.g. the Olympiads). Lastly, students are Exposed to the application of their learning in the real world through partnerships with industries and institutes of higher learning. The school has also established an Applied Learning Programme (ALP) in Forensic Science which distinguishes itself by leveraging experiential learning to develop in students an investigative mindset, a curious outlook and critical thinking skills. To develop concerned citizens and active contributors, the school delivers a robust Character and Citizenship Education (CCE) through a wide offering of co-curricular activities and a formal CCE curriculum. These are integrated with a suite of programmes including National Education and Values In Action programmes. The school's Learning for Life Programme, "Leadership Through Service", provides exciting and meaningful platforms to help develop Fuhuanites' leadership competencies through service so as to enable them to contribute to the betterment of society as socially responsible citizens.

School Vision : Gessians of Excellence, Standing and Significance.

School Mission : Our school is a community that nurtures the best in each and strives ever ONWARD.

School Philosophy, Culture and Ethos

Founded in 1885, the school motto "ONWARD" has inspired generations of Gessians to be forward looking and active in their contributions to the community and nation. GESS strongly believes in providing a quality school experience that will enable all students to be innovative thinkers, collaborative learners, principled leaders, and love embodied, fulfilling the four aspects of our Gessian portrait. We believe that education in the 21st century is about nurturing the whole person in an environment where every student and staff member is valued, encouraged and empowered to excel, learn and care for others, and where their accomplishments are celebrated. The school designs a wide range of academic and student development programmes to provide students with both formal and informal learning opportunities. The school's CCE curriculum engages every student's head, heart and hands, and all of them will go through programmes such as level camps and community and youth leadership events that focus on developing self-mastery skills and enable them to contribute to the community. As a pilot school for the Full Subject-Based Banding (FSBB), GESS offers greater customisation of learning based on students' subject-specific strengths and interests. This is aligned with our Founder's vision of enabling students of all backgrounds and abilities to learn and grow as a community.

Subjects Offered

ADDITIONAL MATHEMATICS, ART 'O' LEVEL, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MOBILE ROBOTICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

The GESS LIFE programme seeks to develop students to be confident and effective student leaders who positively impact their community through the 3D approach - Discovering myself, Developing good habits, and Designing our world. Through a series of experiential learning activities, students develop greater self-awareness that enables them to hone their socio-emotional competencies as well as uncover and leverage their strengths. They are also equipped with lifelong learning skills to improve the lives of others via multiple platforms provided by the school and the community. The GESS Applied Learning Programme (ALP) is anchored on the Design Thinking framework and leverages the theme of sustainability to foster future work skills such as innovative thinking and collaborative learning in students. The multidisciplinary approach enables different subjects to helm the ALP at different levels, with Design Thinking elements interwoven in a seamless manner during a student's journey in GESS. Students who exhibit the aptitude and passion for specific interest areas are chosen for external competitions and showcases. GESS also takes great pride in its vibrant and award-winning CCAs which nurture students' enthusiasm and commitment to bring out the best in themselves and others.

CCAs Offered

Physical Sports : BASKETBALL (BOYS ONLY), CANOE SPRINT TEAM, CROSS COUNTRY, FOOTBALL (BOYS ONLY), TABLE TENNIS (GIRLS ONLY)

School Vision : Passionate Learners. Courageous Leaders. Caring Citizens.

School Mission : With God's help, to be a beacon of light by connecting, nurturing and inspiring GEMS to make a difference.

School Philosophy, Culture and Ethos

Founded in 1924, the School continues to stay true to its mission by developing passionate learners, courageous leaders and caring citizens who make a difference to the community. We are a school where lives are connected through meaningful friendships. We create a caring and conducive environment for learning and teaching, where our students are inspired, lives are touched and ideas germinate and flourish. We do this for the purpose of nurturing students who are grounded in sound moral principles with the disposition to learn for life and to be useful members of society by being positive influences to the world around them.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), EXERCISE AND SPORTS SCIENCE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T)

Special Student Development Programmes Offered

The School nurtures students' talents, interests, character and leadership qualities via a vibrant CCE curriculum and programmes such as the Learning for Life Programme (LLP) in Community and Youth Leadership, the Applied Learning Programme (ALP) in Environmental Science and Sustainable Living and the GEMS Challenge for all our Sec 3 students. The LLP equips students with critical inquiry skills, public speaking skills and leadership competencies via various Values in Action platforms. Our signature GEMS Challenge stretches students in their areas of strength and passion. Students choose a challenge made available by the school and they train to overcome it in the first half of their Sec 3 journey. The challenges cater to various student interests and include cycling, trekking, participating in the Model United Nations, overseas immersion trips and many others. We also have vibrant CCA programmes spanning 21 CCAs, the Music, Art, Dance and Drama (MADD) enrichment programme and level camps. Through these, we develop all-round students who strive to contribute to our community.

CCAs Offered

Website Address: <http://www.greendalesec.moe.edu.sg>

School Vision : Learners. Thinkers. Leaders

School Mission : Nurturing Talents. Developing Character. Inspiring Lives

School Philosophy, Culture and Ethos

The school believes in providing an enriching and holistic educational experience for all students. In this respect, we have designed vibrant and engaging Instructional Programmes and Co-curricular Programmes that are aligned to the school's TEACH and LEARN Protocols, incorporating active and innovative learning strategies, as well as leveraging the Environment as the 3rd Teacher. We are resolute in forging a culture of care, learning and excellence that will develop our students to be Committed Learners, Critical Thinkers and Confident Leaders. In recent years, the school has achieved outstanding results in both the academic and co-curricular areas. The stellar growth of the school has been made possible by the single-minded commitment and dedicated care of the staff, and the efforts of the School Advisory Committee, Parent Support Group and Alumni. Through the many exciting experiences in Greendale, we are confident that students will learn to embrace our school motto: Serve the community; Lead by example; and Excel in all endeavours.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SMART ELECTRICAL TECHNOLOGY

Special Student Development Programmes Offered

We believe that every child is unique and talented. Our Talent Development Programme offers students an enhanced learning experience, centred on the 3E approach of 'Exposure, Extension and Excellence'. Students are Exposed to and engaged through different learning experiences and platforms. Their learning is Extended through deepened knowledge and skills acquisition via specific and special enrichment classes. Finally, students will be able to pursue and achieve Excellence in the cognitive, aesthetics, sporting and life skills domains through targeted activities such as national competitions. Through the school's Applied Learning Programme (ALP) in 'Design, Technology and Engineering', students develop in-depth knowledge in engineering and technology, while acquiring critical and inventive thinking skills. Students will learn how to Design, Code and Build through exposure to Computer Aided Design software and Arduino programming language. Through the ALP, students will acquire 21st century skills such as design thinking, problem-solving strategies as well as creative and critical thinking techniques to solve real-world problems. The school's Learning For Life Programme (LLP) in Outdoor and Adventure Education develops students in their character attributes and specific skillsets through concrete experiences and challenges. Students step out of their comfort zones to develop qualities of resilience, initiative and self-reliance, and competencies in leadership and teamwork. They acquire a range of skills in outdoor activities, building them up as confident leaders. Student Leadership is a key competency we strive to develop in students. All participate in a level camp every year to develop physical, social, leadership and personal skills. There will also be opportunities for students to undergo our Aspiring Leaders and Inspiring Leaders Training Programmes and Camps. Based on the principles of Servant Leadership, we nurture confident leaders with the heart to serve.

CCAs Offered

School Vision : Dynamic Thinkers. Inspiring Leaders. Contributing Citizens. One Learning Community.

School Mission : Building Character, Nurturing Talents

School Philosophy, Culture and Ethos

In Greenridge Secondary School, we believe that all students can learn and want to learn. Provision of positive school experiences will motivate students to take ownership of their progress and growth. Guided by our beliefs, we aspire to develop our students to be self-directed, lifelong learners, with resilient and adaptable mind-sets to face uncertainties in life, the zest to strive for worthwhile goals and the conviction to contribute to the larger good of the community and nation. As we aspire to develop these desired traits and qualities in our students, we envision our school as One Learning Community, where all staff and students embrace our school vision and mission, and our daily actions and practices are guided by our PRIDE values (Perseverance, Responsibility, Integrity, Diligence and Empathy) and school motto "From Each His Best".

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY B, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

To prepare our students for the future, our programmes develop our students with positive learning dispositions and nurture them to become self-directed lifelong learners and with the belief that they can make a difference to the community and nation. We focus on creating authentic and engaging learning experiences that bring about a joy of learning and inculcate in our students a passion for lifelong learning. Our Applied Learning Programme in the English Language and Mother Tongue Languages aims to develop our students to become creative inquirers and effective communicators of the future. Students are provided with experiential learning opportunities for them to apply their language skills through debating, public speaking, news reporting and creative writing. We honour our students' individual traits and recognise the diverse talents and strengths of our students. Our Learn for Life Programme through the Arts caters to all students and focuses on developing the aesthetic talents and creativity of students through exposure in Music, Performing Arts, Visual Art and Drama. To support our students in appreciating their strengths and shaping their aspirations, our ECG programme serves to guide and empower our students in making informed choices on their post-secondary education and future career endeavours. Students explore their interests by participating in Elective Modules and Advanced Elective Modules, and through interaction sessions organised by the school where they engage in dialogues with practitioners from diverse industries.

School Vision : Learners for Today, Leaders for Tomorrow.

School Mission : To nurture students who Lead, Think and Advocate for Self, Community and Nation.

School Philosophy, Culture and Ethos

GYSS aspires to build a community of motivated and committed individuals. It adopts a people-centric approach to bring out the best in students and develop them into Leaders, Thinkers and Advocates. Integral to achieving this objective is the school's 'People First' culture which embraces constructive professional engagement to empower staff, build capacity and create a vibrant, caring and dynamic learning environment. Our students are encouraged to Challenge Convention and Champion their Passion through student-initiated programmes that promote self-directed learning and discovery. Students' holistic development is reinforced by the school values of "Respect, Responsibility, Integrity, Care and Grit" which serve to imbue in our students a sense of purpose as they take ownership of their learning and responsibility for their growth.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL

Special Student Development Programmes Offered

Both curricular and co-curricular programmes are designed to incorporate constructivist learning with the aim of providing our students with rich and authentic learning experiences. The school conducts specific level-wide programmes that are progressively facilitated to cater to the development of students. These include the Sec 1 Orientation Camp, the Sec 2 Eco-Adventure Camp, the Sec 3 MOE-OBS Challenge, and the symbolic Sec 4&5 Walk of Dreams. Complementing these programmes is a host of signature programmes that serve to engage students meaningfully and to broaden their learning for the 21st century. These signature programmes include the Applied Learning Programme (ALP) in STEM: Environmental Science for Sustainable Living that comprises a Forensic Science Programme based on the CSI series; the Learning for Life Programme (LLP) in Aesthetics: Act Up! Speak Up!; the EXperiential and Authentic Learning Trail (EXALT) @ Bishan-AMK Park that promotes interdisciplinary learning through specially-designed activities conducted at different learning stations; Thank Goodness It's Friday (TGIF) Programme for NT students where the curriculum is customised to provide hands-on learning experiences in and outside school; Living Lit Up Programme at Lower Secondary that offers students an all-embracing Literature curriculum covering prose, poetry, play and drama; the Experience Sports @ GYSS where Sec 1 students get to experience different sports under the guidance of CCA sports coaches; and the Sports Climbing Level 1 course for Sec 2 students which promotes ruggedness and resilience.

During upgrading from 2022 to 2023 (tentative), school will hold classes at 15 Pasir Ris Street 21 Singapore 518969.

(Tel) 65827864 (Fax) 65822543

Website Address: <http://www.haisingcatholic.moe.edu.sg>

School Vision : ONE.Home.School.Community: One in Truth and Charity, HSC is a Home where hearts belong, a School where students shine forth, and a Community that leads, cares and serves.

School Mission : With God in our presence, we guide our students to seek their true purpose in life, we imbue them with school values and we equip them with the hearts and minds to live out their purpose to be a positive force in the world beyond.

School Philosophy, Culture and Ethos

Hai Sing Catholic School was founded in 1959 by the Franciscan Missionaries of Mary (FMM). In Hai Sing, we believe that every HAlsian is a child of God, blessed with talents and a unique identity and will become a person with integrity and compassion who contributes to a better world. Every HAlsian will be the culmination of his/her experiences and is to be given deserved care and opportunities. Our teachers are exemplary in their love for the students, take ownership of their responsibilities and learning to constantly seek better and more effective ways to enhance students' learning experiences. With students and staff as our focus and excellence our pursuit, we work with persistence in unison, using innovative and exciting approaches to transform the WHOLE school experience for every HAlsian.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM)

Special Student Development Programmes Offered

HAlsians are inspired to surpass boundaries and learn skills and competencies to thrive in the future. We offer two distinctive programmes i.e., the Applied Learning Programme (ALP) in Science, Technology, Engineering and Mathematics, and the Learning for Life Programme (LLP) in Student Leadership. For the ALP, our students go through teacher-designed lessons that explore modern, cutting edge ideas in STEM such as Artificial Intelligence in Industry 4.0 and foundations of applied science, programming and mathematics. The ALP culminates in its second year, where students are taught design thinking approaches to understand real life problems in the community and experience working with high-tech equipment to design, build and rebuild prototype solutions. Through the ALP, students also develop values and life-skills such as empathy, grit, collaboration and entrepreneurial dare. Our LLP takes students on a journey to understand themselves better and to exercise leadership in different situations through involvements within and beyond school. As a community that leads, care and serves, our students are nurtured into charitable, compassionate and gracious individuals who do small things with great love, and contribute positively to the school and the external community. Our other key signature programmes include the HAI Experiential Week and the Internationalisation Programmes. As a school founded by the Franciscans, we also emphasise development of life habits such as waste reduction that sustain the environment and the earth.

CCAs Offered

Physical Sports : ATHLETICS, BADMINTON (BOYS), FLOORBALL, GOLF, TEN-PIN BOWLING, VOLLEYBALL(GIRLS)

Website Address: <http://www.hillgrovesec.moe.edu.sg>

School Vision : Reflective Learners, Caring Changemakers

School Mission : Nurturing Hillgrovians who Learn, Care and Make a Difference

School Philosophy, Culture and Ethos

Our vision describes a community of others-centred individuals who can learn, unlearn and relearn. Together with our school philosophy P+C=S, which stands for Potential + Character = Success, Hillgrove recognises that success comes in various forms and every child will chart his own path to realise his potential. We are committed to helping our Hillgrovians follow their strengths and passions by offering many paths and new possibilities, creating opportunities for all to find success. What defines us is CARE - Collaboration, Affirmation, Respect and Excellence. CARE speaks of our desire to help one another to be at our best as we stay united to soar as one.

Subjects Offered

ADDITIONAL MATHEMATICS, ART 'O' LEVEL, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELECTRONICS, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MOBILE ROBOTICS, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (PHY, CHEM), SCIENCE (SYLL T)

Special Student Development Programmes Offered

Hillgrove's Applied Learning Programme (ALP) aims to raise students' interest in Science, Technology, Engineering and Mathematics (STEM) through the field of flight and aerospace (F&A). Students are engaged through various projects which develop their competencies such as confidence in communication and qualities such as entrepreneurial dare. They acquire real life knowledge and skills in the field of F&A and this heightens students' awareness of STEM-related careers. Hillgrove's Learning for Life Programme (LLP) in the Arts seeks to develop students' understanding and appreciation of various arts forms. The programme nurtures confidence by providing platforms for students to articulate their creative ideas effectively. It comprises stand-alone modules as well as modules integrated into Art and Music lessons.

CCAs Offered

Physical Sports : BADMINTON (BOYS), FLOORBALL (BOYS), NETBALL (GIRLS), VOLLEYBALL (GIRLS)

Uniformed Groups : AIR SCOUTS, BOYS' BRIGADE, GIRLS' BRIGADE, NCC(AIR), NPCC

School Vision : A Christ-centred community with Courage to Lead, Compassion to Serve.

School Mission : To nurture students to be compassionate and morally upright citizens committed to serving God and society.

School Philosophy, Culture and Ethos

A Catholic mission school with more than 125 years of history, we provide a holistic educational experience, centred on developing performance, ethic and service characters. Our students thrive in a culture of care and excellence in a God-centred environment, supported by strong teacher-student relationships. We believe in bringing out the leader in every child in preparation for service to the home, school, nation and world. Staff and students are guided by the school values of Humility, Integrity, Respect and Love.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, COMPUTING, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, MUSIC 'O' LEVEL, MUSIC NT LEVEL, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T)

Special Student Development Programmes Offered

We offer the Applied Learning Programme in 'Journalism & Broadcasting' to develop critical thinking skills, communication skills, and global and social awareness. Through their voices, our students can influence society and build a nation that is compassionate, caring and forward-looking. The programme further provides a good foundation for those interested in pursuing a career in the media industry. The school also offers a Learning for Life Programme (Good Samaritan Programme) which focuses on community and youth leadership development. We believe our students are able to lead by example, and can lead others in both actions and thoughts. The Good Samaritan Programme is slanted towards providing service to the community in the form of Values In Action projects across levels. Students also have opportunities to work with external agencies in planning for community projects, and organising the school's Teens Conference. Students can build their strengths through other academic and co-curricular programmes: the Science Research Programme, Advanced Elective Modules, Elective Modules for Normal Academic and Normal Technical students, NEnterprise Programme, Religious & Moral Education, Overseas Values In Action Programme, Level Camps, Sports Carnival, Road Run, Level Games, etc.

School Vision : Passionate Learners. Principled Leaders. Grateful Citizens

School Mission : Care. Lead. Inspire. Partner

School Philosophy, Culture and Ethos

Founded in 2001, Hougang Secondary School (HS) provides a holistic education for Hougeans to pursue their strengths and passions. HS is recognised for its Best Practices in Student All-Round Development, Character and Citizenship Education (CCE), and Teaching & Learning. In HS, "Every Student Counts". Premised on this belief, the school partners both parents and stakeholders to care, lead and inspire students to discover their passion and fulfil their aspirations. HS places strong emphasis on character and values education. The school is committed to nurture all Hougeans into Passionate Learners, Principled Leaders and Grateful Citizens, who will make the difference in their life journey even after they have left the gates of HS. There are opportunities for our students to be imbued with the school's core values of GRIT (Gratitude, Respect, Ingenuity, Trustworthiness and Grit) through its Instructional Programme, CCE, Student Leadership, CCAs, Learning for Life Programme (LLP) and Applied Learning Programme (ALP) which cater to the different needs and interests of the students.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN MALAY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM)

Special Student Development Programmes Offered

HS has a strong conviction in character excellence as it believes that sound values are the bedrock for character development. Hence, the school's LLP-Community Youth Leadership, "Make the Difference, A Hougean's Way of Life", provides a sustained and enhanced values education progressively over 4/5 years. Our 3E (Enriching Minds, Engaging Hands, Encouraging Hearts) approach helps students gain better understanding of community needs, take ownership of their involvement in VIA projects and mentor their peers to bring about awareness, action and advocacy in their chosen area of needs. To nurture Hougeans to be confident and competent speakers, the school's ALP, "Effective Communication Skills through Authentic Learning" strives to promote communication skills using real-life learning platforms. Furnished with authentic settings and problems, they will be able to acquire useful and transferable communication skills. The programme includes broadcasting, public speaking, debates, drama and journalism. In our Internationalisation Programme, Sec 3 students will have an opportunity to extend their learning overseas via exchange programmes. Students will be able to appreciate other cultures and establish friendships with overseas counterparts. HS provides a robust Teaching & Learning curriculum that draws from a range of learning experiences. Key Programmes include Aesthetics Week Student Art Exhibition, Design Thinking, Culinary Skills, Songwriting Enrichment Programmes, Math Talent Programme, Real World Math Challenge, MathEscape, POA Investment Game, Science Funtasia, Humanities Inquiry Learning Journey, Learning Journey to post-secondary institutions, Work Experience Programme, Earth Week, Sec 2 Adventure Camp, Sports Education Programme, Inter-class Games, Sports Carnival and SciTechHuMatics.

School Vision : Inculcating Values. Inspiring Talents. Impacting Community.

School Mission : To nurture passionate learners, resilient leaders, empathetic contributors and globalised citizens, who are grounded in values and ready to make a difference to society.

School Philosophy, Culture and Ethos

We believe that all students are unpolished gems with different gifts and abilities. All can learn and grow, have the potential to excel, and eventually will make a difference to society.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MATHEMATICS, MATHEMATICS (SYLLABUS T), PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T)

Special Student Development Programmes Offered

Hua Yi has developed a comprehensive values-based curriculum focused on developing Hua Yians to be passionate learners, resilient leaders, empathetic contributors and globalised citizens. Hua Yi's vibrant school heritage and culture provides a caring, authentic environment for students to participate in a wide range of quality programmes. Our Applied Learning Programme in Technologies for Active Living deepens awareness of healthcare issues in Singapore and how innovation can make a positive difference. Our Learning for Life Programme in Community Youth Leadership develops in all Hua Yians a range of leadership and socio-emotional competencies through the Leadership Challenge Model and its 5 core leadership practices. These are combined with a range of exciting co-curricular experiences for all students, including a focus on our DSA talent areas of sport, student leadership and the performing and visual arts. Hua Yians have opportunities for cultural immersion in China, Indonesia, Taiwan and Thailand, and resources are set aside in a Talent Development Programme to ensure that students receive customised support to realise their potential. Hua Yi has a student-centric curriculum, with school-wide programmes that enhance a sense of belonging to the school and community and bring about a greater joy in learning. These programmes are enriched by the sustained support of our passionate alumni and committed PSG, providing Hua Yians with a school experience that prepares them for life.

School Vision : Empowering our students to Live with Passion and Lead with Compassion.

School Mission : We nurture Leaders in Research, Industry and Government to serve our nation.

School Philosophy, Culture and Ethos

Hwa Chong provides an intellectually-stimulating, secure and joyful environment that meets the needs of students from all backgrounds. We offer a curiosity-driven 6-year Integrated Programme (IP) that teaches students to embrace the values of innovation, integrity, passion, and compassion. All our students receive a sustained character education which encourages them to work with the community through local and global service-learning initiatives. Hwa Chong Institution's (HCI) mission is to nurture leaders for the nation: leaders with a heart to serve the community. We take pride in grooming servant leaders who display civic responsibility and empathy. Annually, Hwa Chong students provide support to the underprivileged through various initiatives. Many of our students have partnered key welfare organisations to helm innovative Values-in-Action projects. As active contributors to civil society, Hwa Chong students have opportunities to learn from, and serve in, local and international communities through various student-led projects. These projects often mark the beginning of a long-term commitment of service to the community. Drawing from the best of East and West, our extensive global network links our students to leading universities and industry partners. We work closely with industry captains and professors, and encourage our students to pursue multidisciplinary interests. Each year, our students go on to leading institutions for their undergraduate study, with a strong entry to some of the world's best universities. To date, Hwa Chong has produced 58 President's Scholars, and has groomed stewards of many key sectors. All our students are equipped with the skills and dispositions to help Singapore navigate the challenges in this new global age.

School Vision : Champions for the Community

School Mission : To nurture and empower every Junyuan Champ to lead, to serve and to excel.

School Philosophy, Culture and Ethos

Junyuan is the source of good things; a nurturing ground for youth to develop their character and use their talent for the good of society. Here, they inherit the spirit of learning and practice values which inspire the next generation and beyond. Our mission calls for all Junyuanites 'To Lead, To Serve and To Excel', leveraging on the values of Innovation, Excellence, Respect, Responsibility and Resilience to ensure that every Junyuanite becomes better persons for others. The Junyuan community shares the responsibility of providing positive learning experiences within a culture of care to enable each Junyuanite to leave its gates with keys to open many doors. Our committed and compassionate staff facilitates the growth, inspires the belief and nurtures the hope that every Junyuanite will graduate as a respectful and positive individual, a resilient team player, a civic-minded contributor and a leader of character. Onboard the Junyuan Ship, we are crew, not passengers.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, COMPUTING, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN MALAY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SOCIAL STUDIES N(T)

Special Student Development Programmes Offered

a) The Applied Learning Programme (ALP) offered at Lower Secondary levels integrates Food Science into the formal curriculum and extends students' learning in Food and Consumer Education classes. Students carry out hands-on activities on food-related investigation and learn science process skills in contextualised settings. Students gain a broader perspective of integrated learning where skills are transferrable to future-oriented domains such as Molecular Gastronomy and Coffee Barista. Basic Microbit programming is also introduced and through the framework of design thinking, students use their programming skills to improve real life situations. b) The Learning for Life Programme (LLP) aims to develop Community Youth Leaders, anchored in the belief that every Junyuanite can be a leader and that leadership is a choice. Community responsibility is nurtured through Service Learning and Innovation, while exemplary leadership dispositions and behaviours are developed through The Student Leadership Challenge. Students graduate as civic-minded contributors, and a leader of character. c) The Sec 2 Resilience Camp is an outdoor adventure experience which prepares our champions for the cohort OBS programme in Sec 3. On land, in the water, and across the island via a 30km bike ride, students learn that building Resilience is not a theoretical exercise. d) The JYE2I Aesthetics framework, which develops appreciators of Aesthetics through partnerships and public performances, and internationalisation expeditions to develop global and civic awareness, complete the holistic Junyuan educational experience.

