PRIMARY 6 COMMON TEST (CT) 2022

Dear Parents/Guardians.

- 1. The Primary 6 Common Test (CT) will be conducted in end February 2022, starting <u>from 18 Feb (Fri) to 24 Feb (Thu)</u>. Please refer to **Annex A** for the CT timetable.
- 2. The CT serves to gather timely feedback that can be used to improve student learning by informing teachers about how they can adapt their teaching to close learning gaps. This feedback is also helpful for students to assess and reflect on their level of mastery of concepts and/or skills. In addition, parents/guardians will be able to better provide the necessary support and encouragement for their child/ward.
- 3. As CT is part of our ongoing formative assessment, there will not be any make-up test(s) if your child/ward is absent for any test(s). However, your child/ward will be given the question paper from his/her subject teachers for practice.
- 4. The After-School Academic Learning Programme (e.g. supplementary, HMTL, FEL & FMA lessons) will carry on as usual during this assessment period.
- 5. All test scripts will be returned to your child/ward latest by 9 Mar (Wed).
- 6. The school seeks the support of all parents/guardians to monitor the progress of your child/ward and to ensure that he/she has adequate rest during this assessment period.
- 6. Should you have any query, please contact your child's/ward's Form Teacher or me at lim_jie_ling_serene@moe.edu.sg

Thank you for your continued support as our partners-in-education.

Yours sincerely, Mrs Serene Soh Year Head (Upper Primary)