CCAs Offered

31 YUAN CHING ROAD S(618652)

(Tel) 62655980 (Fax) 62686414

Website Address: <http://www.jurongsec.moe.edu.sg>

School Vision : Champions of MindLeaders with Heart

School Mission : A close-knit school, in partnership with the community, nurturing students to be resilient in their pursuit of excellence.

School Philosophy, Culture and Ethos

Jurong Secondary School (JSS) was founded in 1963 at the request of community leaders to our Founding Prime Minister, Mr Lee Kuan Yew, when he made his first visit to the Jurong Constituency. Originally named Jurong Integrated Secondary School, the school offered both the English and Chinese streams. Stemming from this rich history, JSS became widely known for its rich Chinese heritage, strong community partnerships and all-round education for its students. Innovative programmes guided by the school values of Loyalty, Industry, Sincerity, and Love were introduced to nurture character, cultivate thinking and independent learning, and enable students to pursue excellence while growing as concerned citizens who contribute meaningfully back to the community. As a FutureSchool@Singapore pioneer, JSS leverages ICT to design learning experiences that emphasise the 21st century competencies.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE IN CHINESE, MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MOBILE ROBOTICS, MUSIC, MUSIC NT LEVEL, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

In JSS, we value every student as a success story. Our Special Programmes are designed to stretch their minds, and nurture leadership skills, in order for them to become contributing members of the society. We offer the Environmental Studies Applied Learning Programme (ALP) and Skills, Talent & Research (STAR) Programme to complement academic development. The former promotes critical thinking through the exploration of environmental issues and study of environmental sustainability. The latter provides opportunities for students to broaden their perspectives about the world, learn research and design thinking skills, cultivate strong team dynamics and develop leadership skills necessary to positively impact the community. The school adopts a school-wide approach to leadership development for all students at all levels. Project COMpassion, which seeks to grow in our students an appreciation of the needs of the less fortunate in the community, is one platform for them to design and implement meaningful improvement projects that benefit the school and community. Building on our heritage of sporting excellence, sports is a main driver for our Learning for Life Programme (LLP). It leverages participation in sports to build students' physical fitness, and nurture strong character and desired values. To encourage our students to discover and explore interest areas beyond the core curriculum, and offer them insights on post-secondary and career options, modules under our InSPire Programme cover emerging trends in different industries.

CCAs Offered

Physical Sports : BADMINTON (BOYS), BASKETBALL, CROSS COUNTRY, DRAGON BOAT, FLOORBALL, VOLLEYBALL

School Vision : A Values-Centred Community where Learning is ignited by Passion, Thinking driven by Innovation and Leading inspired by Service

School Mission : To engage the hearts and minds of students to develop them to their full potential enabling them to fulfill their aspirations and contribute as active citizens in society

School Philosophy, Culture and Ethos

In our school, we place a premium on the holistic development of students where academic excellence and character development are pillars of a holistic education. Our value-added academic performance and CCA achievements are testimony to the school's commitment to enable each student to reach his/her full potential. The Jurong West(JW) Experience, grounded in Student-Centricity, is premised in our belief that when students have an interest and find enjoyment in what they do, they will do well and find greater motivation to pursue those interests beyond secondary school. As a future-oriented and forward looking school, our distinctive LLP and ALP are designed with the future and national initiatives in mind. We offer a wide range of exciting opportunities in the academic and co-curricular areas through programmes such as Student Work Attachment, Student Leadership, Overseas Student Exchange, Talent Development in various disciplines, Enhanced Art Programme and subjects such as Exercise and Sports Science as well as Computing. The JW experience aims to nurture passionate learners, innovative thinkers and caring leaders whilst equipping students with desired knowledge, skill and values for success in their present and future endeavours.

Subjects Offered

School Vision : A vibrant and nurturing community of passionate and resilient learners.

School Mission : To nurture world-ready students with the passion to learn, lead and serve

School Philosophy, Culture and Ethos

The school is guided by our philosophy 'Everyone can Learn, Everyone can Achieve and Everyone can Contribute' in the design of our curriculum. With this philosophy as our anchor, the school offers a rich variety of programmes that holistically prepare our students for the opportunities and challenges of life. Our student-centric learning culture is focused around the following five school learning outcomes: Our students are persons of good character who make choices based on sound values; our students are responsible contributors to the well-being of their family, community and country; our students have learned the secondary curriculum well; our students have good self-awareness of their strengths and interests; our students have effective communication and leadership skills as individuals, team members or leaders. Our team of caring teachers also nurture the students guided by the following PRIDE school values: Perseverance, Respect, Integrity, Discipline and Empathy. When these values are learned well and applied by our students in their lives, they will be the pride of our families, communities and country.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELECTRONICS, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SMART ELECTRICAL TECHNOLOGY, TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

To broaden the learning experiences of students, Jurongville Secondary School plans and implements an Applied Learning Programme (ALP) and a Learning for Life Programme (LLP). The school's ALP is 'Real-World Learning Through Electronics'. Through various authentic tasks, students learn and apply concepts relating to electronics. Lower secondary students, for instance, use their knowledge to design tools and equipment that can potentially be used to improve our quality of life. Upper secondary students who wish to deepen their knowledge can also choose to offer Electronics ('O' Levels) or Smart Electrical Technology ('N' Levels). With such early exposure to electronics, our students are more ready to consider STEM (Science, Technology, Engineering, Mathematics) professional courses beyond secondary schools. The school's Learning for Life Programme, 'Sports for Life', gives all students the opportunity to learn and enjoy a variety of sports electives. The intent of such broad exposure is to enhance individual well-being, develop a team-oriented mindset, and nurture a healthy and positive outlook to life. Through the programme, students also develop their leadership skills with the guidance of teachers, and selected sports CCA students are given valuable learning opportunities beyond the school.

CCAs Offered

Physical Sports : BADMINTON, BASKETBALL, FOOTBALL, NETBALL, SEPAK TAKRAW, TCHOUKBALL

School Vision : A Gracious Community of Life-long Learners with Strength of Character

School Mission : Inspiring Learning . Inculcating Values . Impacting Lives . To prepare JYians to be future-ready and useful citizens by inculcating values and inspiring in them a passion for learning.

School Philosophy, Culture and Ethos

We are guided by our school philosophy, OYSTER, in achieving our vision. We are a nurturing family for students of all abilities and backgrounds, as we believe that every student is unique and every student can learn. We aspire to enhance and amplify the individual talents of all students, and develop them to be persons with strength of character, such that they may, like pearls, shine and illuminate any organisation that they may join in the future. Underpinning our philosophy are our school values, R2IGHT (Respect, Responsibility, Integrity, Gratitude, Humility and Tenacity). Our culture of care and learning is achieved through our H.E.A.R.T.S. ethos - setting High expectations and standards; placing strong Emphasis on learning; having the Autonomy to innovate and explore; building quality Relationships; Trust and Teamwork; having a Shared purpose. Through our holistic approach in developing our students, our students have achieved value-added results in the national examinations as well as outstanding outcomes in their co-curricular activities.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY B, MATHEMATICS, MOBILE ROBOTICS, MUSIC, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM)

Special Student Development Programmes Offered

Applied Learning Prog (Oracy): Develops students to be competent, confident and empathetic communicators. Students undergo a tiered oracy prog from Tier 1 for all students (Stand & Deliver/Drama, Argumentation & Interview Training), Tier 2 (Speech & Drama/Ambassadorship & Ted-Talk Training) to Tier 2+ (Talent Development/Newsreading & Toastmasters Training). Students get ambassadorship opportunities with organisations such as Gardens By The Bay. Learning for Life Prog (Aesthetics): Develops students to be creative, appreciative and passionate learners. Students learn to play musical instruments, experience different dance styles, and develop appreciation for arts performances. Through these, students develop character values and people skills. PASSION Prog: As part of ECG and citizenry education, students pursue their interest in contemporary issues in areas like Personal well-being, Arts, Sports, STEM, Internal Security, Outreach and Nature. Through collaboration with their peers from other streams and participating in learning journeys and workshops, students undergo a journey of self-discovery, gaining a better appreciation of their own potential and aspirations. ICT Prog: Equips students to be future-ready, digitally responsible lifelong learners with coding capabilities, creating micro:bit DigitalMaker projects, 3D-modelling and developing Google cloud proficiency. Sec 2 TIE/VIA: Develops students to be gracious and concerned citizens via overseas VIA trips. All Sec 3 students attend OBS camp to develop ruggedness and resilience. Our Student Leadership Prog provides opportunities for students to develop the school's R2IGHT values, self-directedness and entrepreneurial dare via leadership workshops and camps, and special prog like the prestigious UBS-CampVision LEAD prog.

School Vision : Leaders with a Heart to Serve. Thinkers with the Drive to Excel.

School Mission : Serving with heart, values and purpose to bring out the best in every child.

School Philosophy, Culture and Ethos

Guided by the school philosophy - teaching with passion and conviction, every child can learn, developing each child holistically, and preparing students for future challenges, Kranji Secondary builds a shared vision that is values-driven and student-centric. The school believes that through fostering a culture of learning, innovation and excellence, students will be confident leaders with a heart to serve and thinkers with the drive to excel.

Subjects Offered

Special Student Development Programmes Offered

In Kranji Secondary School, we provide a myriad of opportunities and platforms for Kranjians to learn and grow as leaders in support of our vision in developing "Leaders with a heart to serve and thinkers with the drive to excel". The school has two distinctive programmes. Through the Applied Learning Programme (ALP), Thinking Curriculum, Kranji Secondary nurtures communities of reflective and independent learners. The learning of the Thinking Routines through the Thinking Curriculum, allows students to learn tools to make their thinking visible, thus enriching and enhancing their learning. With the Thinking Routines integrated into the various curricular and non-curricular subjects, students develop dispositions to think both critically and inventively, and analyse situations from different perspectives, increasing the level of engagement in their learning. The second distinctive programme is the Learning for Life Programme (LLP). The objective of the LLP is to nurture "A Leader in Every Kranjian through Community and Youth Leadership" by creating platforms to help fulfill the leadership potential of every student. The vision for student leadership in the school is also closely linked to our school vision.

CCAs Offered

Physical Sports : BADMINTON, BASKETBALL, FLOORBALL, FOOTBALL (BOYS), TABLE TENNIS (GIRLS)

School Vision : Every KCPian a Servant Leader & Scholar

School Mission : We provide a conducive and nurturing Christian environment for the holistic development of every child through high engagement in, achievement through, and enjoyment of learning.

School Philosophy, Culture and Ethos

Kuo Chuan Presbyterian Secondary School seeks to develop Servant Leaders and Scholars in a nurturing, values-based environment. We offer a curriculum focused on the holistic development of every child with a strong focus on leadership of self for the service of others. The school vision captures our legacy as a school started by Christian ministers to provide education opportunities for the community, as well as the aspiration that KCPians will grow to be leaders who will develop their talents and abilities to be of service to others. The KCPian Servant Leader and Scholar will be a self-directed learner who displays integrity and resilience in the face of challenge. He is a conscientious individual who cares for others and empathises with and responds to the needs around him. The school team of dedicated teachers is supported by active alumni, the Parent Support Group and a School Management Committee that takes a keen interest in the quality of teaching and learning and character development programmes offered by the school.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD AND CONSUMER EDUCATION, HIGHER CHINESE, HIGHER TAMIL, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), TAMIL

Special Student Development Programmes Offered

The school offers a Learning for Life programme (LLP) in the area of Community and Youth Leadership (CYL). This is a whole-school approach to develop every KCPian as a Servant Leader through the progression from leadership of self, to purposeful leadership of others at various impact levels. It is designed to evoke empathy and inculcate a spirit of service while developing the 21st century competencies of critical and inventive thinking. The development of 21st century competencies is reinforced through the school's Applied Learning Programme (ALP) in Media Literacy. This programme, which is anchored on the English Language and Literature curriculum, is designed to develop in students' communication, collaboration and information skills. Students will inquire into how the media and society shape each other, and analyse the benefits and challenges that different media platforms present to society today.

CCAs Offered

Website Address: <http://www.loyangviewsec.moe.edu.sg>

School Vision : Loyang View Secondary School is a happy and caring school where students are wholesome individuals with robust character and are well-prepared for the skill force of tomorrow.

School Mission : To build a team of competent and dedicated staff, working closely with our stakeholders in delivering rigorous and comprehensive programmes that bring out the best in every student.

School Philosophy, Culture and Ethos

At Loyang View Secondary School (LVSS), every child is unique and important. We do everything with love, constantly and purposefully doing whatever it takes to pursue quality service, thus impacting the lives of students in our care with passion. The school focuses on holistic student development programmes, emphasising academic value-addedness, character development, and a rewarding school experience. The unique LV Experience for all students strengthens student-centricity and accentuates the distinctiveness of LVSS. The LV Experience integrates key programmes (such as Teaching and Learning, Character and Citizenship Education, Applied Learning and Life-Long Learning) through common student outcomes and is aimed at strengthening the holistic development of students.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART NA LEVEL, BASIC CHINESE, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY B, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SMART ELECTRICAL TECHNOLOGY, SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

Loyang View Secondary is a happy and caring school which students look forward to come to every day. Students are well-disciplined, confident and focused, and aspire to be wholesome individuals well-prepared for the skill force of tomorrow. The school has many interesting and unique programmes that aim at touching every life. The ethos of doing everything with love has created great impact on students' learning as well as their character-building. All LV students have success stories to tell. They are passionate about life, learning and service to others. Some of our iconic programmes are: 1) OEP (Overseas Education Programme) - which provide all students with opportunities for overseas learning in China, Australia and the ASEAN countries. 2) A Day in the Life of an LV Student - in which programmes are mapped out to engage students meaningfully every moment of their day in LV and provide them with memorable learning experiences. 3) LLP (Lifelong Learning Programme) and Enriching CCAs - in which students' potential is maximised and robust character-building implemented across all CCAs. 4) ALP (Applied Learning Programme) and STEM activities - in which students learn and apply Science, Technology, Engineering and Maths knowledge and skills through interesting and thought-provoking activities. 5) Expeditions - which challenge students to explore new terrain and scale greater heights such as hiking in Wu Yi Shan (China). 6) Urban Farming - in which students develop entrepreneurial dare and resilience through managing their crops using innovative marketing strategies.

School Vision : A Vibrant Learning Community distinguished by Wisdom, Conduct, Benevolence and Aspiration

School Mission : Nurturing Passionate Learners and Compassionate Leaders who are future-ready and anchored in values.

School Philosophy, Culture and Ethos

Drawing inspiration from the school motto of Wisdom, Conduct, Benevolence, Aspiration; our Vision is to be a Vibrant Learning Community defined by these four noble attributes. Teachers strive to be respected for their professionalism, expertise and integrity (Wisdom & Conduct) in building a culture of learning. As an education institution, we seek to embody a spirit of charity and kindness balanced against the pursuit of excellence (Benevolence & Aspiration). Our mission is to nurture confident engaged learners able to face challenges with resilience and composure; as well as responsible citizens who possess a moral compass and a sense of their purpose and place in society. The school prides itself on providing a rigorous yet holistic curriculum that strengthens skills and dispositions as well as imbues values of Respect, Integrity, Care and Excellence in Manjusrians. The school enjoys the support of the Singapore Buddhist Federation in our inclusive approach to educating students from multi-cultural backgrounds; and its success in raising academic standards.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM)

Special Student Development Programmes Offered

A Building Learning Power approach blended with elements of Mindfulness is adopted in the character education and academic curriculum. Through teaching of key thinking competencies and application of mindfulness strategies, students are equipped with habits and skills for improved learning; and to deal with challenges they may encounter with greater composure. The school's signature Applied Learning Programme in Smart City and Assistive Technology is carried out with the support of external partners. This introduces students to sensor technology, electronics and coding in designing solutions to either improve the lives of the elderly and disabled or to create a sustainable environment. It is aligned with the school's values-focused orientation in empowering students to contribute towards a compassionate and caring society. Another established niche is our Learning through the Arts programme. Student interest and skills in aesthetics is developed through music, art and drama experiences in enrichment workshops; and performances at both school and public platforms. This serves to strengthen their capabilities for teamwork and confident self-expression. Those with the talent and passion can further develop themselves by joining our performing arts CCAs - all of whom have achieved SYF distinction standards. Prestigious Mee Toh Foundation Arts Scholarships are awarded to students who are able to balance their studies with active contribution in artistic fields. The school welcomes applicants in the fields of Science & Technology, Chinese Dance and Chinese Orchestra during the DSA(Sec) exercise.

MARIS STELLA HIGH SCHOOL

Option Code : **7111**

25 MOUNT VERNON ROAD S(368051)

(Tel) 62803880 (Sec) (Fax) 62886905 (Sec)

Website Address: <http://www.marisstellahigh.moe.edu.sg>

School Vision : Every Marist, a Gentleman of Faith, Vision and Service.

School Mission : The holistic development of each Marist that blends faith, culture and life with respect to his human dignity.

School Philosophy, Culture and Ethos

Maris Stella High School is an autonomous all-boys Catholic school committed to educating Marists holistically and anchored in the Marist values. As one of the first SAP schools in Singapore, our SAP programme, the Br. Chanel Programme, named after our Founding Principal, is designed to realise his vision of nurturing bicultural Marists as we seek to educate them to exhibit bicultural sensitivity, steep in traditional Chinese values with a global outlook, ready to serve society. As an all-boys school, we adopt a boy-centred approach focusing on sports, outdoor education, the Sciences and ICT in our school-wide programmes, whilst supporting individual interests of Marists, to bring out the best in them. We further inculcate our school motto of Diligence, Determination, Loyalty & Dedication, and Courage, and Marist Values in Marists, so that they are equipped with the attitudes and competencies to become contributing members of society. Caring teachers and strong programmes geared towards building school spirit anchor the learning experiences of Marists.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, BIOLOGY, CHEMISTRY, CHINESE, COMPUTING, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, EXERCISE AND SPORTS SCIENCE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN CHINESE), LITERATURE IN CHINESE, LITERATURE(E), MATHEMATICS, MUSIC, MUSIC 'O' LEVEL, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (PHY, CHEM)

Special Student Development Programmes Offered

The Marcellin Way, which is anchored in Marist values, is a 10-year programme which seeks to build the character and values in Marists. The main components of the programme expose students to authentic learning experiences to hone their preparation for the unknown future and the application of their own learning to be of service within the school and to the wider community, undergirded by values education. The Br. Chanel Programme nurtures bilingual Marists who are able to relate to others in both English and Mandarin effectively. Key highlights include (1) Chinese Language Elective Programme which aims to nurture promising students to attain a high level of language proficiency in Chinese, and enhance their understanding of literature, and (2) Student immersion in twinning schools in Xi'An.

School Vision : A Community of Dynamic, Confident and Caring Learners

School Mission : To nurture agile minds and build character through holistic education

School Philosophy, Culture and Ethos

We aim to seed the skills and dispositions of confident learners and develop caring individuals with a heart for the society. We pride ourselves on providing a holistic education that develops our students into respectful, responsible and resilient individuals. MSS adopts a whole-school positive discipline approach towards developing all Marsilians. "G.R.I.T" meaning Growth, Resourcefulness, Innovation and Tenacity, serves as a guide to shape our daily interactions between teachers and students. Our literacy and numeracy programmes strengthen the foundations of our weaker students and stretch the more able ones. We are also committed to staff professional development to ensure that our staff members are competent in helping students experience success in both the academic and non-academic domains. There is a strong and pervasive ethos of care and our students feel that the school is a safe environment for learning and growth.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART NA LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY B, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, MUSIC NT LEVEL, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, RETAIL OPERATIONS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL, TAMIL B, TAMIL N(A)

Special Student Development Programmes Offered

It is the aspiration of the school that all Marsilians graduate as dynamic, confident and caring learners who are skilled in the 21st century competencies and care for self, family, nation and beyond. We believe these qualities can be developed through our distinctive programmes which complement our forward looking curriculum that caters to students' interests, strengths, abilities and learning styles. A recipient of the 2012 President's Award for the Environment and the Green Mark Platinum Award(2019-2021), MSS proudly offers its Applied Learning Programme(ALP)-Eco-sustainability through Inquiry-Based Learning-in the fields of Science, Technology, Engineering and Mathematics(STEM). The ALP seeks to imbue in students a Design Thinking mindset and provide a robust interdisciplinary curriculum for students to engage in critical inquiry, hands-on research and field investigations to apply scientific principles in authentic situations. Our Learning for Life Programme (LLP)-Values And Leadership development through Outdoor cURriculum (VALOUR)- offers unique learning opportunities incorporating adventure and leadership skills which enhance students' self-esteem, self-confidence, independence and socio-emotional competencies. All students are given the opportunity to take up cross-stream subjects. Students may also look forward to attaining the National Youth Achievement Award (Silver) through various student leadership enrichment activities.

School Philosophy, Culture and Ethos

Mayflower Secondary School believes that every student that comes to us is a child with a unique blend of gifts and strengths. The Mayflower Promise enshrines what the school, through its programmes, activities and culture, seeks to develop in every student a zest for life, a curious mind and a generous spirit. In the quest for a life of purpose and service, Mayflowerians are constantly encouraged to be mighty in thought and deed, and to overcome their self-imposed limitations to expand their capacity. Through innovative customised programmes, the staff seeks to provide learning experiences that develop knowledge, skills and values that enable Mayflowerians to thrive in the future.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MATHEMATICS, MOBILE ROBOTICS, MUSIC, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SOCIAL STUDIES N(T)

Special Student Development Programmes Offered

Zest for Life: Every aspect of the Mayflower experience is designed to help students develop a strong sense of purpose and a deep love for learning, to attain their personal bests. Being a school that offers Learning for Life Programme (LLP) in Aesthetics, students enjoy a rich performing arts experience. The Applied Learning Programme (ALP) in Effective Communication (English and Mother Tongue Languages) helps our students grow in confidence as bilingual communicators, able to adapt their message to purpose, audience and context. **Curious Mind:** We want our students to be discerning learners who are well-equipped for life. Besides academic rigour, students develop 21st Century competencies and life skills through customised programmes such as exciting overseas immersion programmes. Through our environmental programme, students apply what they have learnt about the environment in authentic contexts, contributing meaningfully to environmental protection. **Generous Spirit:** Character is shaped through rigorous academic and CCA experiences where values such as integrity and commitment are emphasised. We promote a positive peer culture where excellence is attained through mutual help and encouragement. In CCA, our students learn the importance of giving of their best and take joy in celebrating one another's success. In VIA, students contribute by serving their peers and in helping local and overseas communities.

MERIDIAN SECONDARY SCHOOL

Option Code : **3076**

31 PASIR RIS STREET 51 S(518901)

(Tel) 65831387 (Fax) 65836467

Website Address: <http://www.meridiansec.moe.edu.sg>

School Vision : Joyful Learners, Creative Thinkers, Compassionate Leaders

School Mission : To nurture in Meridians inquiring minds and caring hearts for their pursuit of excellence

School Philosophy, Culture and Ethos

We believe that every child is a unique and precious individual who can learn and be developed holistically. We nurture talents and shape the character of students through a range of student-centric and values-driven programmes and experiences. We provide a nurturing and conducive environment for learning so that students can grow, build confidence and strive for success. Students learn best when they collaborate with others and are well supported by their teachers, peers and parents. Our team of unwavering, caring and competent staff lead, care and inspire our students to bring out the best in them, and enable our students to discover their passion and fulfil their aspirations. Anchored in sound values, and imbued with a strong sense of integrity and accountability, the staff are committed to serve, innovate and make a positive impact on the community. Our dedicated school partners provide further support through opportunities to enrich the students' learning. Together, we equip our students with sound values and competencies that they need for the future.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (PHY, CHEM)

Special Student Development Programmes Offered

Our teaching and learning programme caters to the diverse talents and abilities of students to support and stretch their learning. Through the Personalised Digital Learning Programme (since 2019), students are engaged in self-directed and collaborative learning anywhere and anytime. Our Growing Leaders programme in the area of student leadership is our Learning for Life Programme (LLP). We believe that every student has the potential to become a confident leader of sound character through structured, differentiated, and meaningful experiences provided in the student leadership programme. Our Applied Learning Programme (ALP) in Visual Communication combines the core elements of English Language, Humanities and Art as well as various components of new media and design to encourage imagination, create inspiration and develop innovation among our students. Media is integrated into the curriculum through digital photography, broadcast journalism and digital video design. The Enhanced Art Programme, a special Art curriculum for selected students who demonstrate a high level of interest in visual art, provides them with opportunities to learn a wide variety of art-making techniques from master artists and overseas immersion programmes. Developing Innovative Learners through Design Thinking (DT) is another signature programme where students actively seek to understand problems faced by users and develop innovative solutions using the DT approach. The Values In Action programme for Sec 3 students allows them to initiate, lead and work in groups to carry out a year-long service learning project to serve the community. The Co-curricular Activities nurture talents and shape character by providing opportunities for students to hone their leadership skills, build team and school spirit, and cultivate an appreciation for the outdoors and the aesthetics.

CCAs Offered

School Vision : Godly women of Excellence with a heart of Love.

School Mission : To educate every girl in a Christian environment in order that she may MASTER, GROW and SERVE in every phase of her life.

School Philosophy, Culture and Ethos

The MGS identity is reflected in our robust programmes to Make Space, Grow Girls and Spark Joy to nurture the Godly, Resilient and Future-ready MGS girl. The school's programmes imbue students with the competencies and dispositions to navigate challenges, lead purposeful lives and contribute to their community. The school's culture of care and concern allows MGS girls to honour self and others and to thrive in an open and positive environment. Emphasis is placed on the mastery of what is important in life, such as intellectual, physical and social skills. Leadership, confidence, responsibility, respect, resilience and integrity are some of the qualities cultivated in the MGS girl, and the curricular and co-curricular programmes provide the arena for the development and growth in character and personhood. The MGS Maker Movement and other pioneering initiatives by the school enable the creative and collaborative learner to hone real world skills relevant for the future world and flourish holistically. MGS holds firm the key tenets of the MGS education to develop Godly women of Excellence with a heart of Love, with the readiness To Master, To Grow and To Serve.

MONTFORT SECONDARY SCHOOL

Option Code : **7011**

50 HOUGANG AVENUE 8 S(538785)

(Tel) 65107070 (Fax) 63862804

Website Address: <http://www.montfortsec.moe.edu.sg>

School Vision : A Man for Others - a Scholar, Sportsman, Gentleman and Leader

School Mission : Montfort is a Catholic School. Guided by our Montfortian values and spirituality, we nurture each individual to realise his potential and inspire him to be a Man for Others.

School Philosophy, Culture and Ethos

Montfort Secondary School, established in 1916, is a government-aided school of the Montfort Brothers of St Gabriel under the Catholic Archdiocese of Singapore. As a Catholic school, we espouse the universal gospel values and are committed to providing an inclusive, safe and dynamic environment for all our boys, regardless of faith and background. We also believe that there is a place for an all-boys education and we develop and cater our programmes to the boys' needs - giving them appropriate structure and discipline as well as the space to grow and discover their leadership, talents and strengths. Our School Motto "Age Quod Agis" ("Do Well in Whatever you Do"), reminds our boys of the dignity of work and that the work they do is important and represents who they are. Hence, they need to take pride in their assigned tasks and do them to the best of their abilities. Our School Values are Compassion, Humility, Respect, Integrity, Service, Team Spirit and Excellence - spelled CHRISTE which also represents our faith in God and Christ.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, COMPUTING, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), MALAY, MATHEMATICS, MUSIC, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), TAMIL

Special Student Development Programmes Offered

Underlying Montfort Secondary School's teaching and learning approach is the belief that boys learn better when we adopt Boy-Centric Teaching (BCT) strategies. Translated into classroom delivery, this would mean that teachers now incorporate novelty, movement and relevance into their lessons. The Applied Learning Programme (ALP) in Information Systems Technology & Design aims to provide our students with foundational skills in this frontier learning domain. The development of leadership and character is another vital part of our Montfortian Education. We do this through our flagship Montfortian Values Plus (MVP) programme and supported by a tiered Values-in-Action Programme for our boys from Sec 1 to 5. Our Learning for Life Programme (LLP) is centred on Leadership Development through Sports (Badminton, Softball, Football, Wushu, Rugby & Basketball) & Outdoor Education, where our boys hone their leadership skills through various class, CCA and community projects. For our Catholic boys, the programmes catered for them include Religious and Moral Education lessons and regular Eucharistic celebrations. The school also provides opportunities for the students to appreciate the Arts through our 3 "E" Approach (Exposure, Expression & Excellence).

CCAs Offered

School Vision : Future-Ready Thinkers. Bicultural Leaders. Caring Citizens

School Mission : To nurture bilingual NCzens who learn with zest, lead with confidence, and serve with empathy

School Philosophy, Culture and Ethos

Nan Chiau High School endeavours to develop passionate learners who are strong in the command of both English and Mandarin, are curious in the acquisition of knowledge and push personal frontiers in learning. They are able to think deeply and rationally about decisions and innovate solutions for problems. The school also nurtures confident leaders with strong shared values and are discerning in judgements. They are courageous and unwavering in overcoming obstacles and difficulties. They are able to communicate effectively and serve the community and nation with empathy and fortitude. Our NCHS staff is competent, committed and nurturing. By establishing an active learning, positive and innovative school culture, the team strives to develop and empower all NCzens to accomplish their potential. Together with Singapore Hokkien Huay Kuan, our strong School Management Committee, as well as our dedicated alumni and supportive parents, Nan Chiau High School is the choice school to develop future leaders of strong moral and performance character.

Subjects Offered

ADDITIONAL MATHEMATICS, ART 'O' LEVEL, BIOLOGY, CHEMISTRY, CHINESE, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MUSIC, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN CHINESE), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE IN CHINESE, LITERATURE (E), MALAY (SPECIAL PROGRAMME), MATHEMATICS, PHYSICAL EDUCATION, PHYSICS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM)

Special Student Development Programmes Offered

(1) Our SAP Bicultural Flagship Programme aims to nurture bicultural learners who can thrive in a rising Asia. They will cultivate strong cultural intelligence and be adept in the appreciation of Chinese and other cultures. To develop a strong foundation of language and literary skills in Chinese, all Secondary One students will offer Higher Chinese upon admission. At Upper Secondary level, students offer Literature in Chinese and Literature in English as essential subjects to strengthen their bilingual and bicultural abilities, as well as their critical thinking and communication skills when they learn to critique quality literary texts in class. (2) Since 2020, NCHS offers the MOE Chinese Language Elective Programme (CLEP-Sec) to promising Secondary Three students who are keen to attain a high level of Chinese language proficiency and enhance their understanding of Chinese literature. Students who are enrolled in CLEP-Sec will offer the O-Level Literature in Chinese as an anchor subject, in either full or elective, and outstanding students will be awarded MOE scholarships. (3) The Global Classroom Programme broadens our students' minds through Bicultural Learning, Talent Development, Service-Learning and Immersion Experience. (4) The Learning for Life Programme (LLP) provides a unique cognitive-aesthetic domain of learning through Drama-in-Education, Public Speaking, Debate, Puppetry and Creative Lyrical Composition. The LLP encourages students' self-expression, nurtures their aesthetics appreciation and allows them to learn to embrace cultural diversity. (5) To develop and make innovation as an integral part of the school culture, our students go through Design Thinking Module, Science Research Modules and Arduino Micro-controller Module in Applied Learning programme (ALP). (6) The school-wide Service-Learning Programme develops NCZens 21st century competencies to lead, serve and inspire.

NAN HUA HIGH SCHOOL

41 CLEMENTI AVENUE 1 S(129956)

(Tel) 67788303 (Fax) 67751956

Website Address: <http://www.nanhuahigh.moe.edu.sg>

Option Code : **3047**

School Vision : A school of excellence that nurtures world-ready Bicultural Scholars who embrace tradition and are champions of society.

School Mission : To nurture confident, creative and cultured students with a passion for learning.

School Philosophy, Culture and Ethos

Nan Hua High School is founded on the Confucian values Li Yi Lian Chi Zhong Xiao Ren Ai. We take pride in our school heritage and believe in providing a student-centric, values-driven holistic education anchored on the four tenets of school culture - 'Ren', Excellence, Learning and Collegiality. Our learning environment nurtures each child's talents and interests especially through our niche programmes, namely the SAP (Special Assistance Plan) & Bicultural Programme, Performing Arts, and Environment Education. Our values education emphasises the development of each Nanhuanian as "junzi" or scholar in the Confucian context.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER ART, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE IN CHINESE, LITERATURE(E), MALAY (SPECIAL PROGRAMME), MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, SCIENCE

Special Student Development Programmes Offered

The school offers the Chinese Language Elective Programme (CLEP). In addition, the school's SAP and Bicultural Programme emphasises the inculcation of school values and culture. In line with our school vision of developing bicultural scholars, our Bicultural Programme nurtures students to have bicultural perspectives; to understand the western and eastern ways of thinking and distil the best of both. In the curriculum, Secondary 1 students learn to appreciate Chinese culture and traditions. Translation, Bicultural Studies as well as learning about Contemporary China enable Secondary 2 and 3 students to learn techniques of translation, discuss issues of bicultural interests as well as issues and trends in modern China respectively. The Bicultural Week activities, Confucius Camp and celebration of the Mid-Autumn Festival are examples of opportunities for students to learn and live out values beyond the classroom. Our Character Education Programme is centred on the eight Confucian values of providing the focus for students to learn and understand Confucian values in the context of ancient times and its application to the 21st century world. These values are taught through narratives and stories, allowing students to discuss and internalise the values. To complement what is taught in the classroom, the Values Portal is prepared specially for parents to engage their child in further conversations at home. Other programmes include Camp Achiever, a school-wide camp, and the Ceremonial Walk through the Values Gateway, which serves to enable students to imbibe school values and symbolises Nanhuanians embracing the school values respectively. CnME is a school-developed curriculum where our students develop 21st century competencies as they explore areas of interest. The CnME curriculum has elements of collaborative work, research and ICT skills and a focus on creativity.

School Vision : Every Nanyang Girl a Respected Member of Society and an Agent of Change

School Mission : We nurture women of character and purpose with bilingual and bicultural perspectives, empowering them to make a difference in the world.

School Philosophy, Culture and Ethos

Founded in 1917, the school has remained true to our goal in nurturing well-educated ladies who will contribute to society. Given the school's emphasis on bicultural education, we pride ourselves in providing a holistic education, allowing all girls to thrive in a globalised world. Our curriculum is anchored in values that seek to develop our students to be Women of Character, Empowered Learners and Agents of Change, equipped with the knowledge, skills and attributes for the future. The Nanyang experience engages our students in authentic and relevant learning that guides them to create meaningful shared outcomes.

Subjects Offered

BIOLOGY, CHEMISTRY, GEOGRAPHY, HIGHER ART, HIGHER CHINESE, HIGHER MUSIC, HISTORY, INTEGRATED HUMANITIES, INTEGRATED MATHEMATICS, LANGUAGE ARTS, LITERATURE IN CHINESE, LITERATURE(E), MALAY (SPECIAL PROGRAMME), PHYSICS

Special Student Development Programmes Offered

The Nanyang Curriculum aims to nurture Nanyang girls into Women of Character, Empowered Learners and Agents of Change. The Learning to Be & Live Curriculum guided by the practice of Positive Education focusses on self and character development through powerful experiences such as Boarding School Experience and Global Classroom Programme along with active reflection. The Learning to Learn Curriculum includes academic studies and uniquely designed programmes such as the SPICE (Serving People through Innovation, Creativity and Entrepreneurship) programme, which integrates interdisciplinary studies with Community Education through a Design Thinking approach, and Student Inquiry Assignment, which allows for authentic transfer of knowledge and skills and independent discovery. Other programmes that develop our girls' diverse talents include Chinese Language Elective Programme, Humanities Programme, Science & Mathematics Talent Programme, Art Elective Programme and Higher Music Programme. In developing young ladies who can confidently navigate across cultures, the Bicultural Studies Programme nurtures students' passion in learning the East and West cultures, while the Malay Special Programme and Exploration into Ethnicity offer opportunities for cross-cultural perspectives. The Learning to Serve and Lead Curriculum is built upon the philosophy of Servant Leadership. Service and leadership opportunities are integrated into other aspects of the curriculum, where we develop our students' leadership competencies through service and create opportunities for them to contribute their talents for the good of the society.

CCAs Offered

NAVAL BASE SECONDARY SCHOOL

Option Code : **3214**

901 YISHUN RING ROAD S(768689)

(Tel) 62571996 (Fax) 67557706

Website Address: <http://www.navalbasesec.moe.edu.sg>

School Vision : Leaders of Character, School of Excellence

School Mission : Every Navalite to achieve personal mastery and impact others positively.

School Philosophy, Culture and Ethos

The school places strong emphasis on both performance and moral character for staff and students, with excellence being a key attitude trait. In NBSS, both staff and the students embrace the school's core values (ExC2lTe); Excellence, Care, Courage, Integrity and Teamwork, which anchor the way all will behave. This is also reflected in the school's motto: Enitamur in Alitora (Be Our Best - aim to achieve as high as possible, be at one's best and inspire others). The school thus sees excellence as both a value and an attitude while success is the outcome of exhibiting excellence.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, HIGHER CHINESE, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), MALAY, MATHEMATICS, MUSIC NT LEVEL, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), TAMIL

Special Student Development Programmes Offered

NBSS actively applies questioning techniques as a key pedagogical approach to get students to reflect and acquire knowledge. The school offers Talent Development Programme (TDP) for students who show keen interest and potential in cognitive development. As part of the programme, students hone their communication and presentation skills, and gain increased exposure through participation in local and international academic competitions. Students also develop creative academic games and organise competitions for primary school students in the area of English Language, Mathematics and Science. The school uses the Pyramid of Success (PoS) as a key frame for character formation, anchored on the development of moral and performance character traits in every student. Students develop both performance and moral character traits through active use of SHIPSHAPE, our leadership development model, adapted from PoS. Aligned to this, the school's Learning for Life Programme (LLP) is "Character Education through Sports" where students learn to play a variety of sports, are given exposure to varied roles in different sports and exercise character traits of PoS. The school offers both Applied Learning Programme (ALP) in Art and Enhanced Art Programme (EAP). Through these, students acquire both breadth and depth of art learning in media such as drawing and painting, character and fashion design, visual communications, ceramic art and digital media. Signature programmes include the annual art exhibition and overseas study trip, an Art CCA and the Art Talent Development Programme (ATDP). Students regularly interact and work with practitioners through artist talks, student-practitioner collaborative projects and the unprecedented Learn to Curate Programme developed in collaboration with the National Gallery Singapore.

CCAs Offered

Physical Sports : BASKETBALL, NETBALL, SEPAK TAKRAW, SOCCER, TABLE TENNIS

NEW TOWN SECONDARY SCHOOL

Option Code : **3507**

1020 DOVER ROAD S(139657)

(Tel) 67754140 (Fax) 67752310

Website Address: <http://www.newtownsec.moe.edu.sg>

School Vision : Nurturing Talents, Sharing Success

School Mission : A school of excellence which nurtures the youths of today for the challenges of tomorrow

School Philosophy, Culture and Ethos

Our philosophy, 'Students Our Core' guides the school to enable our students to uncover their strengths and develop their talents through a holistic curriculum. Our staff and the school community seek to instill the values of care and concern, self-discipline, integrity, resilience and resourcefulness in our students, so that they have the character and positive attitude towards learning and life, becoming resilient learners, compassionate citizens, and confident leaders and able 'To Forge a Better Life' for themselves and actively contribute to society.

Special Student Development Programmes Offered

With the establishment of our school niche in Community and Youth Leadership (Learning for Life Programme or LLP), the school provides an array of programmes and activities to further develop and nurture the leadership qualities in our students. Through planned approaches and community partnership, the LLP aims to enable our students not only to lead their own lives responsibly but also to be able to impact others meaningfully through their leadership and services. To enable our students to be resilient learners and to equip them with critical and inventive thinking skills, the school has identified Visual Communication as its second niche under the Applied Learning Programme or ALP. Using a thematic approach that spans across subject areas such as Science, Art, Humanities and English, and by tapping on current related platforms and resources within and beyond the school, we aim to better prepare students for the challenges and opportunities in a rapidly changing world. The school's Enhanced Art Programme (EAP) provide opportunities for students with a keen disposition and ability in art to develop their talent. Our 2-year upper secondary programme (GCE-O level Art), provides an enhanced experience where students develop their repertoire of artistic processes and workflows, work alongside like-minded students from other EAP schools, develop understanding of industry practices through curating and exhibiting, and learn from industry practitioners and artists through masterclasses and learning experiences. To enhance the development of our students, our school partners with University Town (NUS) to implement the U-Town Mentoring Programme and University Scholars Writing Mentorship Programme.

CCAs Offered

NGEE ANN SECONDARY SCHOOL

1 TAMPINES STREET 32 S(529283)

(Tel) 67844583 (Fax) 67840453

Website Address: <http://www.ngeeannsec.moe.edu.sg>

Option Code : **7310**

School Vision : An Icon of Excellence and the Pride of the Community.

School Mission : Teaching, Touching and Transforming Lives

School Philosophy, Culture and Ethos

Ngee Ann Secondary is committed to be an excellent school of the future that develops Future-Ready Learners and Forward-Looking Leaders. As a School of Possibilities and a Home to Grow In for all, we recognise that each learner is unique. We seek to provide an education that provides the space for students to discover and develop their potential in a nurturing environment that helps every youth bloom. Our curriculum is designed with the future and the student in mind in a dynamic and tech-enriched culture that is in sync with how our students learn, work and play. We emphasise character and care, balanced with discipline, and seek to cultivate in students the values of Respect, Responsibility, Resilience, Care, Commitment and Integrity. We are known as an extraordinary school with many extraordinary experiences through the programmes, activities and events we design to meet the needs and interests of all our students. As a leading school in the use of ICT for teaching and learning, our teachers are at the forefront of pedagogical innovations, and engage students in learning through the innovative and effective use of ICT. The school's success is attributed to the strong support of our parents, alumni, partners and our staff's commitment to do our utmost for our students.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, COMPUTING, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SMART ELECTRICAL TECHNOLOGY

Special Student Development Programmes Offered

Ngee Ann Secondary offers a plethora of learning experiences to develop our students to be global citizens of the future. To encourage self-directed learning, our school has been a forerunner in 1-to-1 computing where students bring a personal learning device for lessons. Our SPARKS Talent Development Programme stretches students with potential in Mathematics and Science. Students who have a flair for Languages and the Humanities are challenged and developed through our CHAMPS Talent Development Programme. As a school offering the Enhanced Art Programme, we develop in students a love for and mastery in art and design. Our CODE@NAS and Technopreneur Programme develop students into computational thinkers and stretches those with passion and talent for coding and programming. Other unique student experiences offered by the school include Maker Faire, Young Academy (for students in the Normal Courses) and Career Awareness Days. Our students acquire leadership skills through Adventure Camps and Leadership Training Camps. Students have opportunities to participate in overseas exchanges and cultural programmes for global exposure with our network of overseas partner schools.

NORTH VISTA SECONDARY SCHOOL

Option Code : **3071**

11 RIVERVALE LINK S(545081)

(Tel) 68793930 (Fax) 68793931

Website Address: <http://www.northvistasec.moe.edu.sg>

School Vision : Vistarians of character who learn, strive and contribute, for a better future.

School Mission : We are committed to providing Vistarians with a holistic education that will equip them with the necessary values, knowledge and skills to meet challenges of the future

School Philosophy, Culture and Ethos

The Vistarian Experience, guided by the philosophy of 'A World of Possibilities', ensures that all Vistarians receive an all-round education. North Vista Secondary provides a balanced education through its Academic and Affective programmes to nurture Inquiring Thinkers, Caring, Responsible and Resilient Individuals who are equipped to face the challenges of a globalized world. The Academic programme includes the core and elective subjects while the Affective programme includes values and character education through CCE lessons, student leadership and the various CCAs that the school has to offer. Differentiated Instruction (DI) has been adopted as the core pedagogical approach in the school as departments aim to cater to the different interests, abilities and needs of our students.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), EXERCISE AND SPORTS SCIENCE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), PHYSICAL EDUCATION, PHYSICS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T)

Special Student Development Programmes Offered

Academic and Affective programmes nurture Vistarians to be confident and competent individuals, ready to contribute with passion in a globalised world. Cutting edge curriculum approaches are a key feature in the Academic Programmes of the school and are employed in all subjects to make teaching and learning Exciting, Enriching and Engaging. Approaches like Assessment for Learning, Inquiry-Based Learning and Story-telling allow students a stronger grasp of subjects like English Language, Humanities, and the Arts. Experiential Learning opportunities provided in collaboration with the polytechnics which offer Advanced Elective Modules complement learning in the Sciences. The school also offers Exercise and Sports Science as a GCE O-Level Subject for students keen on pursuing their studies in sports science. Through its Affective Programmes such as the Leadership Programme, the NV Goes Global Programme and Character Education Programmes, students are offered a broad range of experiences both within and beyond our shores. The school's Applied Learning Programme (ALP), Investigative Science in Health and Sports, develops students' interest in learning through investigative science and forensics. The Learning for Life Programme (LLP), Nurturing Creative Problem Solving through Arts and Design, aims to develop active citizens who are able to empathise with, and respond creatively to the needs of the community. Students gain authentic learning experiences through Vista Week which provides them with a week of culture, adventure and reflection. Enrichment programmes are carried out regularly during which Vistarians leave the comfort of their classrooms for learning experiences that are catered to their varied talents and interests.

NORTHBROOKS SECONDARY SCHOOL

585 YISHUN RING ROAD S(768692)

(Tel) 67524311 (Fax) 67566110

Website Address: <http://www.northbrookssec.moe.edu.sg>

Option Code : **3612**

School Vision : Every Brooksonian a Champion, Impacting the Community.

School Mission : To empower Brooksians to develop a passion for learning, strong moral values and a keen sense of duty and community.

School Philosophy, Culture and Ethos

Our school motto, Soaring Yet Rooted, challenges our students to SOAR to greater heights whilst staying ROOTED in strong values and to be motivated to excel, lead and serve. We aim for all students to strive for their very best in whatever they do and always be grateful to the people who have helped them in their journey. The school aims to imbue in every Brooksonian our core values of Graciousness, Integrity, Fortitude, Teamwork, Empathy and Discipline (G.I.F.T.E.D.) through Brooksonian education experience. Guided by this core mission, our purpose is to make a conscious effort to design a plethora of deep learning experiences and quality interactions within the school and beyond through Positive Education to maximize every Brooksonian potential. The school is committed to building a strong Home-School-Community Partnership that brings the multiple agencies, both local and overseas together to collaborate and co-create for the purpose of the greater good.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), MALAY, MATHEMATICS, PHYSICS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T)

Special Student Development Programmes Offered

The school offers a variety of programmes to widen the students' learning experiences for greater development in cognitive, social-moral, leadership, physical and aesthetic domains. The school's distinctive Applied Learning Programme (ALP) in Aerospace equips Brooksians with knowledge in aerospace topics and essential STEM skills. The ALP provides Brooksians with an edge when applying for aerospace-related courses at the Institute of Higher Learning. Our Learning for Life Programme (LLP) in Outdoor Education aims to develop character, inculcate values of grit and resilience and build leadership traits in all students, as they learn adventure skills such as orienteering as well as cultivate an appreciation for the environment. In addition, the Stained Glass Art Programme empowers the students to express their creativity and develop their spirit of innovation. As the making of stained glass artwork requires skill and patience, students working in teams will develop fortitude while learning to value each other's strengths. Northbrooks offers a range of Values-in-Action opportunities for all students. All students take part in Recyclatron, an annual recycling activity which allows students to spread the message of the 5Rs - Refuse; Reduce; Reuse; Repair and Recycle. The Secondary Two students undergo a learning journey to VWOs to learn the fundamentals of Service Learning while the Secondary Three students initiate a service learning project leveraging on Design Thinking processes. The Whole-School Approach to Effective Communication (WSA-EC) and D.E.A.R. (Drop Everything And Read) Time aims to build students' competencies in communicating and reading in English and Mother Tongue Languages. By building all these competencies, the school hopes to better prepare a stronger generation for the future.

NORTHLAND SECONDARY SCHOOL

Option Code : **3058**

3 YISHUN STREET 22 S(768578)

(Tel) 62576781 (Fax) 62573634

Website Address: <http://www.northlandsec.moe.edu.sg>

School Vision : Learners Who Share, Citizens Who Care, Leaders Who Dare

School Mission : Nurturing Character, Inspiring Learning

School Philosophy, Culture and Ethos

Northland Secondary School offers a new beginning of personal growth and holistic learning. The school believes that learning is a lifelong pursuit that requires discipline, responsibility and self-directedness. To this end, school programmes are all-rounded, values-driven and anchored on strong fundamentals. The school nurtures in students good habits of reading, reflection and critical thinking, all of which stand them in good stead in an increasingly complex and ever-changing environment. Northland Secondary also centres around a culture of care. We build positive relationships based on respect and empathy for others. The school uses the metaphor of the Northstar to communicate our firm belief in each of our students' ability and potential to be the best that they can be - responsible Learners who Share, respectful Citizens who Care and resilient Leaders who Dare.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HISTORY, LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, RETAIL OPERATIONS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL

Special Student Development Programmes Offered

The school adopts a whole-school approach to holistic education through the following signature programmes. All levels of students participate in SPARCLE 1, a week-long experiential learning experience which centres on the socio-emotional and physical domains of development. Through a focus on Character Development & ECG, students participate in level camps, elective modules, as well as our signature Northland Overseas VIA (NOVIA) trips. NOVIA seeks to broaden students' horizons as they serve in cross-cultural contexts. In addition, students participate in SPARCLE 2 as well, which centres on the cognitive and aesthetic domains of development. During SPARCLE 2, through an interdisciplinary, thematic approach to project-based learning, students collaborate to experience Joy of Learning through a real-world journey through the academic disciplines and the arts. In addition, in response to real-world problems, the school's Applied Learning Programme (ALP) on Gerontology and Geriatrics aims to enable our students to acquire knowledge about the biological, cognitive and social aspects of aging through hands-on activities and scientific experiments. Game for Life is the school's Learning for Life Programme, which develops students' socio-emotional competencies through an exciting variety of sports and physical activities across the year, inculcating habits which empower them to engage in healthy pursuits throughout life. The school has a proud sporting tradition, especially in Hockey and Floorball, with several players representing Singapore in prestigious international competitions.

CCAs Offered

They will be cultured young men and women of integrity, responsible and compassionate towards their fellow men.

School Philosophy, Culture and Ethos

Every child matters at OPSS. The school's philosophy of the '6 Everys' guides the thinking and actions of all staff in providing quality and meaningful school experiences through our school-based curriculum: Every Student of OPSS deserves to be my Student; Every Student of OPSS deserves my Best; Every Student of OPSS deserves to be given Opportunities; Every Second a Teaching Moment; Every Inch a Learning Space; Every Interaction an Edifying Experience. We aspire to grow and nurture our students into wholesome, contributing and thinking individuals with robust character and a quest for knowledge and learning. Holistic education@OPSS focuses on developing the whole child in the different domains as encapsulated in PIES-MA (Physical, Intellectual, Emotional, Social, Moral and Aesthetics). Underpinning it is the building of strong Teacher-Student Relationships (TSR) and the "Discipline with Care" approach. OPSS is known in the neighbourhood as a school with good discipline and caring teachers. The 4As (Attendance, Appearance, Assignment, Attentiveness) are emphasised to maintain a positive learning climate and the culture of care is evident in our whole-school approach to character development. The school also works closely with parents and stakeholders, leveraging on strategic partnerships, to provide a fulfilling and joyful educational experience for our students.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), MALAY, MATHEMATICS, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM)

Special Student Development Programmes Offered

Some key learning programmes include: Sec 1-3 Personalised Digital Learning Programme, Drama-in-Curriculum for Sec 1 & 2, 3-tier Student Empowerment Programme, PE Outdoor Learning, Student-initiated Interest Groups, Service Learning, interdisciplinary learning, Student Talents and All Rounders (STAR)-a talent development programme, school-based Normal curriculum and overseas immersion. OPSS delivers its LLP through Community Outreach Education (CORE), which works towards building student leadership, particularly through community leadership. CORE seeks to raise OPSS youths into confident and contributing individuals who will continue to serve and lead others through life. Aligned with our vision to develop our students into gracious and cultured individuals, our ALP in Aesthetics equips students with artistic and critical thinking skills through the infusion of studio habits in the curriculum design, and enriches their learning experiences in Visual Arts and Design through exploration of different art forms. An Enhanced Art Programme (EAP) school since 2016, the school works closely with Arts Education Branch to design a school-based Art Curriculum to richly develop art passions and talents in our school. One of the enhanced infrastructure is the Digital Printing Laboratory.

3 YORK HILL S(168622)

(Tel) 67334077 (Fax) 62352337

Website Address: <http://www.outramsec.moe.edu.sg>

School Vision : Lifelong Learners . Innovative Leaders . Caring Contributors

School Mission : To nurture individuals with a true Outramian SPIRIT

School Philosophy, Culture and Ethos

The school sets out to accomplish the mission of nurturing every individual with a true Outramian SPIRIT. It is committed to the provision of an education that is strongly anchored in developing values and character. For each child that joins Outram, we seek to inculcate in them the school values, 'Sense of belonging - to the school, society and nation, Perseverance, Integrity, Responsibility, Innovative and Teamwork (SPIRIT)' The school motto, 'Labor Omnia Vincit', signifies the importance of 'Labour Conquers All'. The motto highlights the school's belief that through hard work, one can overcome difficulties encountered in life. Success in any area requires our students to exercise self-discipline and diligence as well as make necessary sacrifices so as to accomplish tasks set before them.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD AND CONSUMER EDUCATION, HIGHER CHINESE, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, OECIE BUSINESS STUDIES, PHYSICS, PRINCIPLES OF ACCOUNTS, RETAIL OPERATIONS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

In line with the vision of a 'Good School', we believe in providing our students with rich, rigorous and diverse learning experiences. Besides motivating them with interesting, hands-on activities during instructional programmes, emphasis is also placed on Character and Citizenship Education via CCAs, Social Emotional Learning (SEL), National Education (NE), Assembly and Enrichment Programmes. The formal and informal curriculum offered to all students includes Sports for Life programmes, and Outram Project Experiential Learning (OPEL), an interdisciplinary project which sets out to develop all students in values, aesthetics, and design thinking skills. As OSS has a long, reputable history in the area of commerce and accounting, our Applied Learning Programme (ALP) is Excellence through Business and Enterprise (B&E). We offer a wide range of business-related courses such as Business Studies, Principles of Accounting, Retail Operations and Advanced Elective Modules (AEMs) in areas such as Marketing and London Chamber of Commerce and Industry (LCCI) International Qualifications. The School has a Learning for Life (LLP) programme delivered through the Sports for Life framework which comprises three domains, namely Mass Participation, Sports Engagement, and Talent Development. Students are nurtured holistically through the values inculcated through Sports to become well-developed youths of the 21st century.

PASIR RIS CREST SECONDARY SCHOOL

Option Code : **3613**

11 PASIR RIS STREET 41 S(518934)

(Tel) 65811655 (Fax) 65813226

Website Address: <http://www.prcss.moe.edu.sg>

School Vision : A Choice School, A Caring Home

School Mission : Nurturing TOMORROW's learners, who are the pride of their family, society and nation, TODAY.

School Philosophy, Culture and Ethos

Pasir Ris Crest Secondary School is committed to helping our students achieve academic success and develop good character and values. We strive to give our students a quality learning experience that is steeped in the learning of values as well as knowledge and skills needed for the 21st Century. We develop Crestians to be active and engaged learners, innovative problem-solvers, effective communicators, self-disciplined and responsible leaders, and active and concerned citizens with global awareness. Our emphasis on quality teaching and the belief that all Crestians can learn and achieve have guided us in developing good teaching and learning programmes that have yielded positive outcomes. Through character education and student leadership development, we aim to inculcate in our students sound values and nurture Crestian Overcomers with strength of character to overcome challenges in life.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART NA LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HIGHER CHINESE, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, MUSIC 'O' LEVEL, MUSIC NT LEVEL, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

The school's enhanced Applied Learning Programme (ALP) in Languages, Crestian Communicators of the 21st Century, aims to develop Crestians to be confident and effective communicators. All students learn effective oral and written communication through its Reading, Public Speaking and Critical Writing Programme. Students also apply the skills learnt through storytelling, broadcasting, photojournalism, video documentary production and persuasive communication. Our public speaking programme trains our students to think on their feet and present lucid and sound arguments, developing in them skills which are important in today's globalised world. As the Music Satellite of East Zone Centre of Excellence for Creative Arts, the school offers Nurturing Crestian Learners of Tomorrow through Music and the Performing Arts as its Learning for Life Programme (LLP). It offers Music at O and NT Level and develops students' potential in music through its customised Lower Secondary Music curriculum. All our students learn instrumental, ensemble and music arranging skills, and play at least 3 musical instruments. They also enjoy the opportunity to showcase their talents such as at recess performance and Crestians Got Talent Competition. Through the school's NYAA programme, our students undergo an outdoor adventure learning camp where they acquire 21st Century Competencies such as critical and inventive thinking, and communication skills. As part of their service to the community, students plan and execute a Values-in-Action project to raise awareness and/or funds for a charitable organisation.

School Vision : Confident Learners, Caring & Resilient Citizens

School Mission : Inspiring Lives, Nurturing Talents, Realising Dreams

School Philosophy, Culture and Ethos

At Pasir Ris, we believe that every student is important and has the potential to learn and excel. Every student is unique and valued, and will have many opportunities to discover and develop his/her strengths and talents. We provide a nurturing environment and stimulating curriculum for our students to develop them into confident learners, caring and resilient citizens. Character development is emphasized and our core values of Pride, Responsibility, Integrity, Zeal and Empathy undergird our school culture and programmes. Every staff member is a designer of learning and plays an important role in helping every student fulfil his/her potential. We believe in providing a holistic and quality education that is forward looking, meaningful and enriching to prepare our students well for the future.

Subjects Offered

Special Student Development Programmes Offered

Our Applied Learning Programme(ALP)- 'Eye on the World: Stories through Journalism' fosters the joy of learning in Humanities and English Language and cultivates in students 21st Century competencies including effective communication and collaboration skills, critical thinking, civic literacy, global awareness and cross-cultural understanding. The programme provides students with a rich discourse on contemporary issues and application to real world problems. Leveraging technology to cater to digital learners, students will have opportunities as 'journalists' to produce podcasts, videos and newsworthy articles. Students can look forward to exciting authentic learning experiences such as fieldwork, overseas learning journeys, inter-disciplinary and Values-in-Action projects. Complementing our ALP is our Learning for Life Programme(LLP) in Music and Performing Arts. This broad-based programme is encapsulated as SHINE: Self-discovery of interest and ability, Heritage & cultural appreciation, Interaction & Collaborative learning, eNgagement in community outreach & partnership and Excellence in artistic expression. Through cultural workshops, drama-in-curriculum classes, theatre experience, masterclasses, accreditation examinations and public performances, students cultivate sound values, social-emotional competencies, and pursue their passion and talent in the aesthetics. Level Camps (ONEIRIC, SPARK, METAMORPHOSIS, QUEST, CONQUEST) is another dedicated CCE programme that develops character and social emotional competencies in our students through powerful experiential learning. The school has established a robust Tiered System of Support to cater to a diverse profile of learners. Students can expect enriched learning in our ALP and LLP, curricular and co-curricular programmes including Career Guidance and twinning programmes through our partnerships with Institutes of Higher Learning, the community and overseas schools.

Website Address: <http://www.plmgss.moe.edu.sg>

School Vision : An outstanding school of choice producing women of fine character with a passion for life and learning.

School Mission : To nurture every PL-Lite into a whole person who lives in favour with God and Man.

School Philosophy, Culture and Ethos

Founded in 1916, PLMGSS(Sec) is a school rich in heritage and tradition. At the heart of an education in PLMGSS(Sec) is Holistic Education with an emphasis on Character Development. PLMGSS(Sec) aspires to be an outstanding School of Choice which produces women of fine character with a passion for life and learning. PL-Lites are expected to demonstrate the school values as represented in the acronym H.E.A.R.T. - Each PL-Lite Honours God, strives for Excellence, is Adaptable, Respects self and others; and is always Thankful. At the end of their Secondary education journey, PL-Lites will be enriched for life, with each becoming "A Confident PL-Lite, A Passionate Learner, An Active Citizen and An Inspiring Leader".

Subjects Offered

Special Student Development Programmes Offered

The school has a signature PL21 programme where 21st Century Competencies are taught and developed within the formal curriculum. PL-Lites learn to think creatively and critically and develop skill-sets to collaborate and communicate effectively. For PL-Lites with special interests and strengths in specific subjects and interest areas, the school has 2 key development programmes - (a) The Acceleration, Collaboration and Exploration (ACE) Programme is designed to nurture those talented in the areas of Mathematics and Science; (b) The Enhanced Enrichment (EE) programme offers opportunities for PL-Lites to excel in Languages, Humanities, Innovation and Leadership. The Global Classroom, Overseas Schools' Twinning programmes and Overseas Service Learning Projects give PL-Lites the opportunity to learn and serve in real-life contexts overseas. These programmes develop global perspectives, a strong sense of empathy and provide opportunities for PL-Lites to experience joy in making a difference in the lives of others. The Student Leadership curriculum prepares PL-Lites for active citizenship and develops them to be women of vision and influence.

Special Student Development Programmes Offered

We offer a distinctive Project Work Curriculum that integrates both our Applied Learning Programme (Robotics and Programming) and Learning for Life Programme (Community Youth leadership) to develop our students into innovative and compassionate leaders who serve the community. This is done through emphasis on STEM (Science, Technology, Engineering and Mathematics) Education with emerging technologies such as Micro:bit (Code for Fun with IMDA) and Python Programming (Robotics CCA). Through this distinctive programme, students are also developed cognitively by engaging their 'Head', 'Heart' and 'Hands' through Design Thinking to develop social innovations. As the Zonal Lead School for Making, we also work closely with MOE ETD in developing students' digital making skills while cultivating their 21st Century Competencies and the character values of altruism.

CCAs Offered

Option Code : **3232**

School Vision : Critical Minds, Compassionate Hearts

School Mission : To nurture critical and independent learners with love for self, family and society

School Philosophy, Culture and Ethos

Peicai Secondary's (PCSS) value proposition of a Second Home for Peicaians and a Home Away from Home for staff, forms the foundation of the school's ecosystem of care. We develop students to be future ready Peicaians of Character, imbued with the values of Perseverance, Respect, Responsibility, Integrity, Discipline and Empathy. PCSS is committed to provide Peicaians with positive and enriching experiences in a conducive and safe learning environment where they are allowed to learn and grow. Our Instructional, Character and Leadership programmes enrich, enhance and enable our students in the 3 domains of the Head, Heart and Hand. Platforms are provided for Peicaians to contribute to the school, local and global community through student-initiated and teacher-facilitated activities to hone their leadership and 21CC skills, and to make a difference to themselves and the lives of others.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T)

Special Student Development Programmes Offered

Peicai Secondary School's Learning for Life Programme (LLP), Becoming Person for Others; Leadership Through and For the Community, develops character traits and leadership skills of our students as responsible citizens of the future. Students are empowered to plan and implement charity drives for the needy, health-enhancing and well-being programmes for senior citizens and other social leadership activities for the wider community. Our Applied Learning Programme (ALP) exposes students to the Food and Health Science, Geriatrics as well as the F&B Industries and thereby allowing students to explore tertiary education & career pathways in these areas. Students are taught food chemistry, food preservation, food processing and packaging through the experiential learning approach. Students apply these knowledge & skills gained in a project that requires them to find creative solutions to problems faced by the aging population. Peicai Secondary School also offers Direct School Admission (DSA) to Primary 6 students who have a deep belief and passion in three main areas: softball, drama and leadership.

CCAs Offered

Special Student Development Programmes Offered

The school offers the Applied Learning Programme (ALP) and Learning for Life Programme (LLP) which provide students with learning experiences beyond the formal instructional curriculum. The school's ALP, Broadcast Journalism, allows students to apply English and Mother Tongue Language skills from various genres in an authentic setting. All lower secondary students go through the programme where they hone their language skills as they engage in scripting, storyboarding and video-making. Students also acquire related ICT skills integrated into the programme. The programme promotes the use of the language skills to communicate and serve the community. Students also gain insights into possible careers in the fields of media and journalism. The LLP focusses on developing community leaders with the heart to serve through Uniformed Groups and leadership development programmes. It leverages on the strength of the school in Uniformed Groups (UGs) to provide UG experiences for non-UG students. It aims to develop leadership skills progressively in students; beginning with personal and community leadership and culminating in executive leadership. All students will also acquire social emotional competencies and values to become community leaders. In all, the school is committed to nurturing resilient learners with skills and values for effective communication and gracious citizens with the heart to serve.

CCAs Offered

PING YI SECONDARY SCHOOL

61 CHAI CHEE STREET S(468980)

(Tel) 64489580 (Fax) 64442731

Website Address: <http://pingyisec.moe.edu.sg>

Option Code : **3231**

School Vision : A School of Distinction in Learning and Service

School Mission : To nurture and develop our students to be strong and upright in character, passionate about learning and innovative in spirit so as to serve the community

School Philosophy, Culture and Ethos

Ping Yi is well-known for its Restorative Practices (RP), where character development and positive relationships are of paramount importance. We believe in the justice of restoration, participatory learning and responsible decision-making. Our teachers engage our students through relational and innovative teaching strategies, and nurture them through their adolescence, better preparing them for life. The team of very dedicated staff believes in creative and fun ways to help students learn more effectively. Lessons are crafted in exciting, experiential, authentic and meaningful ways. By believing in our students, creating opportunities for them to discover their talents, and developing their abilities to the fullest, the teachers give them confidence to dare to dream and courage to turn their dreams into reality. This has led to very good educational outcomes over the years.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, RETAIL OPERATIONS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SMART ELECTRICAL TECHNOLOGY, SOCIAL STUDIES N(T), TAMIL

Special Student Development Programmes Offered

Design and Aeronautical Engineering @ Ping Yi (our Applied Learning Programme in the area of STEM) provides our students the opportunity to be trained extensively in the Design Protocol, a design process skillset that gives students a structured approach towards enhancing their critical thinking skills in design principles, and developing ideas and solutions. They learn the Art and Science of Flight: from Aerodynamics (the theory of flight), to Aeronautics (the movement of planes in the air) and Aircraft Design (flying with style). Design and aeronautical fundamentals have also been integrated into the Maths and Science curriculum to deepen student understanding. In partnership with Polytechnics and industry partners, and through our own series of authentic learning experiences and workshops, our students take up the challenges of design and production in a fun and dynamic way. Elements of entrepreneurship are introduced to allow students to conduct feasibility and scalability studies, and to communicate their proposals effectively. Our Leadership through Character and Citizenship Education (our Life-long Learning Programme in the area of Community and Youth Leadership) programme provides opportunities for students to develop desired character traits like resilience, tenacity, initiative, team spirit and an orientation towards excellence. Annual level camps, values-in-action activities, work attachment experiences, local and overseas service learning, the NYAA platform and leadership modules provide ample opportunities for students to develop their competencies and to serve the community.

CCAs Offered

School Vision	: PHS honours GOD in mentoring Promise - Keepers, Hope - Builders and Servant - Leaders to bless their world always.
School Mission	: Our mission is to inculcate Christian values in every individual and develop his potential as a total person worthy of God and man.

School Philosophy, Culture and Ethos

The school's vision is to develop our students to be Promise-Keepers, Hope-Builders and Servant-Leaders. To this intent, the school places emphasis on nurturing and developing good character as well as harness the leadership potential in every child; inculcating in them a sense of gratitude and responsibility to the community and nation. To achieve our mission to develop "A Total Person Worthy of God and Man", the school provides a holistic education that seeks to engage students to participate fully in CCA and Student Leadership programmes. The school provides a Christian environment where there is a strong culture of teamwork, learning, excellence, care and self-discipline.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, HIGHER CHINESE, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC NT LEVEL, OECIE ECONOMICS (GCEO), PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T)

Special Student Development Programmes Offered

The school leverages on its Learning for Life Programme (LLP) to support its vision to develop students to be 'Promise-Keepers, Hope-Builders and Servant-Leaders'. All students will undergo customised LLP modules which are based on the Servant-Leadership model by Robert Greenleaf. In tandem with the school's Character First Programme, PHS seeks to harness the potential in every student to be the best that he/she can be. For Community Youth Leadership (CYL), the focus is on providing students with opportunities to be leaders of empathy as they lead in serving the community with a purpose. These programmes collectively develop the mental, physical and emotional wellness to give our students a firm foundation from which they can optimise their performance in their academic pursuit, CCAs and other school activities. The school's Applied Learning Programme (ALP) in Health Science seeks to engage and excite our students in the learning of Science and enable students to experience how Science is applied in real life. Through a customized module on block-based coding using micro:bit, students make gadgets related to Health Science, targeted at the physical and mental well-being of the elderly. The ALP also taps on elements of design thinking to understand the unmet needs of the elderly when designing the gadgets.

CCAs Offered

Physical Sports	: BADMINTON, BASKETBALL, FOOTBALL, TABLE TENNIS, VOLLEYBALL
Uniformed Groups	: BOYS' BRIGADE, GIRLS' BRIGADE, NATIONAL CIVIL DEFENCE CADET CORPS, NCC (SEA), NPCC
Visual And Performing Arts	: CHINESE ORCHESTRA, CHOIR, DANCE, DRAMA, GUZHENG ENSEMBLE, SYMPHONIC BAND
Clubs And Societies	: AUDIO ENGINEERING CLUB, PHMEDIA

Other Important Details / Information

Bus Services	: 45, 70, 71, 76, 86, 825, 851, 851e, 852, 853
MRT Station	: YIO CHU KANG MRT
Type of School	: GOVERNMENT-AIDED SCH/CO-ED SCHOOL/SINGLE SESSION
Mother Tongue Languages Offered	: CHINESE/MALAY/*TAMIL *Students taking Tamil Language will attend lessons at the nearest Tamil Language Centre.
Affiliated School	: ST. ANDREW'S JUNIOR COLLEGE

Aggregate range of 2019 PSLE students posted to 2020 Sec 1

Express	: 236 - 252
Normal (Academic)	: 180 - 199
Normal (Technical)	: 133 - 158

Remarks: Meeting the previous year's minimum aggregate does not guarantee admission to the school. The current year's minimum aggregate may vary and depends on the demand pattern and cohort size.

PUNGGOL SECONDARY SCHOOL

Option Code : **3070**

51 EDGEFIELD PLAINS S(828870)

(Tel) 64897851 (Fax) 64897859

Website Address: <http://www.punggolsec.moe.edu.sg>

School Vision : A community of confident learners and leaders guided by values, motivated to excel.

School Mission : To nurture students with a values-based and value-added education so that they are confident citizens of the future.

School Philosophy, Culture and Ethos

At Punggol Secondary, we believe that education is a journey of self-discovery where our students discover their strengths, weaknesses, talents and form their moral compass. Our team of caring and competent teachers work together to deliver a forward-looking curriculum, grounded in values. This curriculum looks at the progressive development of students, ensures that our learning outcomes are of values and helps our students to be future ready.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MOBILE ROBOTICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (PHY, CHEM), SOCIAL STUDIES N(T), TAMIL

Special Student Development Programmes Offered

Applied Learning Programme in Environmental Education is a flagship programme that leverages the natural and urban design environments offered in Punggol eco-town, right at our doorstep. In Sec 1, students take a waste management module in Science to experiment with vermicomposting, learn about eco-sustainability and develop an awareness about waste management issues in Singapore and around the world. In Sec 2, in the Clean Energy module, a collaboration among Science, Geography and Design & Technology, students explore various types of clean energy. Beyond these modules, outstanding students also pursue their interest through learning journeys and competitions. The school's Learning for Life Programme(LLP) is in Community and Youth Leadership. Through our LLP, the school provides various developmental and leadership opportunities as well as service learning platforms to live the school values of Propriety, Righteousness, Integrity and Self-Respect and work towards developing students into confident learners and leaders. Other programmes include Aesthetics Programme, Reading Programme in English and Mother Tongue Language, after-school PLAY programme to encourage healthy lifestyle, and Internationalisation Programme with varied opportunities for learning beyond Singapore.

CCAs Offered

Physical Sports : AIR RIFLE / SHOOTING, BASKETBALL, FOOTBALL, NETBALL, TABLE TENNIS, VOLLEYBALL

Uniformed Groups : NCC (LAND), NPCC, SCOUTS, SINGAPORE RED CROSS SOCIETY

Visual And Performing Arts : ART CLUB, BAND - SYMPHONIC, CHOIR, DANCE - MODERN, ENSEMBLE - GUZHENG

Clubs And Societies : ENGLISH LDDS, ENVIRONMENT CLUB, INTERACT CLUB, MULTIMEDIA CLUB, TAMIL LDDS

Other Important Details / Information

Bus Services : 3, 34, 62, 82, 83, 85, 136, 965, 386

MRT Station : PUNGGOL MRT, COVE LRT

Type of School : GOVERNMENT SCHOOL/CO-ED SCHOOL/SINGLE SESSION

Mother Tongue Languages Offered : CHINESE/MALAY/TAMIL

Aggregate range of 2019 PSLE students posted to 2020 Sec 1

Express : 205 - 230

Normal (Academic) : 171 - 199

Normal (Technical) : 140 - 158

QUEENSTOWN SECONDARY SCHOOL

Option Code : **3508**

1 STRATHMORE ROAD S(148800)

(Tel) 64741055 (Fax) 64741295

Website Address: <http://www.queenstownsec.moe.edu.sg>

School Vision : Leaders for Tomorrow, Anchored in Values, Committed to Serve.

School Mission : To nurture all Queenstownians to R2ISE as future-ready leaders, actively contributing to society.

School Philosophy, Culture and Ethos

We are a Full Subject-based Banding pilot school. We believe in the ability of an individual to grow and develop their unique strengths, the enhancement of his well-being and the symbiotic relationship between him and society. This philosophy is built on the foundation, 'Every Child Worthy and Every Teacher Transformational', anchored in our 5 core values of Resilience, Respect, Integrity, Service and Excellence. We aim to develop every Queenstownian to be a Confident Advocate, Adaptive Collaborator, Reflective Thinker, Passionate Learner and Innovative Creator with a Growth Mindset in an inclusive school environment.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (PHY, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

The school prepares future-ready Queenstownians by equipping them with the mind-sets and skill-sets to navigate the uncertainties ahead. One of our signature programmes is our Applied Learning Programme (ALP) which focuses on cultivating Disciplined and Synthesising Minds (based on Howard Gardner's 5 Minds for the Future) through investigative thinking. Students apply thinking skills and connect knowledge across subject disciplines in authentic settings. The ALP lays a strong foundation in Queenstownians so that they will gain a competitive edge in the future. In line with the school's motto 'Dare to Serve', the school's Learning for Life Programme (LLP) focuses on Community Youth Leadership (LLP-CYL). The LLP-CYL aims to anchor Queenstownians in self-leadership while nurturing them to become advocates for community needs. The National Youth Achievement Award (NYAA) is a key platform to nurture personal leadership qualities such as self-discipline, resilience, integrity and responsibility to the society and nation. A vast majority of Queenstownians will attain the NYAA Bronze Award, with many going on to pursue and achieve the Silver Award. LLP-CYL Packages and key programmes, such as the Values-in-Action Projects, the annual Quest Learning Festival and overseas immersion programmes, provide real-life learning experiences for Queenstownians to develop the skills and competencies necessary as a Community Youth Leader. Our other accolades include the Vanda Miss Joaquim Award for our extensive Green Efforts, and the sustained achievements of our various CCA Groups. As a Maker Education Lead School (South Zone), our Makers Club allows students to exercise their creativity and apply their design knowledge and skills, promoting the Joy of Learning and Innovation in our students. Our programmes strive to nurture all Queenstownians as "Leaders for Tomorrow, Anchored in Values, Committed to Serve".

CCAs Offered

Physical Sports : BASKETBALL (BOYS), FOOTBALL (BOYS), TABLE TENNIS, VOLLEYBALL, WUSHU

Uniformed Groups : GIRL GUIDES, NCC (LAND) (BOYS), NPCC, SCOUTS (SEA) (BOYS), SINGAPORE RED CROSS SOCIETY

Visual And Performing Arts : BAND - CONCERT, CHOIR, DANCE - CHINESE, DANCE - MALAY, DRAMA - ENGLISH, PHOTOGRAPHY CLUB

Clubs And Societies : INFO COMMUNICATION CLUB, MAKERS CLUB, THINKERS CLUB

Option Code : **3007**

School Vision : Caring Citizens and Life-long Learners in a School of Excellence

School Mission : Providing a holistic education to nurture caring, responsible citizens and confident, life-long learners in a changing world

School Philosophy, Culture and Ethos

We believe that every child is unique, valuable and can achieve success. Every staff makes a difference as we develop students according to their abilities. We inculcate values, good habits and 21st century skills to nurture lifelong learners and caring citizens and work with key stakeholders to build a learning community.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, HIGHER CHINESE, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

The QSS Experience provides varied programmes and opportunities to nurture every Queenswayan to become caring, responsible citizens and confident, life-long learners. QSS aims to develop in students the curiosity towards Science through inquiry-based approaches which develop thinking and collaborative skills and provides hands-on experience in research work. The Applied Learning programme, Future Learning Through Investigation, focuses on developing our students to be Queensway Investigators by developing in them the sense of wonder, sense of competency and sense of collaboration. They will get to experience building a Sea Perch and a series of Life Science investigations as part of the Tier 1 programme. For Tier 2, students can look forward to learn Arduino Programming, and visits to iFLY and Artsience Museum. We also have a distinctive Sports for Life and Outdoor Education Programme (SOE) as its Learning for Life Programme designed for building skills and competencies, developing character and values, and cultivating positive attitudes through active participation in sports and outdoor activities. The QSS Talent Development Programmes caters to students with special talents, and develops their distinct ability and passion. For instance, students with an aptitude in speaking, writing and critical thinking will be enrolled in our English Talent Development Programme where they could look forward to writing and speaking workshops, learning journeys, and entering local and international competitions. The school's Co-Curricular Activities, Character & Citizenship Education and Student Development & Leadership programmes have strong emphasis on character development, leadership, national education, community building and service. Students at each level are cared for and mentored by their Class Mentors and Year Heads who oversee their holistic development and work with school management to ensure effective delivery of student-centric, values-driven education.

CCAs Offered

Physical Sports : BASKETBALL, CROSS COUNTRY, FOOTBALL, HOCKEY, SEPAK TAKRAW, VOLLEYBALL

Uniformed Groups : BOYS' BRIGADE, GIRL GUIDES, NATIONAL CIVIL DEFENCE CADET CORPS, NCC (LAND), NPCC

RAFFLES GIRLS' SCHOOL (SECONDARY)

Option Code : **3008**

2 BRADDELL RISE S(318871)
(Tel) 67371845 (Fax) 62353731
Website Address: <http://www.rgs.edu.sg>

School Vision : To aspire, strive and dare to be active creators of a better age for all.

School Mission : Nurturing the high ability girl to be a leader who will realise her talents in service of nation and community.

School Philosophy, Culture and Ethos

At RGS, every student is nurtured and developed to her fullest potential. Our students journey beyond traditional boundaries to pursue knowledge within a supportive environment that builds dispositions for a fulfilling life and sense of citizenship.

Subjects Offered

ART, BIOLOGY, CHEMISTRY, CHINESE, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & DESIGN, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, INQUIRY & ADVOCACY, LITERATURE(E), MALAY, MATHEMATICS AND ADDITIONAL MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, SCIENCE (LOWER SECONDARY), TAMIL

Special Student Development Programmes Offered

Providing a holistic education, our 6-year Raffles Programme (Y1-4 in RGS and Y5-6 in RI) bypasses the GCE O Level Examinations, featuring an enriched and accelerated curriculum that nurtures high-ability learners. At the end of Y6, RGS girls graduate with the GCE A Level Examination certificate. Student Development develops the personal capacity of RGS girls and nurtures them to be individuals who are conscious of their responsibility to family, community and nation. This is carried out through key structures and programmes such as Student Leadership Development, Character & Leadership Education, Citizenship Education, Values-in-Action Education, Physical Education and Co-Curricular Activities. Talent Development offers students the opportunity to undertake extension activities to explore areas where they have particular interests or aptitude at an in-depth level. It provides flexibility in designing the best fit for students and advocates for students with particular talents in areas such as Academic Aptitude, Creative Thinking, Community and Youth Leadership, Visual & Performing Arts Ability. Special programmes offered include: Third Languages (Arabic, French, German, Japanese, Spanish, Chinese/Malay Special Programmes); Music Elective Programme; Special Art Programme; Regional Studies Programme; Research Studies Programme (featuring Odyssey of the Mind and Future Problem Solving Programme); Raffles Academy - Course Work and Research Modules; Mentorship Programmes in Science, Mathematics, Humanities and Creative Writing; Language Immersion, Values-in-Action, Student Leadership Development, Work Experience, and Education & Career Guidance Programmes.

CCAs Offered

Physical Sports : BADMINTON, BASKETBALL, FENCING, NETBALL, RHYTHMIC GYMNASTICS, SAILING, SHOOTING - AIR RIFLE / AIR PISTOL, SOFTBALL, SQUASH, SWIMMING, TABLE TENNIS, TENNIS, TRACK AND CROSS COUNTRY, TRAMPOLINE GYMNASTICS

Uniformed Groups : GIRL GUIDES, GIRLS' BRIGADE, NCC, NPCC (SEA), RED CROSS YOUTH

Visual And Performing Arts : ANGKLUNG ENSEMBLE, ART AND CRAFT CLUB, BAND SYMPHONIC, CHINESE ORCHESTRA, CHOIR, DANCE INTERNATIONAL, ETHNIC DANCE, GUITAR ENSEMBLE, HANDBELL ENSEMBLE, PHOTOGRAPHIC SOCIETY, RAFFLES DRAMA, STRING ENSEMBLE

Clubs And Societies : COGITARE (SCIENCE), DEBATE AND ORATORICAL SOCIETY, INFOCOMM CLUB, RAFFLES MIND SPORTS, ROBOTICS CLUB

Remarks: Meeting the previous year's minimum aggregate does not guarantee admission to the school. The current year's minimum aggregate may vary and depends on the demand pattern and cohort size.

RAFFLES INSTITUTION

Option Code : **3009**

1 RAFFLES INSTITUTION LANE S(575954)
(Tel) 64199242 (Fax) 64199238
Website Address: <http://www.ri.edu.sg>

School Vision : To be the 'Hope of a Better Age', as encapsulated in the school's Latin motto, Auspiciu Melioris Aevi.

School Mission : Nurturing Thinkers, Leaders and Pioneers of character who serve by leading and lead in serving.

School Philosophy, Culture and Ethos

Founded in 1823, Raffles Institution (RI) provides its students with an all-round education through its integrated six-year Raffles Programme, which leads to the GCE A-Level certification for boys aged 13 to 18 and girls aged 17 to 18. Modelled on exemplary gifted education principles and practices for high-ability learners, the programme lays a solid foundation for critical thinking, innovation and character development. The Cognitive development domain of the programme is based on the GCE A-Level subject specialisations with extended enrichment modules. Through a wide spectrum of programmes, students are nurtured in this and four other domains of life: Character and Leadership; Community and Citizenship; Sports and Health, and Arts and Aesthetics. RI's special focus is on Character and Leadership development, particularly in giving back to the community. The Raffles Programme develops students into thinkers, leaders and pioneers, who understand that the basis of leadership is service, and actively seek to serve others. Students will come to a greater awareness of their talents and gifts, and learn where and how to put these talents to their best use.

Subjects Offered

ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER STUDIES, ENGLISH LANGUAGE, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, LITERATURE(E), MALAY, MALAY (SPECIAL PROGRAMME), MATHEMATICS, MUSIC, PHILOSOPHY, PHYSICS, RESEARCH EDUCATION, TAMIL

Special Student Development Programmes Offered

Character & Leadership Education Programme, Regional Studies Programme (RSP), Raffles Academy (for students with an exceptional aptitude in specific subjects), GAP Semester (a self-directed curriculum where students receive structured mentoring and gain knowledge of both local issues and global solutions), Raffles Boarding Programme, Raffles Science Institute (e.g. in-house research electives, external research attachments), E W Barker Institute of Sports (Sports Science Programme) and RI Lecture Series (a Cabinet Minister is invited to speak to students).

CCAs Offered

Physical Sports : AIR RIFLE / AIR PISTOL, BADMINTON, BASKETBALL, CRICKET, CROSS COUNTRY, FENCING, FLOORBALL, HOCKEY, JUDO, RUGBY, SAILING, SOFTBALL, SQUASH, SWIMMING, TABLE TENNIS, TENNIS, TRACK & FIELD, WATER POLO

Uniformed Groups : BOYS' BRIGADE, NCC (LAND), NPCC, RAFFLES 01 & 02 SCOUTS, RED CROSS YOUTH

Visual And Performing Arts : CHINESE ORCHESTRA, GUITAR ENSEMBLE, MILITARY BAND, RAFFLES PHOTOGRAPHY & ARTS CLUB, RAFFLES PLAYERS (DRAMA), RAFFLES VOICES (CHOIR), STRING ENSEMBLE

Clubs And Societies : CHESS CLUB, CHINESE CULTURAL CLUB, HUMANITIES CLUB, INDIAN CULTURAL CLUB, INFOCOMM CLUB, INTERACT CLUB, MALAY CULTURAL CLUB, MATHEMATICS CLUB, RAFFLES ARCHIVES & MUSEUM, RAFFLES DEBATORS, RAFFLES PUBLICATIONS, SCIENCE & ASTRONOMY CLUB

Other Important Details / Information

Bus Services : 410,13,50,52,53,54,55,56,57,58,59,71,74,88,93,128,130,132,156,157,162,163,165,166,167,851,852,855,980

Option Code : **3618**

School Vision : A Self-Directed Learner. A Confident Leader. In Pursuit of Excellence

School Mission : Realising the Potential of Our Students

School Philosophy, Culture and Ethos

Our students learn to be self-directed learners, who take pride in learning, think critically and make informed decisions. They lead and motivate others to effect positive changes in school and community. In the pursuit of excellence, our students embrace self-belief, seek progress and turn challenges into opportunities for learning and growth. More importantly, they are grounded in the right school values of "Pride, Respect, Integrity, Determination and Empathy". Our staff firmly believes in a student-centric education and we are committed to help students realise their aspirations.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, EXERCISE AND SPORTS SCIENCE, FOOD & NUTRITION, GEOGRAPHY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM)

Special Student Development Programmes Offered

Regent's Applied Learning Programme (ALP) serves as a platform to guide and expose our students in the area of STEM (Science, Technology, Engineering and Math). Secondary 1 students learn to construct an Underwater Remotely Operated Vehicle (ROV) in teams and use block programming to control the ROV using Micro:Bits in Semester 1. They then progress from controlling the vehicle to incorporating sensors into a Micro:Bits vehicle, where they learn how to move the vehicle autonomously in Semester 2. These learning opportunities build up their skills in thinking, self-directing, problem-solving and decision-making. In Secondary 2, the ALP program will be spearheaded by Amazon Web Services (AWS) and Cloud Tech to equip our students with technical literacy in coding and cloud services. Our students will learn how to use AWS services and Python programming language to create websites, chatbots and Alexa & Deeplens applications, in order to provide solutions for real-life problems. Secondary 3 students are exposed to a wider range of STEM industries via Learning Journeys, Elective Modules and Advanced Elective Modules. Regent's Learning for Life Programme (LLP) adopts a whole-school approach to develop student's character, leadership and spirit for volunteering. The approach is achieved through our school's Student Leadership Programme and the Values-in-Action Programme (for youth volunteerism development). The Student Leadership programme equips our students with the attitude, knowledge and skills to lead self, peers and community. The Values-in-Action programme provides our students with the platforms and opportunities to take action and make a difference in school and community. We are increasing opportunities for students to initiate VIA activities so that our students will be able to lead change in causes they are passionate about.

CCAs Offered

Physical Sports : BADMINTON, BASKETBALL, FOOTBALL, NETBALL, TAEKWONDO

Uniformed Groups : BOYS' BRIGADE, GIRLS' BRIGADE, NPCC, SINGAPORE RED CROSS SOCIETY

Visual And Performing Arts : BAND - CONCERT, ENGLISH LITERARY AND DRAMA SOCIETY, MOVEMENT & DANCE, SHOW CHOIR

Clubs And Societies : ENTREPRENEUR CLUB, ENVIRONMENT CLUB, MEDIATECH CLUB, ROBOTICS CLUB

Other Important Details / Information

Bus Services : 307, 160, 170, 178, 925, 927, 960, 961, 979

School Vision : A world-class institution that develops leaders of distinction for Singapore.

School Mission : To nurture in students bicultural acumen and moral integrity; to empower students to be thinkers, leaders and achievers with a global perspective.

School Philosophy, Culture and Ethos

Founded in 1956, RVHS has progressed from humble beginnings to become a Special Assistance Plan (SAP) school (1979) with Autonomous Status (1994) that offers a single-track 6-year Integrated Programme (2006). Guided by our school motto, we imbue in our students the values 'Pursuit of Excellence, Perseverance, People-centricity and Proactive-ness'. We equip our students with attitudes, skills and knowledge to realise their potential as Leaders of Distinction.

Subjects Offered

ADDITIONAL MATHEMATICS, APPRE OF CHINESE CULTURE, ART, BICULTURAL STUDIES, BIOLOGY, CHEMISTRY, CID, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, H1 BIOLOGY, H1 CHEMISTRY, H1 ECONOMICS, H1 GENERAL PAPER, H1 GEOGRAPHY, H1 HISTORY, H1 LITERATURE IN ENGLISH, H1 MATHEMATICS, H1 PHYSICS, H1 PROJECT WORK, H2 BIOLOGY, H2 CHEMISTRY, H2 CHINA STUDIES IN CHINESE, H2 CHINESE LANGUAGE & LITERATURE, H2 COMPUTING, H2 ECONOMICS, H2 FURTHER MATHEMATICS, H2 GEOGRAPHY, H2 HISTORY, H2 LITERATURE IN ENGLISH, H2 MATHEMATICS, H2 PHYSICS, H2 TRANSLATION (CHINESE), H3 BIOLOGY, H3 CHEMISTRY, H3 LITERATURE IN ENGLISH, H3 MATHEMATICS, H3 PHYSICS, HIGHER CHINESE, HISTORY, LITERATURE IN CHINESE, LITERATURE(E), MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, SCIENCE, SINGAPORE STUDIES

Special Student Development Programmes Offered

The RV Integrated Programme (RV IP) offers a balanced education that develops every student's interests and talents to the fullest across areas of academics, CCA and leadership. Our Leadership - Character Development Curriculum aims to inculcate sound values and nurture character and leadership in our students through programmes such as the Personal Leadership Programme, Overseas Experiential Learning Programme, Education and Career Guidance Week, National Education and Values in Action as well as our annual leadership seminar. Through our academic Cognitive Interest Development Curriculum, most notably our Construct, Integrate, Differentiate (CID) Programme, we empower students to be innovative and critical thinkers. Our other academic talent development platforms include the Bicultural Studies Programme and Bicultural Leaders Academy, the Science Leaders Academy, the Mathematics Leaders Academy, the Humanities and Social Studies Leaders Academy, the Eco-Sustainability Leaders Academy and the Student Leadership Development Academy. This allows our students to further develop their passion, interest and strength. Our Co-Curricular Activities nurture 21st century competencies and develop the interests and talents of our students in a full range of sports, performing arts, uniformed groups, clubs and societies.

CCAs Offered

Physical Sports : BADMINTON, BASKETBALL(BOYS), FLOORBALL(GIRLS), NETBALL, SOFTBALL(GIRLS), TABLE TENNIS, VOLLEYBALL(GIRLS), WUSHU

Website Address: <http://www.riversidesec.moe.edu.sg>

School Vision : A caring community in a challenging learning environment

School Mission : To nurture all-round individuals of integrity and grace, ready to face global challenges

School Philosophy, Culture and Ethos

Guided by the school motto "My Best and More" and the school values of Respect, Service, Passion, Integrity, Responsibility, Innovation and Tenacity, Riverside Secondary School seeks to develop Riversidians holistically through the domains of "Leadership Development", "Aesthetics Appreciation", "Meta-Cognitive Capacity Building", "Moral Values Incubation", and the development of "Physical Capabilities" and "Social-Emotional Competencies". The distinctive features of the school stem from a curriculum strong in academic rigour, leadership and character development, as well as aesthetics excellence. Character and leadership development is a values-based approach which nurtures the students in the self, social, moral, ethical and citizenry domains.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE IN TAMIL, LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL

Special Student Development Programmes Offered

In nurturing motivated thinkers and inventive leaders, Riverside Secondary School considers student interests and talents, and provide for diverse opportunities within and beyond the classroom to experience learning in authentic settings. The school has customised its instructional curriculum to 'engage' students through creative approaches, 'enhance' their learning through differentiated teaching, 'empower' them to direct their own learning, 'enrich' their learning through our distinctive programmes and 'evaluate' their performance using multi-modal assessment. Our Applied Learning Programme (ALP) - 'Global Citizenship Education through Critical Social Inquiry' - aims to nurture ethical leaders with a strong sense of purpose, discernment, compassion and empathy to create a better world for all. This programme includes customised lessons as well as activities for students to sharpen their innate sense of citizenry and develop a global identity, through social debates, work-attachment and internationalisation programmes. 'Arts for Life,' our Learning for Life Programme (LLP) provides opportunities for our students to appreciate and experience local and global art-forms, cultures and traditions, and to develop a sensitivity to and respect for the world around them. We want them to be creative individuals with perceptual abilities and a wider repertoire of self-expression. Riverside also offers the Tamil Language Elective Programme which aims to nurture promising students to attain a high level of proficiency in Tamil, and enhance their understanding of Tamil literature.

CCAs Offered

School Vision : Leaders and Change-Makers

School Mission : To nurture our learners to lead purposeful lives by guiding them to be morally upright, civic-minded, resilient, and future-ready

School Philosophy, Culture and Ethos

We nurture our students to become Active Learners, Skilful Leaders of Self and Others, and to be Purposeful in Service. As Active Learners, our students are self-directed, demonstrate love for learning, and are challenged to apply their learning. As Skilful Leaders, our students understand themselves better, develop influential leadership skills, learn to work collaboratively, and lead with a strong moral foundation. Through Purposeful Service, our students develop active citizenship by building strong communities in school and beyond, learning to serve others, leading in community service, and taking responsibility for the environment as global citizens. We believe that learners are best nurtured in a safe and caring environment, and we aspire for all our students to be Leaders and Change-Makers, adding value to society. To provide a strong moral compass for our students, we develop in them the RESPIRE values (Respect, Responsibility, Integrity, Innovative Spirit, Resilience, and Empathy). We believe every child can learn and must be developed to the fullest potential.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), MALAY, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SOCIAL STUDIES N(T), TAMIL

School Vision : A community of global citizens & learners for life.

School Mission : Shaping character, kindling passion & stretching minds.

School Philosophy, Culture and Ethos

Seng Kang Secondary School strives to provide a Student-Centric, Values-Driven (SVE) education that nurtures every student to his / her fullest potential with the belief that every child matters and can learn. Inculcation of values coupled with the development of an excellence mind-set for learning undergird the wide range of opportunities and programmes for students to develop 21st century competencies and skills to prepare them for the future. Through a holistic curriculum delivered within and beyond the classroom, the school provides authentic experiences for students to enjoy learning and to discover their talents and strengths. In tandem with the school's commitment to nurture leaders with resilience and gracious citizens with a caring heart to serve, curricular and co-curricular programmes are designed to engage students as active contributors in their teams to lead and serve for the betterment of others. The school has a team of dedicated and committed teachers who expect the best from their students and go the extra mile to help the students to fulfil their potential. In the pursuit of excellence, teachers actively develop innovative classroom practices and customise curriculum materials to meet the varied needs of every child.

Subjects Offered

SERANGOON GARDEN SECONDARY SCHOOL

Option Code : **3509**

21 SERANGOON NORTH AVENUE 1 S(555889)

(Tel) 62889227 (Fax) 62888695

Website Address: <http://www.sgs.edu.sg>

School Vision : Critical Thinkers. Thoughtful Leaders.

School Mission : Nurturing individuals to learn with passion and lead with purpose.

School Philosophy, Culture and Ethos

Since 1959, Serangoon Garden Secondary School (SGS) has enjoyed the trust and confidence of the community for over 61 years. SGS is known and valued for nurturing SGSians through a strong culture of compassion, respect and care, and an innovative future-ready curriculum. Through this, many SGSians have had their lives transformed. Our distinguished alumni have exemplified the vision of "Critical Thinkers. Thoughtful Leaders." displaying their abilities to navigate the complexities and ambiguities of the future while guided by the school values of Perseverance, Respect, Integrity, Diligence and Empathy (P.R.I.D.E). Some of the PRIDE of SGS include Football coach Fandi Ahmad and local entrepreneur Mr Francis Ng(owner, House of Seafood) and many more. In our journey of growing future-ready compassionate and contributing citizens, the school has committed ourselves in harnessing innovative pedagogies. These include the incorporation of Thinking Routines, Design Thinking and leveraging the affordances of technology to enable SGSians to have greater autonomy and choices in their own learning. Varied opportunities are provided for SGSians through the Level Signature programmes (including overseas trips) and co-curricular activities (CCAs) to realise their fullest potential through authentic learning.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, HIGHER CHINESE, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MATHEMATICS, MUSIC NT LEVEL, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), TAMIL

Special Student Development Programmes Offered

All students enrolling in SGS are emplaced on our applied learning programme (ALP) "Researching Society through Media Literacy". This programme nurtures the voices of concerned citizens in SGSians through identifying real-world problems and helping to solve these issues while leveraging media technology. Our learning for life programme (LLP) "Nurturing Confident and Compassionate Leaders" where our co-curriculum is redesigned to create opportunities and platforms to hone leadership skills and develop confidence in SGSians to become future leaders. In preparing SGSians to be future-ready, the school also has extensive Education and Career Guidance (ECG) programmes including attachment programmes with various Polytechnics and ITE colleges and Business enterprises to allow our students of varied profiles to have exposure of life after secondary education. The quality of our programmes for students in the Normal course has been commended by MOE, through the Lee Hsien Loong Award for Innovations in the Normal Course (LHL-AIN). Other distinctive programmes include: Science Research Programme to open the minds of our young students to the world of Science and discovery through Inquiry and Research; Cultural Immersion Programme to build cross-cultural awareness in talented students through an immersion programme with our twinning schools in Xi'an, China; English Language Programme to hone our students' communication and digital media skills while giving back to the community; and Work Attachment Programme to develop our students' resilience and critical thinking through authentic work experiences.

(Tel) 63851589 (Fax) 63851635

Website Address: <http://www.serangoonsec.moe.edu.sg>

School Vision : Resilient Individuals, Passionate Learners, Active Contributors

School Mission : Moulding Character, Igniting Passion, Building Community

School Philosophy, Culture and Ethos

SSS provides varied possibilities for students, underpinned by a culture of care and innovation. With a 92-year history, Serangoon Secondary School has produced many illustrious alumni. Known as StaRs, our students are nurtured holistically through comprehensive programmes designed to develop each child's talents and aspirations, and enable him or her to excel holistically. The joy of learning is made possible with innovative teaching methodologies coupled with real-life applications, such as Inquiry-Based Learning in Science and the Integrated Coursework in Craft and Technology. Our students are also provided with rich and diverse learning experiences both locally and overseas. Recognising students for their talents and efforts goes beyond achieving accolades, and this has become an integral part of our culture. Upper Secondary students can also strive for the Serangoon StaR Awards for excellence in co-curricular domains such as student leadership, uniformed groups, aesthetics and sports. We value our partners and we value partnerships to augment our efforts to enhance student learning. The school also offers Computing and Mobile Robotics as elective subjects to those who take a special interest in these areas. Our students hone their leadership skills in working for the good of the community through our Learning for Life Programme (LLP) in Harnessing Student Leadership in the Service of Community. We also ensure our students are future-ready through our Applied Learning Programme (ALP) in Real-world Explorations in ICT, which offers drone programming and 3D printing. The Parent Support Group is actively involved in providing support, engaging parents, and networking to enrich students' learning. Above all, we are committed to inculcate our core SHINE values of Self-directedness (S), Harmony (H), Integrity (I), Resilience (N) and Excellence (E). Together, we empower every Serangoon StaR to SHINE, for the growth of self and the good of others.

School Vision : To be an asset to the country by developing capable women of character and relevance.

School Mission : To inspire and develop every student to fulfil her fullest potential, according to her individual pace and aspiration, so as to prepare her for meaningful roles in the community.

School Philosophy, Culture and Ethos

The SCGS education philosophy stems from our strong belief in providing a holistic and balanced education founded on a bedrock of timeless values and rich heritage. Our environment which offers the warmth and stability of a strong family fosters excellence and achievement based on every student's personal needs, interests and aptitude. We add colour, character and richness to the learning experience.

Subjects Offered

Special Student Development Programmes Offered

SCGS offers both the Integrated Programme (IP) and the O-Level Programme. The SCGS IP provides an exceptional blend of excellence in academic and leadership development. It focuses on cultivating intellectual resilience and ethical leadership while facilitating the pursuit of possibilities. Our vibrant and collaborative learning community prepares students to meet challenges and inspires them to be Principled Leaders of Tomorrow. It comprises four key components: Core Academic, World Readiness and Character & Leadership Excellence Programmes and Passion Pursuit. We also offer a Bicultural Studies Programme which nurtures our girls' bicultural awareness and enhances their mastery of the Chinese Language. IP students will spend their first 4 years in SCGS before progressing to Eunoia Junior College to complete the IP. Students in the O-level Programme enjoy an enriched experience that nurtures world-ready leaders of character and relevance. Of the four SCGS Curriculum Pillars, Talent Development provides opportunities for students to achieve excellence in their talent areas of interest, for example, through local/overseas field trips, enhanced project work and mentorship programmes with local scientists. Global & National Education pillar prepares students to navigate an increasingly globalized world whilst remaining rooted to the nation through programmes such as Model United Nations conferences and World Readiness Conversations. The pervasive Character & Leadership Development pillar develops in students strong moral fibre and sound values through platforms such as Outdoor Education Camps, and Leading Youths in Research & Inquiry into Community & Society. Living & Lifeskills Education completes the distinctive holistic development of students through the Arts and healthy living.

CCAs Offered

Special Student Development Programmes Offered

The school's Applied Learning Programme (ALP), 'Exploring Health Sciences and Sports Sciences' aims to deepen students' knowledge and develop their interest in the Health domains (e.g. General Physiology and Nutrition). During the ALP lessons, students learn to apply the skills and knowledge acquired to enhance their well-being and that of others. In addition, learning journeys and attachments to health science related companies are arranged for the students to experience and understand the challenges, needs and expectations of healthcare professionals. The school's Learning for Life Programme (LLP), 'GEARing Springfielders for Success', seeks to nurture students to be socially responsible and develop in them a spirit of volunteerism to make a positive difference to the community. Through the school's LLP which focuses on Community and Youth Leadership (CYL), the school designs learning experiences for students to acquire a critical set of skills and knowledge related to CYL. This is done through purposeful partnerships with the community partners to provide opportunities for students to transfer their learning and put into practice the skills learned.

CCAs Offered

Physical Sports : FLOORBALL, NETBALL, SOCCER, TAEKWONDO

School Vision : St Andrew's Village: Home of Servant Leaders who bring life to the nations

School Mission : Making Lives, Waking Hearts To Serve the Coming Days Family-Society-Eternity

School Philosophy, Culture and Ethos

As a mission school, St Andrew's Secondary school provides a holistic education nurturing young men to become future-ready Servant Leaders. It is our belief that no one comes to the school by chance. Growing boys to become men requires our focus on the following strategic areas:
Empowering Learning : Building self-directed learners who excel in learning. Serving and Belonging : Fostering in our students a strong sense of belonging and a disposition toward service and contribution. Every Boy Aspiring : Helping our students discover and hone their skills and talents and bringing out the best in them.

Special Student Development Programmes Offered

In St Andrew's Secondary, we develop Saints to be Servant Leaders, equipped with 21st Century competencies including critical thinking and grounded with WISE and TRUE values. Saints undertake a variety of Values-in-action projects to serve the community, both local and overseas. The school offers customised programmes and pedagogical approaches catering to students' varied interests and strengths, to help them develop strength of character, a strong learning disposition and 21st century skills and competencies. At the Lower Secondary level our Applied Learning Programme on Engineering Design equips Saints with problem solving skills using Critical Thinking and the Design Thinking framework. Saints get to identify themselves as engineers and are inspired to creatively design solutions to authentic issues. In key programmes like the Young Scientist programme and the Oral History project, Saints learn and apply problem solving skills in real world contexts. At Upper Secondary level, Saints embark on project-based learning via the Elective subjects they pursue. This encourages discovery, exploratory learning and problem solving so that they can make sense of their world and better prepare for work. Our distinctive Rugby for Life programme leverages the school's long-standing tradition in this rugged and disciplined sport.

School Vision : A passionate learning community that embraces innovation and excellence within a culture of compassion.

School Mission : To nurture and empower Canossians through a holistic curriculum to be persons of integrity committed to serve God and others.

School Philosophy, Culture and Ethos

The 'Formation of the Heart' is central to our education programme. The Canossian Brand of Education is all inclusive, seeking to ensure that each student discovers the ability to realise her full potential and bringing out the best of herself. We aim to develop the attitudes and habits that will make our students good women committed to God, compassionate to all and cheerful in service to others. We believe in nurturing our students in an atmosphere of warmth and affection, yet showing firmness, so that they will grow in self-discipline and experience joy in learning.

Special Student Development Programmes Offered

Performing Arts Education is delivered as part of the lower secondary curriculum for all students. It aims to develop students with a good foundation in music and drama, as well as to promote an appreciation for the arts. Through this programme, students develop problem-solving abilities and thinking skills like analysing, synthesising and evaluating. This helps them identify, appreciate and deepen their understanding of the art forms of our different ethnic and other national communities. Different modes of assessment have been used to measure the level of cognitive and affective development in the subjects. Various platforms, such as the Performing Arts Showcases and Arts Alive! Concerts, have also been organised for students to display their talents by performing to the school community and stakeholders.

CCAs Offered

Physical Sports : ATHLETICS, BADMINTON, FLOORBALL, NETBALL, TAEKWONDO, TENNIS

Uniformed Groups : GIRL GUIDES, NATIONAL CIVIL DEFENCE CADET CORPS

School Vision : The Gabrielite...Servant Leader, Lifelong Learner, Gracious Citizen

School Mission : Shaping lives for Service to God and Nation

School Philosophy, Culture and Ethos

Founded in 1953, we are an all boys Catholic institution of the Montfort Brothers of St. Gabriel. Our mission is to shape the lives of Gabrielites who will serve the community as Servant Leaders, who are Lifelong Learners and Gracious Citizens. Our philosophy of education is guided by the Montfortian Education Charter, formed by an understanding and study of the life and works of St. Louis Marie de Montfort. We design our programmes and curriculum to develop Gabrielites grounded in the values of Respect, Resilience, Responsibility and Care. We emphasize and respect the need for personal spiritual growth and sustain it through daily reflections and actions. Our motto, Labour Omnia Vincit (Labour Conquers All), rallies Gabrielites to persevere in all endeavours with tenacity and determination. In our Gabrielite community, there is a strong culture of care amongst staff as well as students. This care is extended to the larger community, putting our values into action through service. Our school has sustained high levels of achievement in the areas of academia, sports, aesthetics and uniformed groups. Our character and leadership programme aims to grow and nurture our students to be Servant Leaders through progressive development from self-directed to collaborative learners and eventually serving actively and leading effectively.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD AND CONSUMER EDUCATION, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL

Special Student Development Programmes Offered

Gabrielites are developed in their Cognitive, Leadership, Aesthetics, Physical, Social and Moral domains so as to grow into STAR (Special, Transformed, Active and Ready) Gabrielites, equipped and prepared for future challenges with 21st Century competencies, anchored in the core values of Respect, Resilience, Responsibility and Care. Our Community and Youth Leadership Programme nurtures Gabrielites into leaders of character and service. The 4-year programme provides learning opportunities integrating Service Learning, Student Leadership and Outdoor Education. In their development to become Servant Leaders, Gabrielites acquire skills, attitudes and values through experiential activities in STAR Camps, Applied Design Service Learning, Project Work Service Learning and Elective Modules and Applied Learning Programme in Flight and Aerospace.

CCAs Offered

School Vision : An excellent institution recognised for bringing up pupils with a love for God, life and learning.

School Mission : As an Anglican school, we are committed to providing through education a balanced development of mind, body and spirit for our pupils and nurturing God-fearing citizens for our nation.

School Philosophy, Culture and Ethos

St. Hilda's Secondary aims to equip students with the attributes and capabilities to be 'Critical & Inventive Thinkers, Reflective & Self-Directed Learners, Caring & Collaborative Contributors', desired outcomes that are encapsulated in our Student Distinctive - Every Hildan a Leader, Confident, Caring and Disciplined. Underpinning this is our culture of care and excellence where staff and students are developed as they care to excel and excel to care. Our staff believe that every student is a gem for us to uncover, learning should be age-appropriate to optimise learning and every student can be taught, within a caring and structured environment, to apply their efforts to progress to the next stage.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MATHEMATICS, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), TAMIL

Special Student Development Programmes Offered

The school's Applied Learning Programme 'iThink' integrates the acquisition of Thinking Skills with the learning of the English Language to develop Hildans as Critical & Inventive Thinkers and more proficient users of the English Language. The Learning for Life Programme (LLP) nurtures the Whole Person through Sports and Outdoor Education via the 3E (Exposure, Experience & Extension) approach with the aim to develop students to be 'Healthy Active Hildan for Life' with positive values, mental toughness and positive social behaviour. Curriculum customisation to engage students meaningfully includes the Normal Technical STEP (Seeking To Engage our NT students Purposefully) programme, Normal Academic DARE (Daring, Achieving, Resilient, Enriching) programme and the Nellie Mitchell programme for high-achieving Secondary Two Express students. Character excellence is nurtured through formal Character & Citizenship Education lessons, CCAs as well as Service Learning which hones Hildans in leadership skills and empathy to serve beyond themselves. Other core programmes include the Learning Beyond Classroom week, Secondary Two Integrated Learning Journey, Secondary Three Integrated Project, Drama Education Programme and Educational & Career Guidance programme to prepare Hildans for post-secondary education. We adopt the S.O.L.V.E. cycle, a unique school innovation process, to promote school-wide innovation and student-led initiatives. The school offers Direct School Admission through our Sports CCAs.

Option Code ('O' Level Programme) : **7020**

School Vision : A mission school of choice, recognised for values-centred education and learning driven by passion, that nurtures persons who make a difference to society.

School Mission : Enabling youth in a Lasallian community to learn how to learn and to learn how to live; empowering them to become men and women of integrity and men and women for others.

School Philosophy, Culture and Ethos

Catholic Lasallian Core Values: Faith, our foundation, Service, our way and Community, our support. School Slogan/Brand Statement: Nurturing Men & Women of Integrity and Men & Women for Others. At SJI, we endeavour to nurture young people to pursue their talents and interests so as to realise their fullest potential and to become persons of integrity with a strong desire to lead and serve others, especially the poor. Character and faith formation are central to an SJI education.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, ENGLISH LANGUAGE, GEOGRAPHY, HIGHER ART, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, PHYSICS, TAMIL

Special Student Development Programmes Offered

SJI offers both the 4-year 'O' Level Programme and a 6-year Integrated Programme (IP) leading to the International Baccalaureate (IB) Diploma at the end of the 6-year programme. An SJI education aims to educate the whole person by providing a broad-based academic curriculum that is integrated with a comprehensive student development curriculum emphasising character and leadership development. The SJI Education adopts a framework with 3-levels of Learning. Academic Foundations in Level 1 lays the foundations in core subjects such as English Language, Mother Tongue Languages, Humanities, Sciences, Mathematics and the Arts. Academic Extensions in Level 2 provides opportunities for students to further explore their areas of interest in specific subjects/topics. Sustained Inquiry and Thinking in Level 3 enables students to delve deeper into specific areas through sustained project work, including research work, or in innovative thinking programmes developed by SJI. Character and leadership development are nurtured through the curriculum, along with SJI's unique Josephian Formation Journey programme, co-curricular activities, leadership development opportunities, international experience, physical and outdoors education.

CCAs Offered

School Vision : A Community of Learners Growing and Glowing for God.

School Mission : To provide an All-round Education in a Christ-centred Environment to nurture Confident, Creative and Caring Young Ladies who will serve God, the Country and the Community.

School Philosophy, Culture and Ethos

Founded in 1842, St. Margaret's Secondary School is an autonomous mission school that strives to develop every girl to her fullest potential by equipping her with the skills, knowledge and attributes to become a confident, creative and caring young lady with sound values. We provide a value-added education with emphasis on the cognitive, character and aesthetics development of each girl. Our enriching curriculum and co-curriculum have brought about many value-added outcomes in student learning and development.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, DRAMA, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, GEOGRAPHY, HIGHER CHINESE, HIGHER MUSIC, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MATHEMATICS, MUSIC 'O' LEVEL, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), TAMIL

Special Student Development Programmes Offered

An Autonomous School, St. Margaret's delivers an all-round education and has distinctive Cognitive, Character Education, CCA, Student Leadership and Arts programmes to develop and hone student talents. Our students achieve academic excellence through a rigorous curriculum that utilises the Critical Thinking Framework to deepen student understanding and encourage inventive thinking. Through the integration of values in the core and co-curriculum, the Ethical Choices programme and a comprehensive Character and Citizenship Education programme that actively involves our students in serving the community, our students imbibe sound values, learn to make ethical choices in life and hone their socio-emotional competencies. We have a vibrant CCA culture that caters to diverse interests and all students are developed in leadership skills and dispositions through a tiered leadership programme. Our engaging Arts programme exposes students to varied art forms and experiences; they may also pursue the arts through the upper secondary Art, Drama or Enhanced Music programmes. We are well-resourced with facilities such as an Art Studio & Gallery and Performing Arts Studio to support the development of student talents in Visual & Performing Arts. Our Development of Talents to Serve (DOTS) programme also provides opportunities for the pursuit of passion and interests in both the core and co-curriculum domains while benefitting the community. With a rich heritage as the oldest girls' school in the Far East, we receive strong support from the stakeholder community, ranging from the sharing of experiences for career guidance and character development to offering placements for our Work Attachment Programme.

School Vision : A Lasallian Institution that nurtures Patricians to be Boys of Faith, Gentlemen with Purpose, Leaders with Heart; worthy of God and man.

School Mission : Touch hearts. Engage minds. Transform lives.

School Philosophy, Culture and Ethos

Founded in 1933, St. Patrick's School is a Catholic school for boys in the tradition of St. John Baptist de Lasalle. Our programmes are designed based on Boy-Centric educational principles. Each boy is encouraged to realise his potential in an environment that stimulates passion for learning and inspires compassion for others. The school motto "Potest Qui Vult" ("He who wills, can") is a rallying call for all students to respond with courage and resilience in the face of challenges and adversity. Through a broad and inclusive curriculum that provides for spiritual, intellectual, physical, social and emotional development, St. Patrick's School strives to mould fine young men to achieve fulfilling lives, here and after graduation, to be lifelong learners, and to make a difference in the world.

Subjects Offered

ADDITIONAL MATHEMATICS, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, COMPUTER APPLICATIONS, COMPUTING, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY B, MATHEMATICS, MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL, TAMIL B

Special Student Development Programmes Offered

The school offers Competitive Programming as its Applied Learning Programme (ALP). The ALP aims to equip students with basic skills in Coding with exciting electives in Game Development and Material Engineering through 3D printing. For the Life Long Learning Programme (LLP), the school offers a unique programme in Music Technology. The LLP incorporates various modules on communication and emphasizes creative experimentation through the integration of technology. Student Leadership Development is another signature programme where numerous opportunities are provided for students to exercise and develop their leadership skills and shape positive futures for themselves, their families, and the global community.

School Vision : Thoughtful Leaders

School Mission : We nurture students to Think, Care and Lead with P.R.I.D.E.

School Philosophy, Culture and Ethos

In Swiss Cottage, our students learn to be Thoughtful Leaders. They become leaders who are equipped with ethical thinking, managerial competencies, global and local awareness. Most importantly, they develop a heart to care and serve and are grounded in intellectual and character excellence. Swiss staff believes in a Character First Education that provides opportunities for all students to learn and achieve. We see ourselves as nurturers and mentors to our students. We lead, care and inspire each other as colleagues. We seek to engage and collaborate with our partners for the benefit of our students. With these core beliefs, we care for every staff and student. We ensure that every lesson is a good lesson, and that every learning activity is purposeful. We encourage every staff and student to reflect and learn from every opportunity and from each other. Anchored on the Swiss Spirit of Going Far, Going Together, we forge a strong culture of care, learning and excellence.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN CHINESE), HUMANITIES (SS, LIT IN ENGLISH), HUMANITIES (SS, LIT IN MALAY), LITERATURE(E), MALAY, MALAY B, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, PROJECT WORK, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SMART ELECTRICAL TECHNOLOGY, SOCIAL STUDIES N(T), TAMIL, TAMIL B, TAMIL N(A)

Special Student Development Programmes Offered

Swiss Cottage delivers a Total Curriculum covering a comprehensive Student Development Programme, a rigorous Instructional Programme and two Distinctive Programmes: Swiss Thoughtful Leadership Programme (TLP) and Applied Sciences for Sustainable Development Programme. The TLP integrates Student Leadership, Values in-Action (VIA), and our school-based Glocal (global and local) Perspectives programmes. It provides our students with the knowledge, skills and values to explore and embark on possible VIA or social action projects. The Applied Sciences for Sustainable Development Programme aims to equip our students with specialised scientific skills and knowledge through the curriculum and authentic learning platforms such as VIA and research projects, attachment opportunities and mentoring by our teachers or industry/academia partners. The Student Development Programme includes the core CCE and student well-being programmes, a wide range of CCAs, enrichment and talent development programmes to broaden our students' world view and hone their unique strengths. The Instructional Programme provides a broad-based and rigorous foundation for post-secondary education. We implement academic enrichment programmes which include the Overseas cultural immersion trips, Future Problem Solving Programme, Maths Olympiad and Science Talent Development programmes.

CCAs Offered

School Vision : A Caring Community of Learners, Thinkers and Leaders

School Mission : To provide a well-rounded education in a nurturing environment to prepare Tampinesians for the future

School Philosophy, Culture and Ethos

We believe that every child should learn and function in an inclusive, secure, caring and stimulating environment to inspire a love for learning. As every child has the potential to excel, we, as a school, play the important role of equipping and empowering our students to become confident learners, thinkers and leaders. Additionally, we ensure that Tampinesians learn and practise good values to serve with empathy and care for the community and nation.

Subjects Offered

Special Student Development Programmes Offered

The school offers a Learning for Life Programme (LLP) titled 'Creative Expressions: Character Development Through Visual and Performing Arts'. By actively involving students in artistic exposure, creation and outreach, our LLP forms a core component of the school's co-curriculum. Learning through the arts, our students will embody intellectual curiosity in art-making, tenacity in their learning attitude and steadfast values in collaborative endeavours. Above all, Tampinesians should grow through our LLP to become individuals of good character who are responsible to family, community and nation. To promote applied learning in the academic domain, the school has an Applied Learning Programme (ALP) in 'Creative Engineering: Inter-disciplinary Authentic Problem Solving'. The school has integrated problem solving into the disciplines of Science, Technology, Engineering and Mathematics (STEM). Since 2017, the school has introduced Maker Faire as a CCA. In 2020, the school has been recognised as one of the Maker Education Lead Schools that lead and champion making at the zonal level.

CCAs Offered

Physical Sports : BADMINTON, BASKETBALL, FOOTBALL, NETBALL, WUSHU

TANGLIN SECONDARY SCHOOL

Option Code : **3511**

301 WEST COAST ROAD S(127391)

(Tel) 64248200 (Fax) 67734457

Website Address: <http://www.tanglinsec.moe.edu.sg>

School Vision : Leaders of the Future, Pride of the Community

School Mission : A caring school with an innovative and engaging curriculum, TSS equips our students with the skills for active lifelong learning and inculcates in them core values that will guide them to succeed in a changing world.

School Philosophy, Culture and Ethos

Guided by our philosophy 'Everyone Is Unique, All Can Succeed', we provide students with rich opportunities to discover and pursue their passion so that they can define success in multiple ways. We strive towards a culture of active learning, ensuring students experience joy in learning that drive their self-directedness. To prepare students for the VUCA (Volatile, Uncertain, Complex, Ambiguous) world, we value the spirit of exploration, cultivating in students the capacity to think critically, creatively and inventively to solve problems. We want them to persevere through challenges and have the flexibility to seize opportunities. All these are grounded on the values of Respect, Responsibility, Resilience, Integrity, Care and Curiosity to Learn that ensure students work collaboratively, exercise leadership and grow to become contributing members of the community.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELECTRONICS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SMART ELECTRICAL TECHNOLOGY, SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

The TSS curriculum is designed to provide students with rich learning opportunities to maximise their potential in the academic and co-curricular areas for future-readiness. Students can pursue subjects such as Electronics, Smart Electrical Technology, English Literature and Art, on top of Pure Sciences and Additional Mathematics. Our Applied Learning Programme is Tanglin PLUS, where PLUS is an acronym for Perspectives and Literacies to Understand Society. This programme aims to imbue our students with effective critical thinking and communication skills to help them become innovative and civic-minded members of society. With these attributes, our students will be able to participate effectively in the learning and work environments of the 21st century, which are increasingly marked by volatility, uncertainty, complexity and ambiguity. For its Lifelong Learning Programme, TSS is proud to offer the Arts Programme, focusing on Music, Dance and Visual Arts. Students begin with a broad-based exposure to various musical, dance and visual art forms before opting for talent development electives to deepen their skills in show choir, dance, guitar or the visual arts. In collaboration with NAFA and NAC, the Arts Programme also provides students the exposure to the local arts scene and the career opportunities it has to offer. In TSS, it is always about growing leaders. Our customised four-year Student Leadership Development Programme ensures that students are equipped with the leadership skills and competencies so that they become compassionate leaders who are ready to serve society. The partnerships with NUS, NTU and SIT enable us to offer leadership mentoring programmes that inspire our students to set high goals for themselves and to strive for excellence.

TANJONG KATONG GIRLS' SCHOOL

20 Dunman Lane S(439272)

(Tel) 63441593 (Fax) 63451487

Website Address: <http://www.tkgs.moe.edu.sg>

Option Code : **3013**

School Vision : Accomplished women of character and grace

School Mission : To nurture every TKGian to be a leader

School Philosophy, Culture and Ethos

TKGS is dedicated to nurturing leaders of character, accomplished learners and women of grace. We are committed to nurturing leaders in the character, academic and arts domains. In doing so, we believe in students learning the value of stewardship, where the best and the brightest TKGians must lead through 'noble service' to 'serve with honour', as inspired by the school song penned by the first principal Ms Maude Scott in 1953. Our aspiration for being a school of distinction must start from within, where every girl who comes through our doors would understand the obligations and responsibilities in upholding a tradition of excellence which we have built over 67 years.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, BIOLOGY, CHEMISTRY, CHINESE, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MATHEMATICS, MUSIC, MUSIC 'O' LEVEL, MUSIC (MEP), OECIE ECONOMICS (GCEO), PHYSICAL EDUCATION, PHYSICS, SCIENCE (CHEM, BIO), TAMIL

Special Student Development Programmes Offered

The TKGS Curriculum develops 3 distinct characteristics: (a) **LEADERS OF CHARACTER** who lead from within in service of others- Based on our belief that leadership is not about rank, position or title but towards the service of others, our signature 4-year ViA programme guides all students to take the lead in exploring and deciding the causes they want to champion. Equipped with skills from the classroom, they would be immersed in different communities and environments working with external partners who all share the mission of nurturing TKGians as leaders. For all students to flourish, varied opportunities within our vibrant student body inspire them to exercise leadership in various student groups and grow through mentoring and peer learning. (b) **ACCOMPLISHED LEARNERS** with dispositions for lifelong learning- The TKGS Academic Curriculum includes learning experiences which develop our students' awareness of the way they learn and include exposure to different ways of learning and disciplinary thinking for students to be future-ready and work-ready lifelong learners. We take special pride in our rich culture of EL learning, where the school serves as the East Zone Centre of Excellence. Besides being guided to plan for consultations and collaborations outside of class and be highly responsible towards their own learning, TKGians can look forward to stretching themselves through the TKGS+ programme to lead peers in academic learning and exercise stewardship of their gifts. (c) **WOMEN OF GRACE** who are creative thinkers in their appreciation and advancement of the arts- With a rich tradition in the performing arts, TKGians are known for initiating performances and engaging different audiences and fellow performers. Students with talent and passion in the arts may join any of our 5 distinguished Performing Arts CCAs. Those keen to pursue performing arts as a discipline may enrol into Music at the O level.

School Vision : Excellence Abounds, Aspirations Nurtured - Tksians are future-ready critical thinkers, confident leaders and compassionate citizens who strive for excellence in all they undertake to achieve aspirations.

School Mission : Your Potential, Our Purpose - To nurture our students to their fullest potential, developing in them sound values, life-long learning and leadership skills, in an innovative and dynamic environment.

School Philosophy, Culture and Ethos

Since 1956, the TKSS motto 'Diligentia, Ingenium, Dexteritas' has inspired generations of TKsians in pioneering new pathways and actively shaping the community they live and work in. At TK, students are our pride. TKsians love their school. From the moment they join TK, each student is immersed in the distinctive TK experience - an enriched, rigorous and balanced curriculum that makes a discernible difference in nurturing young people who believe in their ability to succeed, and are guided by sound values to positively contribute towards the well-being of others. Learning experiences at TK nurture intellectual depth and thinking, flexibility, and the ability to deal with complexity in problem-solving. Students acquire skills for self-directed learning and develop a sense of wonder and curiosity, even as they form a strong social conscience and make a commitment to serve others. Teachers at TK take pride in our caring culture and strong record of providing an all-rounded education that enables our students to realise their full potential. Well-known for excellence in academic achievement, CCAs, as well as character development of young people, TKSS adopts a holistic approach to help our students discover and become their best selves.

Subjects Offered

ADDITIONAL MATHEMATICS, ART 'O' LEVEL, BIOLOGY, CHEMISTRY, CHINESE, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, EXERCISE AND SPORTS SCIENCE, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN MALAY), LITERATURE(E), MALAY, MATHEMATICS, PHYSICS, SCIENCE (PHY, CHEM)

Special Student Development Programmes Offered

Signature programmes: Da Vinci Programme which develops 21st century skills such as communication, collaboration and information skills, while sharpening critical and inventive thinking via applied learning opportunities; Einstein Programme which develops computational thinking through programming micro-controllers to create solutions to solve real world problems; Principal's Honours List Programme which includes research curriculum; TK Current Affairs which builds general knowledge and discernment; SKILLS Programme which develops in students skills for self-directed learning, and critical and inventive thinking; TK Student Leadership programme; Outdoor Education at TK that stretches students mentally, physically and emotionally while instilling firm belief and confidence in their own ability to succeed; Overseas twinning programmes with schools, that broaden students' global outlook and increase cultural quotient. Programmes to deepen disciplinary understanding include the Mathematics and Science Olympiads. Students also participate in Debating Competitions and the CB Paul Science Quiz. In addition, the school also offers Malay Language Elective Programme which aims to nurture promising students to attain a high level of language proficiency in Malay, and enhance their understanding of literature. TKSS is renowned for its vibrancy and excellent CCAs in sports, the performing arts and uniformed groups. TeamTK's sportsmen and sportswomen have excelled in various sports such as Netball, Floorball and Football. The Uniformed Groups have a proven track record and have continuously excelled in national competitions. TKSS is the East Zone Centre of Excellence (COE) for Character and Citizenship Education as well as Design Education. As a COE, TK leads in the teaching and learning and supports collaboration in these areas for East Zone schools.

School Vision : A Community of Future-Ready Learners

School Mission : Inspire Learning & Empower Lives

School Philosophy, Culture and Ethos

Established in 1966, Teck Whye Secondary School has been providing a nurturing environment for generations of students to learn and grow. We believe that every child can learn, and that in their time at the school will discover their talents and passion, and develop an aptitude for life-long learning. The school encourages students to place an equal emphasis on both academic and non-academic pursuits, in order to develop their character and to maximize their academic potential. By inspiring learning through a range of student-centric programmes and pedagogies, the school hopes to empower the lives of a wide profile of students to lead happy, productive and meaningful lives, with a heart and willingness to serve those around them.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART NA LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD AND CONSUMER EDUCATION, HIGHER CHINESE, HIGHER TAMIL, LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

Urban Design - The school's Applied Learning Programme (ALP) is aimed at raising awareness amongst students of the issues related to urbanization and developing their problem-solving, critical thinking and collaborative learning skills as they design sustainable solutions to these real world problems. Students will be introduced to the Design Thinking approach and draw upon knowledge gained in and out of the classroom to design solutions in the areas of Urban Farming, Transportation, Energy & Smart Living. Sports & Sportsmanship - The school's Learning for Life Programme (LLP) is aimed at encouraging students' participation in a wide range of sporting activities, and to help them discover for themselves an activity (activities) that they can pursue for a lifetime, to lead an active and healthy life. Olympic values of respect, friendship and excellence are inculcated and reinforced through teachable moments as students involve themselves in the LLP. Students with sporting talents are also supported in playing the sport at a competitive level through specialized training and attachments to clubs where possible. Other Programmes: Orchid Hybridization (Biology), Tinkering (Science/D&T), Use of Knowledge Building Pedagogies (Humanities) and Overseas Learning Experience (OLE).

Website Address: <http://www.temasekjc.moe.edu.sg>

School Vision : An Institute of Distinction, A Dynamic Learning Culture, A Caring TJC Family

School Mission : Broaden Minds, Touch Hearts, Enrich Lives

School Philosophy, Culture and Ethos

Every TJCian is nurtured to be a trailblazer with a heart. Mindful of tradition, roused by imagination and fuelled by ambition, TJCians are active learners, caring and committed citizens and ethical leaders. Our holistic brand of Temasek Excellence equips students with intellectual, moral and social capital to thrive in a fast-changing and complex world. Our dynamic staff fraternity continuously innovates and hones our craft, as we guide our students to bring out the best in them. The motto we proudly serve is 'For College, For Nation'.

Subjects Offered

ADVANCED MATHEMATICS, AESTHETICS EDUCATION, BIOLOGY, CHEMISTRY, CHINESE, CHINESE LANGUAGE ELECTIVE PROGRAMME, ENGLISH LITERATURE 2, FUNDAMENTAL HUMANITIES, FUNDAMENTAL MATHEMATICS, GEOGRAPHY 2, GREEN SCIENCE, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY 2, INTERMEDIATE MATHEMATICS, LANGUAGE ARTS, LITERATURE IN CHINESE, MALAY, MUSIC ELECTIVE PROGRAMME, PHYSICAL EDUCATION, PHYSICS, SINGAPORE STUDIES & ENGLISH LITERATURE 1, SINGAPORE STUDIES & GEOGRAPHY 1, SINGAPORE STUDIES & HISTORY 1, SKILLS AND KNOWLEDGE, TAMIL

Special Student Development Programmes Offered

The TJC 6-Year Integrated Programme offers an enriched curriculum, which develops excellence in intellect, character and leadership through a wide range of activities and signature cohort programmes and MOE Elective programmes. Aesthetics Programme (Year 1 & 2) builds foundational literacy in various forms of aesthetic expression (Visual Art, Drama, Dance & Music). It nurtures critical thinking skills, imagination, collaborative skills, and confidence in expression. Skills & Knowledge (Year 1 & 2) is a unique subject which combines computational thinking, media literacy & design thinking. Through this, students develop creative and critical thinking within the context of future-ready skills & dispositions. World without Borders (Year 2) builds on students' Skills & Knowledge foundation and further exposes them to ethnography. Students use these skills to investigate and understand the social, historical and geographical features of communities in Singapore. Innovation and Research Project (Year 3) trains students in Design Thinking methodology, which students apply to solve complex real-life problems. Wonder.Observe.Weave! (Year 4) allows students to gain valuable exposure through month-long attachments with external organisations. Temasek Academy (Year 1 to 4) is a talent development programme based on the Renzulli Enrichment Triad model. It stretches high-ability students in Mathematics, Science, English Language and Chinese Language through a range of activities, programmes, competitions and mentoring. Music Elective Programme (Year 1 to 6) offers an innovative and in-depth engagement in learning, performing and composing music, developing their skills and musical sensitivity. Chinese Language Elective Programme (Year 3 to 6) stimulates students' interest in Chinese language, literature and culture and nurtures excellence in Chinese language skills.

CCAs Offered

Physical Sports : BADMINTON, BASKETBALL, CROSS COUNTRY (JC ONLY), FLOORBALL (JC ONLY), FOOTBALL (BOYS ONLY), NETBALL (JC ONLY), SHOOTING (JC ONLY), SWIMMING, TABLE TENNIS (JC ONLY), TAEKWONDO, TEN-PIN BOWLING, TENNIS (JC ONLY), VOLLEYBALL (GIRLS ONLY), WATER POLO (JC ONLY)

TEMASEK SECONDARY SCHOOL

600 UPPER EAST COAST ROAD S(465561)

(Tel) 64495020 (Fax) 64491450

Website Address: <https://temaseksec.moe.edu.sg>

Option Code : **3030**

School Vision : A school known for nurturing leaders of character and intellect.

School Mission : To provide an environment where Temasekians are nurtured to care, to embrace diversity and challenged to be leaders of excellence for school and beyond.

School Philosophy, Culture and Ethos

In Temasek Secondary School, we are firmly guided by our Motto, "We care". It underpins our belief and approach in caring for and embracing the talents and interests of each individual Temasekian so that they can be developed to the best of their abilities. In caring for our students, we ensure that they receive an education that empowers them to master their own learning and excel holistically. More importantly, we care to develop Temasekians in areas such as critical thinking, problem-solving, communication and leadership which carry crucial life skills to navigate the future. We also design and implement purposeful and engaging experiences for students to learn about various contemporary issues, which guide them to empathise with others, so that they will act on what is good and right for their family, the school and nation.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, COMPUTING, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HIGHER MALAY, HIGHER TAMIL, HISTORY, LITERATURE(E), MALAY, MATHEMATICS, MUSIC, MUSIC NT LEVEL, OECIE ECONOMICS (GCEO), PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (PHY, CHEM), TAMIL

Special Student Development Programmes Offered

Our school's distinctiveness is founded on four signature programmes; i) LEAD@TMS, ii) Cross-Cultural Awareness (C2A), iii) the Temasek IGNIS Programme (TIP) and iv) niche CCA opportunities. LEAD@TMS offers student leaders the opportunity to develop values, skills and knowledge through a customised student leadership programme. Based on their interests and talents, students have the opportunity to be formally appointed into one of the five leadership groups where they plan and lead in various school-level and community-based activities. Additionally, to prepare them for a culturally diverse world, all students are developed in C2A which deepens their understanding and appreciation of the cultures that make up the rich social fabric of Singapore. Furthermore, C2A will also focus on the Southeast Asia region so that students can learn about the evolving social and economic opportunities of the region. TIP is the school's talent development programme which caters to students with strong intellectual curiosity and personal drive. With the purpose to develop independent learners, confident thinkers and innovators, 'TIPpers' are stretched to further hone their academic skills and student leadership ability. Finally, school distinctiveness is also captured through our four niche CCAs - Canoeing, Shooting, Choir and Drama, which aim to nurture talents in sports and the aesthetics; in the process, instilling a sense of commitment, self-reliance and a spirit of service to others.

CCAs Offered

Physical Sports : AIR RIFLE / SHOOTING, BASKETBALL, CANOEING, NETBALL, SOFTBALL, TRACK & FIELD, WUSHU

Uniformed Groups : NATIONAL CADET CORPS (NCC-LAND), NATIONAL CIVIL DEFENCE CADET CORPS (NCDCC), NATIONAL POLICE CADET CORPS (NPCC)

School Vision : Lifelong Learners, Inspiring Leaders

School Mission : To develop Unitians to be resilient and future-ready with the passion to serve and lead

School Philosophy, Culture and Ethos

The school places the needs of its students at the centre of its key decision-making and strongly believes that every student is unique, has potential and can be an inspiration to others. The school believes that both academic and character development are important. Through various programmes anchored on the school values of respect, compassion, perseverance, commitment and integrity, all teachers in Unity are committed to empowering students to develop their growth mindset, realise their fullest potential and to eventually contribute to society. To achieve this, the school believes in providing a joyful, caring and nurturing environment to promote personal, social and intellectual growth of students at all levels.

Subjects Offered

Special Student Development Programmes Offered

Our school is committed to nurturing Unitians to become lifelong learners and inspiring leaders. Key programmes such as the Young Scientists Programme, Advanced Mathematics Programme, Design Innovation Programme, Leaders of English Programme and Unity Humanities Programme integrate learning and stretch the potential of our students in their academic learning. The school conducts an Applied Learning Programme (ALP) on 'Biotechnology in Food Sustainability' for all its students to develop in them a scientific mindset of innovation and enterprise. The Programme focuses on real-world problem-solving through the application of science and problem-solving processes such as design thinking, scientific methods and research skills. The ALP is conducted in collaboration with tertiary institutions and research agencies. Through the school's Character and Leadership Development curriculum, all students are provided with a variety of platforms and opportunities to hone their character and leadership skills. In addition, the school conducts a Learning for Life Programme (LLP) to provide opportunities for all students to develop their leadership potential progressively at each level through outdoor and sporting adventure activities. These include 1 Star Kayaking Certification, Adventure Camps, Camp-craft skills challenges, sports and games modules, recreational sports competition delivered through PE lessons and CCAs. The school conducts Aesthetics Enrichment Modules for all Sec 1 & 2 students to develop their confidence, creativity and resilience through the acquisition and application of skills related to the performing arts. The school administers the DSA-Sec Scheme which admits students competent in Basketball and Volleyball into Secondary 1. Through the scheme, we aim to develop and maximise the potential and talent of our students based on the principles of good sportsmanship and anchored on our school values.

School Vision : Every Victorian is a Gentleman, Professional and Sportsman who makes tangible contributions to his family, work, community and nation.

School Mission : To groom upright and balanced individuals with leadership qualities.

School Philosophy, Culture and Ethos

Established in 1876, Victoria School (VS) is an all-boys school that is strong in spirit, rich in tradition and provides a broad-based holistic education. Our staff and students are guided by our school motto Nil Sine Labore (Nothing Without Labour) in the pursuit of performance excellence. The Victorian Spirit, the sense of pride and belonging to the school, encapsulates the camaraderie, fighting spirit and desire by every Victorian to be the best that he can be. VS is a dual-track school offering the 4-year 'O' level Programme, and the 6-year Victoria-Cedar Alliance Integrated Programme (VCA IP) developed jointly with Cedar Girls' Secondary School (CGSS) and our affiliated college, Victoria Junior College (VJC). Every Victorian will be developed in character and leadership, in the cognitive, physical and aesthetics domains, and in service to the community. Through a broad-based rigorous curriculum and an inviting school environment that fosters thinking, creativity and teamwork, our Victorians are nurtured into young gentlemen who are upright and balanced leaders.

Special Student Development Programmes Offered

Recognised as an institution with a strong tradition in sports, the uniformed groups and the aesthetics, VS leverages on its student development curriculum to develop students holistically. Guided by the school-based EDGE (Experience, Develop, Grow, Excel) framework, the programmes are designed to ensure age-appropriateness. CCAs provide the platform for students to develop friendship, teamwork and commitment to the school, community and nation. Signature programmes include the following: Character and Leadership Programme helps our students chart their leadership development; Beyond Borders Programme (including local and overseas learning experiences) develops our students' perspectives and cross-cultural skills, Social Innovation Programme develops community-centredness and passion to serve the community; Electives provide for breadth of learning; and Talent Development Programme challenges our students intellectually, Victoria Leadership Boarding Programme allows students to develop a keener sense of self-discipline and independence.

WEST SPRING SECONDARY SCHOOL

Option Code : **3067**

61 SENJA ROAD S(677737)

(Tel) 68920369 (Fax) 68929468

Website Address: <http://www.westspringsec.moe.edu.sg>

School Vision : Ladies and Gentlemen of Character and Learning

School Mission : Shaping Character, Engaging Learners, Touching Lives

School Philosophy, Culture and Ethos

We believe that all students will achieve success being guided by "Our West Spring Way - I want to, I can and I will be the best that I can be!". We believe that "All can be winners" in a caring and conducive learning environment. All students are addressed as ladies and gentlemen, reflecting high expectation of student behaviour as well as educational outcomes. The school's brand of student-centric, values-driven and holistic education has served it well with sustained good outcomes in both the academic and non-academic domains.

Subjects Offered

Special Student Development Programmes Offered

The school offers 'Critical Thinking' and 'Effective Communication' through our Applied Learning Programme of Media Literacy (MeLIT). MeLIT is a three-year programme to develop students' information management skills such as evaluating and interpreting information sources, and to deliver specific messages through the creation of media products with close integration to English and Humanities. The school's Learning for Life Programme is STAR (Sportsmanship, Teamwork And Resilience) where students develop these values through physical activities such as sports and outdoor adventure camps. To nurture students into ladies and gentlemen of Character and Learning, all Lower Secondary students attend a Character Development Adventure Camp and Sec 3 students participate in a 5-day MOE-Outward Bound School Challenge Programme. There are opportunities for Sec 3 students to take part in student exchange programmes with schools in Cambodia and Taiwan. In addition, students take part in Integrated Humanities and CCE Learning Journeys, CCE Lectures, Harmony@Senja (Integrated VIA/CCE Programme) and Leadership Development Programmes.

CCAs Offered

Physical Sports : BADMINTON, FOOTBALL, NETBALL, SHOOTING, VOLLEYBALL

Uniformed Groups : GIRL GUIDES, NCC (LAND), NCDCC, NPCC

WESTWOOD SECONDARY SCHOOL

Option Code : **3620**

11 JURONG WEST STREET 25 S(648350)

(Tel) 67929737 (Fax) 67929738

Website Address: <http://www.westwoodsec.moe.edu.sg>

School Vision : Rooted in Character & Skills to Soar for the Nation.

School Mission : Nurturing Westwoodians to be anchored in sound values to have the necessary knowledge and skills to face the challenges of the future, and to be driven by the desire to make a difference.

School Philosophy, Culture and Ethos

In Westwood, we believe that all students are unique individuals with different talents and abilities, who can learn and grow, and eventually, make a difference to society. As such, the school has the responsibility to develop each student holistically and to his best ability. This will be done through the provision of equal access to developmental opportunities, and, regardless of level or stream, talents and interests, all students will be ensured of a strong foundation in the knowledge, skills and competencies required for success in life in the 21st Century. Even more importantly, all students will be imbued with strong moral values and a sense of social responsibility, so that they may continue to serve and contribute to their community even after they leave Westwood.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), EXERCISE AND SPORTS SCIENCE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), OECIE ECONOMICS (GCEO), PHYSICS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SOCIAL STUDIES N(T)

Special Student Development Programmes Offered

Westwood offers two distinctive programmes. Through our Applied Learning Programme on Innovation and Social Entrepreneurship (ISE), students will develop specialised knowledge of innovation and entrepreneurship that will enable them to make effective contributions to the community. The ISE curriculum is integrated in both the Academic and Co-Curriculum so that students are able to make connections and apply the knowledge and skills learnt in different contexts. In addition, students will be engaged in "Arts for Life!", our Learning for Life Programme where they are exposed to Visual Arts and Design, Music and Performing Arts. Both distinctive programmes will provide extensive platforms for our students to ideate, experiment and explore as well as hone their 21st century skills and competencies where they will have opportunities to apply these skills in authentic contexts. Westwood also offers a Talent Development Programme (TDP) for students who are stronger in their academic studies. These students will be provided with ample opportunities to hone their communication & presentation skills, as well as stimulate their intellectual curiosity and develop greater awareness of international issues and their impact through participation in conferences/seminars/forums/projects and build a personal portfolio in the process.

CCAs Offered

Physical Sports : BADMINTON, BASKETBALL, BOWLING, FOOTBALL, NETBALL, TCHOUKBALL

WHITLEY SECONDARY SCHOOL

Option Code : **3015**

30 BISHAN STREET 24 S(579747)

(Tel) 64561336 (Fax) 64591330

Website Address: <http://www.whitleysec.moe.edu.sg>

School Vision : A Caring and Learning Community of Leaders

School Mission : To nurture Whitleyans to be exemplary leaders with the heart to care and the will to learn

School Philosophy, Culture and Ethos

Whitley Secondary School believes that education is a journey of self-discovery and hence we seek to provide a holistic education with opportunities for students to discover and develop their strengths, interests and talents. In building a learning community, we develop Whitleyans to be self-directed learners and confident persons, grounded in the values of Perseverance and Discipline. In role-modelling the values of Respect, Integrity and Empathy, we nurture active contributors and concerned citizens who serve and care for their family, school and community. They are rooted to the nation, yet global in perspective.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE B, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), LITERATURE(E), MALAY, MALAY B, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

We are committed to creating the Whitley Experience in building a strong foundation for academic success and developing students' interests and strengths through our total curriculum. The school's Learning for Life Programme, Active Citizenship for Social Change (ACSC), seeks to nurture active concerned citizens. Focused on building empathy and ownership of societal issues, ACSC provides opportunities for every Whitleyan to hone his skills in Design Thinking Protocol to empathise and better understand the needs of the community, ideate and co-construct solutions, as well as to advocate for social causes. The school's Applied Learning Programme, Communicative Arts, nurtures students to be confident and self-directed learners with a curriculum that enhances communication skills through speech and art forms such as public speaking, drama and current affairs presentation. To spark interest and support students' decision to pursue further studies in Science, Technology, Engineering and Mathematics (STEM), the school has a robust STEM enrichment programme, which includes learning computational thinking through coding programme, learning about the genetic engineering process through our Amgen Biotechnology Experience, and experiencing STEM courses and career guidance through STEM Elective Modules and Advanced Elective Modules. To stretch students' potential, we have a Talent Development Programme to nurture students' academic strengths and non-academic talents, providing training opportunities such as Author-in-Residence, debating and Olympiad training, and challenging students to excel through participation in competitions and research projects. Another key focus of our school's holistic education is student leadership development in building qualities such as resilience, team work and empathy, through our cohort camps, student leadership programmes and Overseas Service Learning, to name a few.

Option Code : **3616**

School Vision : A School of Choice. A Community of Dynamic Learners.

School Mission : At Woodgrove, we will Shape Character, Ignite Passion, Promote Innovation to prepare citizens of the future.

School Philosophy, Culture and Ethos

At the heart of WGS Education is the intent for students to have a wide range of learning opportunities in the cognitive, aesthetics and physical domains so as to realise their talents and broaden their interests. Students are developed to be logical and analytical thinkers as well as creative, imaginative and artistic individuals. The school's strengths in design, environmental education and the performing arts, provide students with a strong foundation to pursue their individual pathways. A spirit of innovation and entrepreneurship is fostered within the school and students are taught to value teamwork, question assumptions and to respect differing views. The school also strives to engage the hearts of its students, developing in them a passion to serve. Partnerships are forged to connect students to the local community so as to nurture civic responsibility. Internships with external organisations prepare and equip students to deal with future challenges with confidence and determination.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, ART 'O' LEVEL, ART NA LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), HUMANITIES (SS, LIT IN ENGLISH), ICT, LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PROJECT WORK, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T)

Special Student Development Programmes Offered

True to our vision and mission, Woodgrove Secondary School (WGS) aims to provide WGS students a holistic school experience through programmes designed to nurture them into learners and leaders for life. To this end, the school offers the following two distinctive programmes. (1) Learning for Life Programme (LLP) - 'Community Youth Leadership (CYL)' - We envision WGS students as learners who are aware of the needs of the community and have empathy and compassion to serve and make a difference. Our CYL programme provides students the opportunities to participate in Overseas Learning Journeys and Work Attachments so that they may apply skills learnt and participate in an evolving real-life environment. Students will also develop and hone their leadership skills, character and values through initiating and organising programmes for the school and the community. Learning thus becomes meaningful and is a way of life for the students. (2) Applied Learning Programme (ALP) - 'Science for Sustainable Development' - WGS has demonstrated strengths in environmental and design education. Our ALP leverages strengths in these areas to enable students to appreciate the application of scientific concepts, technology and design process to achieve sustainable development goals in the areas of water, energy and food. To encourage students to connect knowledge across subject disciplines and strengthen their thinking skills, they will be taught relevant topics from Science, Mathematics, Geography as well as Design & Technology. Through these activities, students will experience both the Scientific Inquiry Process and Design Thinking Process. Our ALP provides students the opportunities to participate in learning journeys and enrichment workshops to deepen their understanding of materials science as well as gain insight into the relevant post-secondary education opportunities available.

CCAs Offered

Physical Sports : BADMINTON (BOYS), BASKETBALL, FOOTBALL, NETBALL

WOODLANDS RING SECONDARY SCHOOL

Option Code : **3604**

10 WOODLANDS RING ROAD S(738239)

During upgrading from 2022 to 2023 (tentative), school will hold classes at 530 Yishun Ring Road Singapore 768680.

(Tel) 63643712 (Fax) 63643713

Website Address: <http://www.woodlandsringsec.moe.edu.sg>

School Vision : Every WRS Student is Worthy, Resilient and Selfless

School Mission : Nurturing Self-Directed, Confident and Caring Learners

School Philosophy, Culture and Ethos

We believe that each student is unique and whose potential can be maximised so as to contribute selflessly to society. In line with our culture of learning, the school focusses on holistic, values-driven, student development programmes to engage the hearts and minds of our learners. We are committed to providing our students with a safe and conducive learning environment to pursue their interests and strive for excellence. Staff and students are encouraged to live out the school motto: Work hard and smart, Rise to every challenge, Serve the school and community. Our WRSS Student Desired Outcomes are: Self-directed and Confident Learners; Collaborative and Inventive Thinkers; Concerned and Contributing Citizens.

Subjects Offered

Special Student Development Programmes Offered

As caring educators, we believe that every child wants to and can learn. We adopt a Values-based and Student-centric focussed curriculum where our Strategic Thrusts of Engaged Learning and Character Excellence are the common threads that bind both the academic and co-curricular programmes. The school's Applied Learning Programme, The Robotics Education and Enterprise [TREE], instils in students a curiosity to learn through experimentation, questioning, problem-solving and risk-taking. Dedicated to providing authentic and engaging experiences, TREE integrates learning across disciplines such as Science, Technology, Engineering and Mathematics (STEM), and develops in students the ability to make connections with real-life problems. Our 3Cs (Connect, Collaborate, Create) Programme further aims to develop our students' capacity to connect key concepts across other subject disciplines, collaborate in teams to enhance learning and create new meaning from the interplay of learning and interactions. As an extension of learning and early exposure to possible post-secondary courses of study and future work opportunities, the school is offering Applied Subjects such as Mobile Robotics and Electronics, to Upper Secondary students. With an emphasis on building confidence and strengthening effective communication, programmes are introduced to develop Oracy and Self-Confidence through creative expression in the languages. Our Learning for Life Programme (LLP), Student Leadership Development through Involvement in the Community, aims to instil the purpose of caring for and leading others in the community through their outreach activities at the different levels. By working with partners, both locally and overseas, the LLP is designed to help students better appreciate what they have and live out the school values of 'Responsibility, Respect and Resilience' and motto of 'Serve the School and Community'.

Option Code : **3041**

School Vision : Every Woodlander a Gift to Society.

School Mission : Nurturing Enduring Hearts and Creative Minds Ready to Serve Society.

School Philosophy, Culture and Ethos

A School Distinction Award & Singapore Quality Class school, the school is committed to achieving its mission, Nurturing Enduring Hearts and Creative Minds Ready to Serve Society. Through the school motto 'Wisdom and Truth', the school seeks to imbue in each student the GR2EAT school values, which stands for: Growth, Respect, Resilience, Empathy, Appreciation and Trustworthiness. The school believes that quality staff, strong partnerships with alumni, parents, community & educational partners are the foundation for organisational excellence. The students' many achievements in the Academics, Sports, Performing Arts and Uniformed Groups are a testament to the impact of our programmes and commitment in equipping them with the values, skills and knowledge to excel. The school's best practices on T&L, Student-All-Round Development, CCE and Staff Well-being & Development signify that the school is committed in grooming our students to be confident and ready for the ever changing future landscape.

Subjects Offered

Special Student Development Programmes Offered

The school's STEM Applied Learning Programme, "Real Food, Real Science" helps to develop critical thinking & inventive problem solving skills, engaging & enriching Woodlanders to prepare them for the future. In Sec 1, students focus on molecular gastronomy techniques & practise Design Thinking to create innovative, attractive and healthier mocktails. They also visit industry partners to experience industry-standard Food Science. In Sec 2, students focus on programming & technology to build and strengthen computational thinking. Our Learning for Life Programme (LLP), "Paying it Forward", provides curated authentic experiences in community initiatives to inculcate leadership qualities in Woodlanders. A spiraling approach from Secondary 1 to 4, students go through the design thinking process in which their learning would culminate in an overseas learning journey, Glocal Citizens Programme in Secondary 3. Through their projects, students demonstrate their talents, develop lifeskills and make informed choices that are life giving to others. As servant leaders, they build team spirit, nourishing and renewing the energy of those who are in need within the community. The school is committed in nurturing Woodlanders to become effective and confident communicators. Our effective communicator curriculum aims to develop strong articulation and expression through the Sec 1 storytelling enrichment, and to develop a nimble mind with mature and clear opinions through the Sec 2 and 3 public speaking module. Woodlanders can flourish as effective and purposeful communicators who thrive in this competitive world. Like us on our FB page <https://www.facebook.com/woodlandssecondarysch> or follow our IG account @woodlandssec for information on our students' learning experiences.

XINMIN SECONDARY SCHOOL

Option Code : **3050**

11 HOUGANG AVENUE 8 S(538789)

(Tel) 62889382 (Fax) 63851068

Website Address: <http://www.xinminsec.moe.edu.sg>

School Vision : Leading Hearts, Leading Minds

School Mission : To develop every Xinmin student to be a curious learner, a compassionate contributor and a confident leader.

School Philosophy, Culture and Ethos

Xinmin's rich heritage and tradition in providing positive student learning experiences is continually realised through our school programmes. Our Xinmin family strives to nurture students into well-rounded persons who possess sound personal and moral values, and the dispositions and competencies to lead hearts and minds. In Xinmin, we are committed to developing our students into curious learners, compassionate contributors and confident leaders. Passionate about serving their school and the community, our students also thrive in sports, the arts and their academic studies. Student learning is supported by our capable and dedicated staff who demonstrate the highest level of professionalism and care when they design and enact meaningful learning experiences in and beyond the classrooms. We are also strongly supported by our committed alumni, School Advisory Committee and parents who work collaboratively towards the common goal of providing a holistic and enriching student experience. Equipped with facilities that are continually upgraded and programmes that stretch our students in their holistic development, Xinmin offers a stimulating school environment characterised by care, discipline and excellence.

Subjects Offered

YIO CHU KANG SECONDARY SCHOOL

3063 ANG MO KIO AVENUE 5 S(569868)

(Tel) 64560669 (Fax) 65522927

Website Address: <http://www.yiochukangsec.moe.edu.sg>

Option Code : **3222**

School Vision : A Community of Learners, Leaders and Innovators

School Mission : To nurture students of character who thrive through love of learning and a willingness to grow and lead in meaningful service to self and others.

School Philosophy, Culture and Ethos

The school believes that every member of the school community must strive to be a competent learner, a confident leader and a caring innovator in order to be future-ready. The school's GROWTH Values of Gratitude, Respect, Optimism, Wholeheartedness, Teamwork and Honesty form the foundation for the development of character and leadership. The school programmes are designed to ensure that students are developed holistically, and help each one to live out the school motto, 'Pursuit of Knowledge, Service to All'.

Subjects Offered

ADDITIONAL MATHEMATICS, ART 'O' LEVEL, ART NA LEVEL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, EXERCISE AND SPORTS SCIENCE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, FOOD STUDIES, N LEVEL, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MUSIC, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SMART ELECTRICAL TECHNOLOGY, SOCIAL STUDIES N(T), TAMIL, TAMIL N(A)

Special Student Development Programmes Offered

The school's Learning for Life Programme (LLP) aims to grow strong character and leadership through Arts, Media and Design. The programme features the YCK Arts Foundation classes that provide a wide range of opportunities for creative expression in Modern Dance, Drama, Music (Rock & Pop), as well as Short Film Production and Interior Design. Through the design of these activities, students develop confidence, nurture a deeper appreciation of the arts and acquire important collaborative and people skills to lead self and others. Beyond the performing arts, the LLP also has talent development programmes to take the students deeper into creative areas related to technology such as animation. The school offers an Applied Learning Programme (ALP) to nurture inquiring minds and inventive thinkers through technology. In this programme, students are introduced to the world of STEM in the form of Embedded Electronics, learning to develop innovative ideas and integrated solutions for real-life problems in the community. The ALP gives students opportunities to explore the connections between problem-solving skills needed in the real world and academic knowledge related to Science, Technology, Engineering and Mathematics (STEM). Importantly, the ALP encourages students to stay curious and learn about how technology can be applied in new ways to improve the quality of life around us.

YISHUN SECONDARY SCHOOL

Option Code : **3020**

4 YISHUN STREET 71 S(768516)

(Tel) 68767129 (Fax) 67557748

Website Address: <http://www.yishunsec.moe.edu.sg>

School Vision : Quality Mind, Caring Heart

School Mission : To provide a well-balanced education to our students, develop their potential to the fullest intellectually, physically, morally, socially, emotionally and aesthetically, and prepare them to contribute to the nation.

School Philosophy, Culture and Ethos

Yishun Secondary School is committed to developing our students holistically. We take pride in offering a values-driven education that develops the strengths of each student. Through the years, Yishun Secondary has produced many successful students, whose achievements are made possible by a team of dedicated educators who believe that every child can succeed. The school's motto, 'We Seek, We Strive, We Soar', describes our continuous effort in striving for excellence to soar to greater heights. The school values of Respect, Integrity and Resilience are inculcated in students via daily lessons and school programmes. The school also seeks to develop every student to be a Thinker, an Innovator and a Contributor (Desired Outcomes of an Yishunite) to prepare them for the future.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HISTORY, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, MUSIC NT LEVEL, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, RETAIL OPERATIONS, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL

Special Student Development Programmes Offered

The curricular and co-curricular programmes in Yishun Secondary School are designed to develop confident and competent Yishunites who are Thinkers, Innovators and Contributors. Students enjoy differentiated learning experiences through inter-disciplinary programmes such as School Area for Integrated Learning (SAIL) in outdoor learning environments, English-Mathematics-ICT-Science (EMITS) Day and Joy of Life-long Learning, Innovation and Enterprise (JoLLIE). These experiential activities challenge students to solve real world problems and numerous other activities such as inter-class debates and public speaking showcases build confidence and prepare Yishunites for life in and beyond secondary school. Our Applied Learning Programme (ALP) in Sonic Arts (Music, Media and Technology) leverages new media to provide students with a strong foundation in and exposure to established and emerging disciplines in Music Technology and Recording Arts. In addition to stretching the students academically, the School's Learning for Life Programme (LLP) in Leading with Empathy, Serving with Compassion, creates platforms for students to lead in serving the community and provides opportunities for Yishunites to broaden their understanding of the needs and aspirations of the community. Through these authentic experiences, students' leadership skills and attitudes are developed and enhanced. Key features of our Character and Citizen Education Programme include Citizenship Education Learning Journeys, the Sec 2 Adventure Camp and the Yishun Secondary School Goes Global Programme. The school also builds on its strong partnerships with various community groups to achieve its aims of equipping Yishunites with the appropriate skillsets to face the challenges of tomorrow.

School Vision : A School of Distinction.A Community of Leaders.

School Mission : Nurturing Confident Leaders, Active Citizens and Global Thinkers - YTzens for the Future

School Philosophy, Culture and Ethos

YTSS is guided by its vision, 'A School of Distinction, A Community of Leaders', and is committed to developing every YTzen to be a Confident Leader, Active Citizen and a Global Thinker. It holds firmly to the belief that every student can and wants to learn, and this translates into a commitment to unlock the potential of every child. The school also places a strong emphasis on cultivating self-discipline and imbuing the core values of Integrity, Respect, Resilience and Gratitude in our students. This student-centric approach in educating our students can also be seen in our curriculum. It is designed and implemented by our caring and professional team of teachers who embrace the core belief of 'leave no child behind'. The curriculum is crafted with the learners in mind and seeks to deepen our students' understanding of the various disciplines, making learning engaging and meaningful for them. Working closely with supportive parents and alumni, as well as the community and other partners in education, there is a strong community of support in YTSS to create a nurturing environment and provide the best learning experience for all YTzens. The school motto, 'We will Excel' is the guiding beacon for all YTzens and it permeates the school culture. The various awards and accolades the school is accorded and has achieved are testimonies of our steadfast commitment to excellence.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ENGLISH LANGUAGE, GEOGRAPHY, HIGHER CHINESE, HISTORY, LITERATURE IN TAMIL, LITERATURE(E), MALAY, MATHEMATICS, MUSIC, SCIENCE, TAMIL

Special Student Development Programmes Offered

Students participate in programmes aligned to the YTzen profile that are designed for their holistic development. These programmes teach character education while challenging our students cognitively and physically. Confident Leader: All students participate in the NYAA (Silver) Programme, learning different skill sets and nurturing attributes that ensure holistic development. They also undergo leadership training through the Student Leadership Development Programmes that involve level camps, expeditions and service learning projects. Selected Student Leaders have the opportunities to take part in the Aspiring and Empowering Leaders Programmes to further develop their leadership competencies. NA and NT students develop life skills and vocational skills in the MY LIFE Programme. Active Citizens: Social-emotional competencies are taught through Process Drama and Values@Heart lessons. Classes also plan and carry out Service Learning projects and reflect on our nation's history as they participate in Heritage Trails designed by our teachers. Global Thinkers: The YTSS Cross-Cultural Learning Programmes expand our students' global outlook while developing their intercultural competencies through local and overseas exchange programmes and learning journey. The STAR Programmes also challenges our students cognitively through interesting research projects in collaboration with Institutes of Higher Learning, both local and overseas.

CCAs Offered

School Vision : Every Individual a Thinker, an Achiever, a Concerned Citizen

School Mission : Enriching Minds, Unleashing Potential, Impacting Lives

School Philosophy, Culture and Ethos

At Yuan Ching, we believe that every student can become a future-ready, contributing citizen with lifelong passion for learning. The Yuan Ching Education leverages strong partnership among educators, parents, alumni and the community to nurture the whole child to realise his full potential. Our student is equipped with strong fundamentals and skills to thrive in a globalised, technology-driven world. He is a critical thinker, reflective learner and team player. He learns to be caring and responsible to his family and community; he understands his role in contributing to the future of Singapore. Resilient and diligent, he exemplifies the school's motto of 'Efforts Today, Rewards Tomorrow'. Our community is inclusive and welcoming. Our teachers care deeply and will give their utmost support and guidance to their students. Our school is a safe and nurturing home - grounded in positive discipline, care and concern that values every individual. Riding on the legacy of resilience, resourcefulness and responsibility by our pioneers, the school spirit inspires all to live these virtues and to build a strong school identity and affiliation. It affirms individual strengths, energizes collective efforts and moves teams towards success beyond expectations. Our students are empowered to lead, serve and inspire their peers. They embody our core values of Integrity, Excellence, Compassion, Enterprise and Loyalty (IExCEL). They are creative, motivated, humble and respectful. They make a difference in the community and beyond, and grow to epitomise our vision of 'A Thinker, an Achiever and Concerned Citizen'.

Subjects Offered

Special Student Development Programmes Offered

Applied Learning Programme: Marine Robotics enthruses learners by connecting their knowledge and skills learnt in classrooms to the Underwater Vehicle building and Microbit programming activities. The students will acquire Problem Solving and Science, Technology, Engineering and Mathematics skills as they learn to overcome assigned challenges in their projects. They are also imbued with 21st Century Competencies and strong values while working collaboratively in teams. Learning for Life Programme: gRowing Values Through Sports and Outdoor Experiences instils values and builds character in students through their acquisition of skills in swimming, life-saving and dragon boating. Student Leadership Development: The Leadership Challenge Model enhances students' inter-personal and communication skills, develops leadership competencies and builds teamwork. Overseas cultural exchange and outdoor learning programmes expose students to authentic learning experiences that nurture character and values. Environmental education deepens understanding and develops active citizenry in students who will care for the environment. Aesthetics programmes use a multi-faceted approach to develop in students an appreciation for the aesthetics and to discover their interests and strengths.

CCAs Offered

School Vision : A Community Where Learners Flourish

School Mission : To Nurture Yuhuan of Character and Purpose who Care, Connect and Contribute

School Philosophy, Culture and Ethos

Our aim as a school is to help every Yuhuan flourish. To help Yuhuan adapt to an ever-changing world, we are committed to helping them understand themselves, develop their abilities and qualities, and learn to care for themselves, others and the community. We want to develop character and purpose in all Yuhuan, and to help them care, connect and contribute to others as we build a flourishing community. We believe strongly in our motto of 'Above All, Care', and that Yuhuan can embrace the school values of curiosity, adaptability, respect, responsibility, resilience and above all, care. Adopting positive education principles of PERMA, Yuhua is a family where everyone will engage in learning from one another, as we build a community where learners flourish.

Subjects Offered

ADDITIONAL MATHEMATICS, ART 'O' LEVEL, ART NA LEVEL, ART NT LEVEL, BASIC CHINESE, BASIC MALAY, BASIC TAMIL, BIOLOGY, CHEMISTRY, CHINESE, CHINESE N(A), COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELECTRONICS, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, ENGLISH LANGUAGE (SYLL A), ENGLISH LANGUAGE (SYLL T), FOOD & NUTRITION, FOOD AND CONSUMER EDUCATION, GEOGRAPHY, HIGHER CHINESE, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MALAY N(A), MATHEMATICS, MATHEMATICS (SYLLABUS A), MATHEMATICS (SYLLABUS T), MOBILE ROBOTICS, MUSIC, MUSIC 'O' LEVEL, PHYSICAL EDUCATION, PHYSICS, SCIENCE, SCIENCE (CHEM, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T), SOCIAL STUDIES N(T), TAMIL

Special Student Development Programmes Offered

The school had developed various in-house flagship curricular programmes and distinctive programmes. Our flagship programmes such as Multi-Modal Reading Programme, Y-Venture (Mathematics), Interdisciplinary Scientific Exploratory and Experiential Learning and the Conversational Chinese/Malay Programme aim to make learning visible and engender engagement in learning. Complementing the curriculum is our Applied Learning Programme in coding, design thinking and robotics (CODER) to help Yuhuan develop thinking skills and apply knowledge in authentic settings. Electronics and Mobile Robotics were introduced as applied subjects to broaden Yuhuan's learning experiences. Yuhuan will acquire skills and knowledge in the fundamentals of electronics and fields of mechatronics engineering through experiential and practice-based learning, with further exposure to STEM-related Elective Modules and Advanced Elective Modules offered by tertiary institutions. Our Learning-for-Life Programme MELODY (Music-Empowered Learners, Our Dynamic Yuhuan) harnesses our long-standing tradition of musical excellence to nurture the attributes of creativity, precision, teamwork, discipline and confidence in Yuhuan. The music curriculum allows Yuhuan to experience diverse genres of music and showcase their talents at various platforms. Musically talented Yuhuan can also offer GCE O Level Music under the Enhanced Music Programme.

CCAs Offered

School Vision : Enterprising Learners for Excellence

School Mission : To Nurture Wholesome Individuals with Global Mindset, Passion to Learn and Spirit to Serve

School Philosophy, Culture and Ethos

Founded in 1910, Yuying Secondary School is a government-aided school steeped in history, culture and tradition. The school believes in providing a positive learning environment to develop skills and competencies necessary for students to be future-ready. With the understanding that students are motivated to learn when they are encouraged and feel a sense of belonging, the school focuses on fostering strong teacher-student rapport. The school values of Integrity, Resilience, Respect and Responsibility undergird the belief that it is essential to help each student develop self-awareness and self-management. Celebrating diversity, the school offers curricular and co-curricular experiences that are engaging and invites students to explore and develop their talents and interests. The school seeks to nurture students to be wholesome in character, possessing resilience and skills to see possibilities and seize opportunities wherever they go.

Subjects Offered

ADDITIONAL MATHEMATICS, ART, BIOLOGY, CHEMISTRY, CHINESE, COMPUTER APPLICATIONS, DESIGN & TECHNOLOGY, ELEMENTS OF BUSINESS SKILLS, ENGLISH LANGUAGE, EXERCISE AND SPORTS SCIENCE, FOOD & NUTRITION, HIGHER CHINESE, HUMANITIES (SS, GEOGRAPHY), HUMANITIES (SS, HISTORY), LITERATURE(E), MALAY, MATHEMATICS, PHYSICAL EDUCATION, PHYSICS, PRINCIPLES OF ACCOUNTS, SCIENCE (CHEM, BIO), SCIENCE (PHY, BIO), SCIENCE (PHY, CHEM), SCIENCE (SYLL T)

Special Student Development Programmes Offered

In line with the school's vision, 'Enterprising Learners for Excellence', the school develops key programmes that cater to the diverse profile of students. Student leadership development in Yuying provides all students with opportunities to take on leadership roles and receive tiered leadership training anchored on 21st century competencies. Grounded in leadership principles, the Lifelong Learning Programme (LLP) seeks to nurture students to become community youth leaders. Through Values-in-Action activities in the LLP, students are given opportunities to be environmental advocates and social changemakers. To foster inventive and critical thinking for enterprising learners, the Applied Learning Programme (ALP) trains students in the Design Thinking protocol to solve real-life problems. Through ALP, students develop both cognitive and affective empathy in the process of ideating and creating solutions for a better future for the community. The school also taps on its Vertical Farming resource to design authentic and experiential learning experiences for students when teaching subject-specific concepts. This makes learning meaningful for students. Industry partnerships and attachment opportunities provide our students the insights to the skills and competencies necessary for them to be future-ready. In addition, students are able to identify their areas of strengths and interests beyond the context of a classroom. With heightened self-awareness, many are able to pursue their passion and engage in purposeful learning.

School Vision : Every Student, A Principled and Future-Ready Leader

School Mission : To prepare every student to better meet the challenges of the future by building the student's emotional, ethical, intellectual, physical and social capacity.

School Philosophy, Culture and Ethos

Strong fundamental skills and values are at the centre of Zhenghua Secondary's endeavours. The school establishes a firm foundation for future learning by teaching core learning skills and instilling in our students a strong moral compass to face challenges with resilience and integrity. In academic learning, students are encouraged to take responsibility for their learning and be independent in the pursuit of knowledge. Problem-based and inquiry-based learning continue to be key teaching strategies to promote critical, creative and independent thinking. These efforts have yielded value-added outcomes. We have a caring environment in which students and teachers have strong rapport. Our strong emphasis on holistic development is reflected in our unique Outdoor Education and Leadership programmes. We have an Adventure and Leadership Training Centre with facilities such as the high elements challenge ropes course and the outdoor and indoor rock walls. Outdoor education is infused in our PE programme. We are proud of the many achievements of our Uniformed Groups and Aesthetics groups. The school was conferred the Lee Hsien Loong Award for Innovations in the Normal Course for our efforts in providing our students with meaningful learning experiences. We offer Direct School Admission (DSA) to suitable P6 students who demonstrate exemplary leadership competencies or who have excelled in their respective sports, performing arts or uniformed groups.

School Vision : Scholars o Leaders

School Mission : Nurturing Zhonghuarians to be passionate learners in pursuit of excellence; dynamic and resilient leaders with a passion for innovation; cultured and caring citizens with a global outlook.

School Philosophy, Culture and Ethos

At Zhonghua, a culture of care permeates the whole school. Guided by our time-tested motto Li Yi Lian Chi (Courteous, Righteous, Edified, Dignified) and anchored on our core values of Responsibility, Integrity, Care and Excellence, the school is committed to preserving our rich centennial heritage and positive school culture as we evolve with the times. Our future-ready curriculum and signature programmes equip our students with 21st Century Competencies to prepare them to be scholars and leaders of the future with a heart to lead and serve the community.

Subjects Offered

Special Student Development Programmes Offered

Zhonghua's signature programmes are integrated under 3 broad strands of education, namely: Science and Technology Education, Environmental and Sustainability Education and Glocal Perspective Education. In Zhonghua, students across all levels are given opportunities to discover the wonders of Science and its applications through experiential and student-centred learning activities. In addition, all lower secondary students go through the Design Thinking process to develop a problem-solving mindset. Riding on the push for STEM education, the STEAM Research Programme provides opportunities for our students to work on real world problems and equip our students with the necessary knowledge, skills and values for the future workplace. Our Robotics and Computing Programme and Data Literacy module further develop our students in terms of creativity, programming and analytical skills. For Environmental and Sustainability Education, we seek to nurture our students to be future-ready leaders who reflect and research on the challenges that the world faces through experiential and collaborative learning experiences beyond the classroom. Our MOE Art Elective Programme (AEP) adopts the Lincoln Centre Education approach that develops students' capacities for imagination and enables them to realise their artistic potential through a rigorous 4-year programme. Complementing this, the Glocal Perspective Education nurtures students to be cultured, caring and global citizens through a range of cultural activities and global immersion opportunities. The Student Leadership Programme nurtures forward-looking leaders with integrity and commitment to serve the school, community and nation and provides tiered leadership training and experiences to all students. Our Talent Development Programme also provides programmes designed to stretch the potential of selected students.
